# A BILL FOR AN ACT

---

MAKING AN APPROPRIATION FOR THE AGING AND DISABILITY RESOURCE  
CENTER.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1       SECTION 1. The legislature finds that the State's aging

3       to streamline access to long-term supports and services for  
4       older adults, individuals with disabilities, and family  
5       caregivers. The legislature additionally finds that proper  
6       funding for the aging and disability resource center is  
7       essential to ensure the center is an effective single point of  
8       entry for individuals seeking information about appropriate  
9       long-term care options. Ensuring the availability of services  
10      once a consumer receives a referral, such as those offered  
11      through the kupuna care program, is also critical to the success  
12      of the aging and disability resource center.

13      The legislature notes that funding for the aging and  
14      disability resource center supports county area agencies on  
15      aging and allows the agencies to operate aging and disability  
16      resource centers within the counties. Funding for the aging and
