JUSTIFICATION SHEET

DEPARTMENT: Agriculture

TITLE: A BILL FOR AN ACT RELATING TO AGRICULTURE.

PURPOSE: To provide that the amount appropriated in Act 183, Session Laws of Hawaii (SLH) 2017, shall be deposited into the food safety certification costs grant program special fund and that the same amount shall be appropriated out of the special fund for fiscal year 2018-2019.

MEANS: Amend Act 183, SLH 2017.

JUSTIFICATION: Act 183, SLH 2017, created a food safety certification costs grant program and the food safety certification costs grant program special fund. The purpose of these grants is to assist farmers and ranchers in complying with the federal Food Safety Modernization Act, the United States Food and Drug Administration regulations, and state food safety laws.

Act 183 further appropriated \$500,000 for fiscal year 2017-2018 for this grant program. Although the Act provided that the "revenues of the [special] fund shall consist of legislative appropriations and the interest thereon," it did not specify that the appropriation shall be deposited into the special fund, nor did it appropriate the amount out of the special fund. Currently, the appropriation will lapse on June 30, 2018. The Department of Agriculture requires additional time to complete its adoption of administrative rules, as mandated by Act 183, to establish and implement the grant program, and to begin disbursing grants. This bill shall allow the deposit of Act 183's appropriation into the special fund as well as give the

Department of Agriculture another year to expend the appropriation in the form of grants to Hawaii's farmers and ranchers.
