A BILL FOR AN ACT

RELATING TO GOVERNMENT ACCOUNTABILITY.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that every year laws are
2 enacted that require new studies and audits of various state
3 government departments or agencies. Conducting and completing
4 many of these studies and audits require an appropriation and
5 also consume valuable time and resources of the department,
6 agency, office, or branch of government tasked with preparing
7 the study or audit. The legislature also finds that the
8 resultant report is often not widely reviewed by the legislature
9 or public and can sometimes go completely unnoticed despite the
10 fact that these reports can contain valuable information. The
11 legislature further finds that mandating a public hearing or
12 informational briefing which would facilitate discussion and
13 analysis of the report findings and recommendations would better
14 serve the public interest.

15 The purpose of this Act is to require a public hearing or
16 informational briefing on certain audit reports and studies
17 enacted with an appropriation within one year of the receipt of

1 the report or study in order to properly review and consider the
2 information provided therein.

3 SECTION 2. Chapter 21, Hawaii Revised Statutes, is amended
4 by adding a new part to be appropriately designated and to read
5 as follows:

6 "PART . HEARINGS OR BRIEFINGS ON REPORTS

7 §21- Procedures for consideration of reports. (a) For
8 any study or audit enacted with a legislative appropriation to
9 fund the study or audit, including those studies or audits in
10 any budget measure, and which are conducted by:

11 (1) The executive departments and agencies, including the
12 Hawaii health systems corporation;

13 (2) The auditor;

14 (3) The judiciary;

15 (4) The legislative reference bureau; or

16 (5) The office of Hawaiian affairs,

17 the state agency completing the study or audit shall submit the
18 report to the chair of the applicable subject matter committee
19 of each chamber and if no chair is currently appointed to such
20 committee, then to the presiding officer of that chamber. The

1 report shall also be in compliance with the requirements of
2 section 93-16.

3 (b) The respective chairs of the committees to whom a
4 report is submitted under subsection (a) shall conduct a public
5 hearing or informational briefing on the report within one year
6 of the chair receiving the report. Upon request of the chair, a
7 one-year extension of time or waiver of the requirement to
8 conduct a public hearing or informational briefing may be
9 granted by the president of the senate or the speaker of the
10 house of representatives, as appropriate; provided that the
11 reasons for the granting a one-year extension of time or waiver
12 of the requirement under this part shall be posted on the
13 legislature's website and publicly noticed at the state
14 capitol."

15 SECTION 3. Chapter 21, Hawaii Revised Statutes, is amended
16 by designating sections 21-1 to 21-19 as part I, entitled
17 "Investigating Committees".

18 SECTION 4. Sections 21-1, 21-2, 21-6, 21-13, 21-15, and
19 21-19, Hawaii Revised Statutes, are amended by substituting the
20 word "part" wherever the word "chapter" appears, as the context
21 requires.
