1 WHEREAS, the House of Representatives of the Twenty-ninth

4 significance, being the only royal palace in the United States
5 and designated as a National Historic Landmark on the National
6 Register of Historic Places; and

7
8 WHEREAS, Iolani Palace further serves as a reminder of
9 Hawaii's origins, completed in 1882 and one of Hawaii's oldest

12 Hawaii; and

13
14 WHEREAS, the State of Hawaii and its people have the utmost

17 protect and preserve the Palace and its grounds for generations
18 to come; and

19
20 WHEREAS, thousands of locals and visitors come to tour

23 from the architectural magnificence of the Palace; and

24
25 WHEREAS, no other palace in the world has parking meters,
26 and allowing people to continue to park on the Palace grounds is
27 a desecration of the hallowed grounds of Iolani Palace and
28 cannot be tolerated; now, therefore
