

S.B. NO. 2775

JAN 24 2018

A BILL FOR AN ACT

RELATING TO THE HAWAII HEALTH INSURANCE GUARANTY ASSOCIATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Currently, the State has two insurance guaranty
2 associations that provide payment mechanisms for eligible
3 covered claims when insurers are insolvent. The first, the
4 Hawaii Insurance Guaranty Association, covers direct property
5 and liability contracts. The second, the Hawaii Life and
6 Disability Insurance Guaranty Association, covers life and
7 accident and health or sickness insurance policies and insurance
8 contracts.

9 Under the Hawaii Life and Disability Insurance Guaranty
10 Association, member insurers are composed of Hawaii licensed
11 carriers that provide life and accident and health or sickness
12 insurance policies and insurance contracts. However, medical
13 service organizations and health maintenance organizations are
14 excluded from being Hawaii Life and Disability Insurance
15 Guaranty Association members. That means that these
16 organizations are not assessed to help pay the claims of an
17 insolvent Hawaii Life and Disability Insurance Guaranty
18 Association member but, also, that there is no guaranty

S.B. NO. 2775

1 association to assist a financially insolvent medical service
2 organization and health maintenance organization. The vast
3 majority of Hawaii's residents maintain health insurance plans
4 through these organizations.

5 The purpose of this Act is to protect Hawaii's health
6 insurance policyholders and health care providers in case a
7 medical service organization or health maintenance organization
8 experiences financial insolvency.

9 SECTION 2. Chapter 431, article 16, Hawaii Revised
10 Statutes, is amended by adding a new part to be appropriately
11 designated and to read as follows:

12 **"PART . HAWAII HEALTH INSURANCE GUARANTY ASSOCIATION**

13 **§431:16-A Title.** This part shall be known as the Hawaii
14 Health Insurance Guaranty Association Act.

15 **§431:16-B Purpose.** (a) The purpose of this part is to
16 protect, subject to certain limitations, policy owners and
17 health care providers against failure in the performance of
18 contractual obligations under insurance policies issued by
19 licensees under part 1 of chapter 432 and chapter 432D, and
20 dental insurance policies issued by licensees under chapter
21 432G, because of the impairment or insolvency of the member
22 insurer that issued the policies or contracts.

S.B. NO. 2775

1 (b) To provide this protection, an association of insurers
2 is created to pay benefits and to continue coverages as limited
3 herein, and members of the association are subject to assessment
4 to provide funds to carry out the purpose of this part.

5 **§431:16-C Scope.** This part shall apply to insurance
6 policies issued by licensees under part 1 of chapter 432 and
7 chapter 432D, and dental insurance policies issued by licensees
8 under chapter 432G. Limited benefit health insurance policies
9 as defined in section 431:10A-102.5 are not included in this
10 part.

11 **§431:16-D Coverage and limitations.** (a) This part shall
12 provide coverage to policy owners for the policies and contracts
13 specified in subsection (b).

14 (b)(1) This part shall provide coverage to the persons who
15 have coverage under insurance policies issued by licensees under
16 part 1 of chapter 432 and chapter 432D, and dental insurance
17 policies issued by licensees under chapter 432G, and for
18 supplemental contracts to any of these, in each case issued by
19 member insurers except as limited by this part.

20 (2) This part shall not provide coverage for:

11 program of an employer, association, or other
12 person to provide accident and health or sickness
13 insurance to its employees, members, or other

15 self-funded or uninsured, including but not
16 limited to benefits payable by an employer,
17 association, or other person under:

8 that the assessments required by this part with
9 respect to the policy or contract are preempted
10 or otherwise not permitted by federal or state
11 law;

12 (F) Any obligation that does not arise under the
13 express written terms of the policy or contract
14 issued by the insurer to the contract owner or
15 policy owner, including without limitation:

16 (i) Claims based on marketing materials;

17 (ii) Claims based on side letters, riders, or
18 other documents that were issued by the
19 insurer without meeting applicable policy

S.B. NO. 2775

(iv) Extra-contractual claims; or

(v) A claim for penalties or consequential or incidental damages; or

(c) The benefits for which the association may become liable for insurance policies issued by licensees under part 1 of chapter 432 and chapter 432D shall in no event exceed the lesser of:

(1) The contractual obligations for which the insurer is liable or would have been liable if it were not an impaired or insolvent insurer, or

20 case the aggregate liability of the association shall not exceed
21 \$500,000 with respect to any one individual.

S.B. NO. 2115

1 (f) The limitations set forth in this section are
2 limitations on the benefits for which the association is
3 obligated before taking into account its subrogation and
4 assignment rights or the extent to which those benefits could be
5 provided out of the assets of the impaired or insolvent insurer
6 attributable to covered policies. The costs of the
7 association's obligations under this part may be met by the use
8 of assets attributable to covered policies or reimbursed to the
9 association pursuant to its subrogation and assignment rights.

10 (g) In performing its obligations to provide coverage
11 under section 431:16-I, the association shall not be required to
12 guarantee, assume, reinsure, or perform, or cause to be

16 values or economic benefits of the covered policy or contract.

7 terminated coverage or to issue an
8 alternative policy.

9 (ii) Alternative or reissued policies shall be
10 offered without requiring evidence of
11 insurability and shall not provide for any
12 waiting period or exclusion that would not
13 have applied under the terminated policy.

14 (iii) The association may reinsure any alternative
15 or reissued policy.

16 (C) (i) Alternative policies adopted by the
17 association shall be subject to the approval
18 of the commissioner or the receivership

20 alternative policies of various types for
21 future issuance without regard to any
22 particular impairment or insolvency.

S.B. NO. 2775

1 (ii) Alternative policies shall contain at least
2 the minimum statutory provisions required in
3 this State and provide benefits that shall
4 not be unreasonable in relation to the
5 premium charged. The association shall set
6 the premium in accordance with a table of
7 rates which it shall adopt. The premium
8 shall reflect the amount of insurance to be
9 provided and the age and class of risk of
10 each insured, but shall not reflect any
11 changes in the health of the insured after
12 the original policy was last underwritten.

13 (iii) Any alternative policy issued by the
14 association shall provide coverage of a type
15 similar to that of the policy issued by the
16 impaired or insolvent insurer, as determined
17 by the association.

18 (D) If the association elects to reissue terminated
19 coverage at a premium rate different from that
20 charged under the terminated policy, the premium
21 shall be set by the association in accordance
22 with the amount of insurance provided and the age

S.B. NO. 2775

1 and class of risk, subject to approval of the
2 domiciliary insurance commissioner or by a court
3 of competent jurisdiction.

4 (E) The association's obligations with respect to
5 coverage under any policy of the impaired or
6 insolvent insurer or under any reissued or
7 alternative policy shall cease on the date such
8 coverage or policy is replaced by another similar
9 policy by the policyholder, the insured, or the
10 association.

11 (c) Nonpayment of premiums within thirty-one days after
12 the date required under the terms of any guaranteed, assumed,
13 alternative, or reissued policy or contract or substitute
14 coverage shall terminate the association's obligations under the
15 policy or coverage under this part with respect to the policy or
16 coverage, except with respect to any claims incurred or any net
17 cash surrender value which may be due in accordance with the
18 provisions of this part.

19 (d) Premiums due for coverage after entry of an order of
20 liquidation of an insolvent insurer shall belong to and be
21 payable at the direction of the association, and the association

S.B. NO. 2775

1 shall be liable for unearned premiums due to policy or contract
2 owners arising after the entry of such order.

3 (e) The protection provided by this part shall not apply
4 where any guaranty protection is provided to residents of this
5 State by the laws of the domiciliary state or jurisdiction of
6 the impaired or insolvent insurer other than this State.

7 (f) In carrying out its duties under subsection (b), the
8 association may, subject to approval by a court in this
9 State, impose permanent policy or contract liens in connection
10 with any guarantee, assumption, or reinsurance agreement, if the
11 association finds that the amounts which can be assessed under
12 this part are less than the amounts needed to assure full and
13 prompt performance of the association's duties under this part,
14 or that the economic or financial conditions as they affect
15 member insurers are sufficiently adverse to render the
16 imposition of such permanent policy or contract liens, to be in
17 the public interest; and

18 (g) If the association fails to act within a reasonable
19 period of time as provided in subsection (b), the commissioner
20 shall have the powers and duties of the association under this
21 part with respect to the insolvent insurer.

S.B. NO. 2775

1 (h) The association may render assistance and advice to
2 the commissioner, upon the commissioner's request, concerning
3 rehabilitation, payment of claims, continuance of coverage, or
4 the performance of other contractual obligations of any impaired
5 or insolvent insurer.

6 (i) The association shall have standing to appear or
7 intervene before any court or agency in this State with
8 jurisdiction over an impaired or insolvent insurer concerning
9 which the association is or may become obligated under this part
10 or with jurisdiction over any person or property against which
11 the association may have rights through subrogation or
12 otherwise. Such standing shall extend to all matters germane to
13 the powers and duties of the association, including, but not
14 limited to, proposals for reinsuring, modifying, or guaranteeing
15 the policies or contracts of the impaired or insolvent insurer
16 and the determination of the policies or contracts and
17 contractual obligations. The association shall also have the
18 right to appear or intervene before any court or agency in
19 another state with jurisdiction over an impaired or insolvent
20 insurer for which the association is or may become obligated or
21 with jurisdiction over any person or property against whom the
22 association may have rights through subrogation or otherwise.

S.B. NO. 2775

1 (j) (1) Any person receiving benefits under this part shall be
2 deemed to have assigned the rights under, and any
3 causes of action against any person for losses arising
4 under, resulting from, or otherwise relating to, the
5 covered policy or contract to the association to the
6 extent of the benefits received because of this part,
7 whether the benefits are payments of or on account of
8 contractual obligations, continuation of coverage, or
9 provision of substitute or alternative coverages. The
10 association may require an assignment to it of such
11 rights and causes of action by any payee, policy or
12 contract owner, beneficiary, or insured as a condition
13 precedent to the receipt of any right or benefits
14 conferred by this part upon such person.

15 (2) The subrogation rights of the association under this
16 section shall have the same priority against the
17 assets of the impaired or insolvent insurer as that
18 possessed by the person entitled to receive benefits
19 under this part.

20 (3) In addition to paragraphs (1) and (2), the association
21 shall have all common law rights of subrogation and
22 any other equitable or legal remedy that would have

S.B. NO. 2775

1 been available to the impaired or insolvent insurer,
2 owner, beneficiary, or payee of a policy or contract
3 with respect to the policy or contracts.

4 (4) If the preceding provisions of this subsection are
5 invalid or ineffective with respect to any person or
6 claim for any reason, the amount payable by the
7 association with respect to the related covered
8 obligations shall be reduced by the amount realized by
9 any other person with respect to the person or claim
10 that is attributable to the policies, or portion
11 thereof, covered by the association.

12 (5) If the association has provided benefits with respect
13 to a covered obligation and a person recovers amounts
14 to which the association has rights as described in
15 the preceding paragraphs of this subsection, the
16 person shall pay to the association the portion of the
17 recovery attributable to the policies, or portion
18 thereof, covered by the association.

19 (k) The association may:

20 (1) Enter into such contracts as are necessary or proper
21 to carry out the provisions and purposes of this part;

S.B. NO. 2775

- 1 (2) Sue or be sued, including taking any legal actions

3 under section 431:16-J, and to settle claims or
4 potential claims against it;
- 5 (3) Borrow money to effect the purposes of this part; any
6 notes or other evidence of indebtedness of the
7 association not in default shall be legal investments
8 for domestic insurers and may be carried as admitted
9 assets;
- 10 (4) Employ or retain such persons as are necessary to
11 handle the financial transactions of the association
12 and to perform such other functions as become
13 necessary or proper under this part;
- 14 (5) Take such legal action as may be necessary to avoid
15 payment of improper claims or to recover payment of
16 improper claims;
- 17 (6) Exercise, for the purposes of this part and to the
18 extent approved by the commissioner, the powers of a
19 domestic accident and health or sickness insurer, but
20 in no case may the association issue insurance
21 policies other than those issued to perform its
22 obligations under this part;

S.B. NO. 2775

(7) Organize itself as a corporation or in other legal form permitted by the laws of the State;

(8) Request information from a person seeking coverage from the association in order to aid the association in determining its obligations under this part with respect to the person, and the person shall promptly comply with the request; and

(9) Take other necessary or appropriate action to discharge its duties and obligations under this part or to exercise its powers under this part.

(10) The association may join an organization of one or more other state associations of similar purposes to further the purposes and administer the powers and duties of the association.

(m) With respect to covered policies for which the association becomes obligated after an entry of an order of liquidation or rehabilitation, the association may elect to succeed to the rights of the insolvent insurer, arising after the date of the order of liquidation or rehabilitation under any contract of reinsurance to which the insolvent insurer was a party, to the extent that the contract provides coverage for losses occurring after the date of the order of liquidation or

S.B. NO. 2775

1 rehabilitation. As a condition to making this election, the
2 association shall pay all unpaid premiums due under the contract
3 for coverage relating to periods before and after the date of
4 the order of liquidation or rehabilitation.

5 (n) The board of directors of the association shall have
6 discretion and shall exercise reasonable business judgment to
7 determine the means by which the association is to provide the
8 benefits of this part in an economical and efficient manner.

9 (o) Where the association has arranged or offered to
10 provide the benefits of this part to a covered person under a
11 plan or arrangement that fulfills the association's obligations
12 under this part, the person shall not be entitled to benefits
13 from the association in addition to or other than those provided
14 under the plan or arrangement.

15 (p) Venue in a suit against the association arising under
16 this part shall be in the circuit court of the first
17 circuit. The association shall not be required to give an
18 appeal bond in an appeal that relates to a cause of action
19 arising under this part.

20 (q) In carrying out its duties in connection with
21 guaranteeing, assuming, or reinsuring policies or contracts
22 under subsection (a) or (b), the association may, subject to

S.B. NO. 2175

1 approval of the receivership court, issue substitute coverage
2 for a policy or contract by issuing an alternative policy or
3 contract in accordance with the following provisions:

4 (1) There is no requirement for evidence of insurability,
5 waiting period, or other exclusion that would not have
6 applied under the replaced policy or contract; and

7 (2) The alternative policy or contract is substantially
8 similar to the replaced policy or contract in all
9 other material terms.

10 **§431:16-J Assessments.** (a) For the purpose of providing
11 the funds necessary to carry out the powers and duties of the
12 association, the board of directors shall assess the member
13 insurers, separately for each account, at such time and for such
14 amounts as the board finds necessary. Assessments shall be due
15 not less than thirty days after prior written notice to the
16 member insurers and shall accrue interest at eighteen per cent
17 per annum on and after the due date.

18 (b) There shall be two assessments, as follows:

19 (1) Class A assessments shall be authorized and called for
20 the purpose of meeting administrative and legal costs,
21 other expenses, and examinations conducted under the
22 authority of section 431:16-M(e). Class A assessments

S.B. NO. 2775

1 may be authorized and called whether or not related to
2 a particular impaired or insolvent insurer.

3 (2) Class B assessments shall be authorized and called to
4 the extent necessary to carry out the powers and
5 duties of the association under section 431:16-I with
6 regard to an impaired or an insolvent insurer.

7 (c) (1) The amount of any class A assessment shall be
8 determined by the board of directors and may be
9 authorized and called on a pro rata or non-pro rata
10 basis. If pro rata, the board of directors may
11 provide that it be credited against future class B
12 assessments. A non-pro rata assessment shall not
13 exceed \$300 per member insurer in any one calendar
14 year. The amount of any class B assessment shall be
15 allocated for assessment purposes among the accounts
16 pursuant to an allocation formula that may be based on
17 the premiums or reserves of the impaired or insolvent
18 insurer or any other standard deemed by the board of
19 directors in its sole discretion as being fair and
20 reasonable under the circumstances.

21 (2) Class B assessments against member insurers shall be
22 in the proportion that the premiums received on

S.B. NO. 2775

1 business in this State by each assessed member insurer
2 on policies or contracts covered for the three most
3 recent calendar years for which information is
4 available preceding the year in which the insurer
5 became impaired or insolvent, as the case may be,
6 bears to the premiums received on business in this
7 State for the calendar years by all assessed member
8 insurers.

9 (3) Assessments for funds to meet the requirements of the
10 association with respect to an impaired or insolvent
11 insurer shall not be authorized or called until
12 necessary to implement the purposes of this part.
13 Classification of assessments under subsection (b) and
14 computation of assessments under this subsection shall
15 be made with a reasonable degree of accuracy,
16 recognizing that exact determinations may not always
17 be possible. The association shall notify each member
18 insurer of its anticipated pro rata share of an
19 authorized assessment not yet called within one
20 hundred eighty days after the assessment is
21 authorized.

S.B. NO. 2175

1 (d) The association may abate or defer, in whole or in
2 part, the assessment of a member insurer if, in the opinion of
3 the board of directors, payment of the assessment would endanger
4 the ability of the member insurer to fulfill its contractual
5 obligations. In the event an assessment against a member
6 insurer is abated or deferred in whole or part, the amount by
7 which the assessment is abated or deferred may be assessed
8 against the other member insurers in a manner consistent with
9 the basis for assessments set forth in this section. Once the
10 conditions that caused the deferral have been removed or
11 rectified, the member shall pay all assessments that were
12 deferred pursuant to a repayment plan approved by the
13 association.

14 (e)(1) Subject to the provisions of paragraph (2), the total
15 of all assessments authorized by the association with
16 respect to a member insurer shall not in any one
17 calendar year exceed two per cent of the insurer's
18 average premiums received in this State on the
19 policies and contracts covered by the account during
20 the three calendar years preceding the year in which
21 the insurer became an impaired or insolvent insurer.

S.B. NO. 2775

1 (2) If two or more assessments are authorized in one
2 calendar year with respect to insurers that become
3 impaired or insolvent in different calendar years, the
4 average annual premiums for purposes of the aggregate
5 assessment percentage limitation referenced in this
6 section shall be equal and limited to the higher of
7 the three-year average annual premiums for the
8 applicable account as calculated pursuant to this
9 section.

10 (3) If the maximum assessment, together with the other
11 assets of the association in any account, does not
12 provide in any one year in either account an amount
13 sufficient to carry out the responsibilities of the
14 association, the necessary additional funds shall be
15 assessed as soon thereafter as permitted by this part.

16 The board of directors may provide in the plan of operation
17 a method of allocating funds among claims, whether relating to
18 one or more impaired or insolvent insurers, when the maximum
19 assessment will be insufficient to cover anticipated claims.

20 (f) The board may, by an equitable method as established
21 in the plan of operation, refund to member insurers, in
22 proportion to the contribution of each insurer to that account,

S.B. NO. 2775

1 the amount by which the assets of the account exceed the amount
2 the board finds is necessary to carry out during the coming year
3 the obligations of the association with regard to that account,
4 including assets accruing from assignment, subrogation, net
5 realized gains, and income from investments. A reasonable
6 amount may be retained in any account to provide funds for the
7 continuing expenses of the association and for future losses and
8 claims.

9 (g) It shall be proper for any member insurer, in
10 determining its premium rates within the scope of this part, to
11 consider the amount reasonably necessary to meet its assessment
12 obligations under this part.

13 (h) The association shall issue to each insurer paying an
14 assessment under this part, other than a class A assessment, a
15 certificate of contribution, in a form prescribed by the
16 commissioner, for the amount of the assessment paid., All
17 outstanding certificates shall be of equal dignity and priority
18 without reference to amounts or dates of issue. A certificate
19 of contribution may be shown by the insurer in its financial
20 statement as an asset in such form and for such amount, if any,
21 and period of time as the commissioner may approve.

S.B. NO. 2775

1 (i) (1) A member insurer that wishes to protest all or part of
2 an assessment shall pay when due the full amount of
3 the assessment as set forth in the notice provided by
4 the association. The payment shall be available to
5 meet association obligations during the pendency of
6 the protest or any subsequent appeal. Payment shall
7 be accompanied by a statement in writing that the
8 payment is made under protest and that sets forth a
9 brief statement of the grounds for the protest.

10 (2) Within sixty days following the payment of an
11 assessment under protest by a member insurer, the
12 association shall notify the member insurer in writing
13 of its determination with respect to the protest,
14 unless the association notifies the member insurer
15 that additional time is required to resolve the issues
16 raised by the protest.

17 (3) Within thirty days after a final decision has been
18 made, the association shall notify the protesting
19 member insurer in writing of the final
20 decision. Within sixty days of receipt of notice of
21 the final decision, the protesting member insurer may
22 appeal the final decision to the commissioner.

S.B. NO. 2775

(4) In the alternative to rendering a final decision with respect to a protest based on a question regarding the assessment base, the association may refer protests to the commissioner for a final decision with or without a recommendation from the association.

(5) If the protest or appeal on the assessment is upheld, the amount paid in error or excess shall be returned to the member company. Interest on a refund due a protesting member shall be paid at the rate actually earned by the association.

(j) The association may request information of member insurers to aid in the exercise of its powers under this section and member insurers shall promptly comply with any request.

§431:16-K Plan of operation.

(a) (1) The association shall submit to the commissioner a plan of operation and any amendments thereto necessary or suitable to assure the fair, reasonable, and equitable administration of the association. The plan of operation and any amendments thereto shall become effective upon the commissioner's written approval or if the commissioner has not disapproved it within thirty days.

S.B. NO. 2775

1 (2) If the association fails to submit a suitable plan of
2 operation within one hundred twenty days following
3 January 1, 2019, or if at any time thereafter the
4 association fails to submit suitable amendments to the
5 plan, the commissioner shall, after notice and
6 hearing, adopt and promulgate such reasonable rules as
7 are necessary or advisable to effectuate the
8 provisions of this part. Such rules shall continue in
9 force until modified by the commissioner or superseded
10 by a plan submitted by the association and approved by
11 the commissioner.

12 (b) All member insurers shall comply with the plan of
13 operation.

14 (c) The plan of operation shall, in addition to
15 requirements enumerated elsewhere in this part:

16 (1) Establish procedures for handling the assets of the
17 association;

18 (2) Establish the amount and method of reimbursing members
19 of the board of directors under section 431:16-H(c);

20 (3) Establish regular places and times for meetings,
21 including telephone conference calls of the board of
22 directors;

S.B. NO. 2775

- 1 (4) Establish procedures for records to be kept of all
2 financial transactions of the association, its agents,
3 and the board of directors;
- 4 (5) Establish the procedures whereby selections for the
5 board of directors will be made and submitted to the
6 commissioner;
- 7 (6) Establish any additional procedures for assessments
8 under section 431:16-J;
- 9 (7) Contain additional provisions necessary or proper for
10 the execution of the powers and duties of the
11 association;
- 12 (8) Establish procedures to remove a director for cause,
13 including the case in which a director is affiliated
14 with a member insurer that becomes an impaired or
15 insolvent insurer; and
- 16 (9) Require the board of directors to establish a policy
17 and procedure for addressing conflicts of interests.
- 18 (d) The plan of operation may provide that any or all
19 powers and duties of the association, except those under
20 sections 431:16-208(k)(3) and 431:16-J, are delegated to a
21 corporation, association, or other organization which performs
22 or will perform functions similar to those of this association,

S.B. NO. 2775

1 or its equivalent, in two or more states. The corporation,
2 association, or organization shall be reimbursed for any
3 payments made on behalf of the association and shall be paid for
4 its performance of any function of the association. A
5 delegation under this subsection shall take effect only with the
6 approval of both the board of directors and the commissioner,
7 and may be made only to a corporation, association, or
8 organization which extends protection not substantially less
9 favorable and effective than that provided by this part.

10 **§431:16-L Duties and powers of the commissioner.** (a) In
11 addition to the duties and powers enumerated elsewhere in this
12 part, the commissioner shall:

- 13 (1) Upon request of the board of directors, provide the
14 association with a statement of the premiums in this
15 and any other appropriate states for each member
16 insurer;
- 17 (2) When an impairment is declared and the amount of the
18 impairment is determined, serve a demand upon the
19 impaired insurer to make good the impairment within a
20 reasonable time. Notice to the impaired insurer shall
21 constitute notice to its shareholders, if any. The
22 failure of the insurer to promptly comply with a

S.B. NO. 2775

1 demand shall not excuse the association from the
2 performance of its powers and duties under this part;

3 (3) In any liquidation or rehabilitation proceeding
4 involving a domestic insurer, be appointed as the
5 liquidator or rehabilitator.

6 (b) The commissioner may suspend or revoke, after notice
7 and hearing, the certificate of authority to transact insurance
8 in this State of any member insurer which fails to pay an
9 assessment when due or fails to comply with the plan of
10 operation. As an alternative, the commissioner may levy a
11 forfeiture on any member insurer which fails to pay an
12 assessment when due. Such forfeiture shall not exceed five per
13 cent of the unpaid assessment per month, but no forfeiture shall
14 be less than \$100 per month.

15 (c) Any action of the board of directors or the
16 association may be appealed to the commissioner by any member
17 insurer if such appeal is taken within sixty days of the final
18 action being appealed. If a member insurer is appealing an
19 assessment, the amount assessed shall be paid to the association
20 and available to meet association obligations during the
21 pendency of an appeal. If the appeal on the assessment is
22 upheld, the amount paid in error or excess shall be returned to

S.B. NO. 2775

1 the member insurer. Any final action or order of the
2 commissioner shall be subject to judicial review in the circuit
3 court of the first judicial circuit.

4 (d) The liquidator, rehabilitator, or conservator of any
5 impaired insurer may notify all interested persons of the effect
6 of this part.

7 **§431:16-M Prevention of insolvencies.** (a) To aid in the
8 detection and prevention of insurer insolvencies or impairments,
9 it shall be the duty of the commissioner:

10 (1) To notify the commissioners of all the other states,
11 territories of the United States, and the District of
12 Columbia when the commissioner takes any of the
13 following actions against a member insurer:

14 (A) Revocation of license;

15 (B) Suspension of license; or

16 (C) Makes any formal order that the company restrict
17 its premium writing, obtain additional
18 contributions to surplus, withdraw from the
19 State, reinsure all or any part of its business,
20 or increase capital, surplus, or any other
21 account for the security of policyholders or
22 creditors.

S.B. NO. 2775

1 The notice shall be mailed to all commissioners within
2 thirty days following the action taken or the date on
3 which the action occurs;

4 (2) To report to the board of directors when the
5 commissioner has taken any of the actions set forth in
6 paragraph (1) or has received a report from any other
7 commissioner indicating that any such action has been
8 taken in another state. The report to the board of
9 directors shall contain all significant details of the
10 action taken or the report received from another
11 commissioner;

12 (3) To report to the board of directors when the
13 commissioner has reasonable cause to believe from any
14 examination, whether completed or in process, of any
15 member company that the company may be an impaired or
16 insolvent insurer; and

17 (4) To furnish to the board of directors the National
18 Association of Insurance Commissioners Insurance
19 Regulatory Information System ratios and listings of
20 companies not included in the ratios developed by the
21 National Association of Insurance Commissioners, and
22 the board may use the information contained therein in

S.B. NO. 2775

1 carrying out its duties and responsibilities under
2 this section. The report and the information
3 contained therein shall be kept confidential by the
4 board of directors until such time as made public by
5 the commissioner or other lawful authority.

6 (b) The commissioner may seek the advice and
7 recommendations of the board of directors concerning any matter
8 affecting the commissioner's duties and responsibilities
9 regarding the financial condition of member companies and
10 companies seeking admission to transact insurance business in
11 this State.

12 (c) The board of directors may, upon majority vote, make
13 reports and recommendations to the commissioner upon any matter
14 germane to the solvency, liquidation, rehabilitation, or
15 conservation of any member insurer or germane to the solvency of
16 any company seeking to do an insurance business in this State.
17 The reports and recommendations shall not be considered public
18 documents.

19 (d) It shall be the duty of the board of directors, upon
20 majority vote, to notify the commissioner of any information
21 indicating any member insurer may be an impaired insurer or
22 insolvent insurer.

S.B. NO. 2775

1 (e) The board of directors may, upon majority vote,
2 request that the commissioner order an examination of any member
3 insurer which the board in good faith believes may be an
4 impaired or insolvent insurer. Within thirty days of the
5 receipt of such request, the commissioner shall begin the
6 examination. The examination may be conducted as a National
7 Association of Insurance Commissioners' examination or may be
8 conducted by such persons as the commissioner designates. The
9 cost of the examination shall be paid by the association and the
10 examination report shall be treated the same as other
11 examination reports. In no event shall the examination report
12 be released to the board of directors prior to its release to
13 the public, but this shall not excuse the commissioner from
14 complying with subsection (a). The commissioner shall notify
15 the board of directors when the examination is completed. The
16 request for an examination shall be kept on file by the
17 commissioner, but it shall not be open to public inspection
18 prior to the release of the examination report to the public.

19 (f) The board of directors may, upon majority vote, make
20 recommendations to the commissioner for the detection and
21 prevention of insurer insolvencies.

S.B. NO. 2115

1 (g) The board of directors shall, at the conclusion of any
2 insurer insolvency in which the association was obligated to pay
3 covered claims, prepare a report to the commissioner containing
4 such information as it may have in its possession bearing on the
5 history and causes of such insolvency. The board shall
6 cooperate with the board of directors of guaranty associations
7 in other states in preparing a report on the history and causes
8 for insolvency of a particular insurer and may adopt by
9 reference any report prepared by such other associations.

10 **§431:16-N Recoupment of assessment.** (a) Each member
11 insurer shall annually recoup the assessments paid in the
12 preceding years by the insurer under this part. The recoupment
13 shall be recovered by means of a surcharge on premiums charged
14 for accident and health or sickness policies. Prior to
15 recoupment, each member insurer shall submit its plan for
16 recoupment to the commissioner for approval. The surcharge
17 shall be at a uniform percentage rate reasonably calculated to
18 recoup the assessment paid by the member insurer. Any excess
19 recovery by a member insurer shall be credited pro rata to that
20 member insurer's policyholders' premiums in the succeeding year
21 unless there has been a subsequent assessment, in which case the
22 excess will be used to pay the amount of the subsequent

S.B. NO. 2775

1 assessment. If a member insurer fails to recoup the entire
2 amount of its assessment in the first year under the procedure
3 provided in this section, it may repeat the procedure in
4 succeeding years until the full assessment is recouped.

5 (b) Each insurer shall provide to the Hawaii health
6 insurance guaranty association an accounting of its
7 recoupments. The Hawaii health insurance guaranty association
8 shall compile the insurers' accountings and submit it as part of
9 its annual report to the commissioner.

10 (c) The amount of and reason for any surcharge shall be
11 separately stated on any billing sent an insured. The surcharge
12 shall not be considered premiums for any other purpose,
13 including the computation of gross premium tax or the
14 determination of producer commissions.

15 **§431:16-O Miscellaneous provisions.** (a) Nothing in this
16 part shall be construed to reduce the liability for unpaid
17 assessments of the insureds of an impaired or insolvent insurer
18 operating under a plan with assessment liability.

19 (b) Records shall be kept of all meetings of the board of
20 directors to discuss the activities of the association in
21 carrying out its powers and duties under section 431:16-I. The
22 records of the association with respect to an impaired or

S.B. NO. 2775

1 insolvent insurer shall not be disclosed prior to the
2 termination of a liquidation, rehabilitation, or conservation
3 proceeding involving the impaired or insolvent insurer, except:

4 (1) Upon the termination of the impairment or insolvency
5 of the insurer; or

6 (2) Upon the order of a court of competent jurisdiction.

7 Nothing in this subsection shall limit the duty of the
8 association to render a report of its activities under section
9 431:2-304(b).

10 (c) For the purpose of carrying out its obligations under
11 this part, the association shall be deemed to be a creditor of
12 the impaired or insolvent insurer to the extent of assets
13 attributable to covered policies reduced by any amounts to which
14 the association is entitled as subrogee pursuant to section
15 431:16-I(j). Assets of the impaired or insolvent insurer
16 attributable to covered policies shall be used to continue all
17 covered policies and pay all contractual obligations of the
18 impaired or insolvent insurer as required by this part. Assets
19 attributable to covered policies, as used in this subsection,
20 are that proportion of the assets which the reserves that should
21 have been established for such policies bear to the reserves

S.B. NO. 2775

1 that should have been established for all policies of insurance
2 written by the impaired or insolvent insurer.

3 (d) As a creditor of the impaired or insolvent insurer as
4 established in subsection (c) and consistent with section
5 431:15-324, the association and other similar associations shall
6 be entitled to receive a disbursement of assets out of the
7 marshaled assets, from time to time as the assets become
8 available to reimburse it, as a credit against contractual
9 obligations under this part. If the liquidator has not, within
10 one hundred twenty days of a final determination of insolvency
11 of an insurer by the receivership court, made an application to
12 the court for the approval of a proposal to disburse assets out
13 of marshaled assets to guaranty associations having obligations
14 because of the insolvency, the association shall be entitled to
15 make application to the receivership court for approval of its
16 own proposal to disburse these assets.

17 (e)(1) Prior to the termination of any liquidation,
18 rehabilitation, or conservation proceeding, the court
19 may take into consideration the contributions of the
20 respective parties, including the association, the
21 shareholders, and policy owners of the insolvent
22 insurer, and any other party with a bona fide

S.B. NO. 2775

1 interest, in making an equitable distribution of the
2 ownership rights of such insolvent insurer. In such a
3 determination consideration shall be given to the
4 welfare of the policyholders of the continuing or
5 successor insurer.

6 (2) No distribution to stockholders, if any, of an
7 impaired or insolvent insurer shall be made until and
8 unless the total amount of valid claims of the
9 association with interest thereon for funds expended
10 in carrying out its powers and duties under section
11 431:16-I with respect to such insurer have been fully
12 recovered by the association.

13 (f) (1) If an order for liquidation or rehabilitation of an
14 insurer domiciled in this State has been entered, the
15 receiver appointed under the order shall have a right
16 to recover on behalf of the insurer, from any
17 affiliate that controlled it, the amount of
18 distributions, other than stock dividends paid by the
19 insurer on its capital stock, made at any time during
20 the five years preceding the petition for liquidation
21 or rehabilitation subject to the limitations of
22 paragraphs (2) to (4).

S.B. NO. 2775

1 (2) No distribution shall be recoverable if the insurer
2 shows that the distribution was lawful and reasonable
3 when paid and that the insurer did not know, and could
4 not reasonably have known, that the distribution might
5 adversely affect the ability of the insurer to fulfill
6 its contractual obligations.

7 (3) Any person who was an affiliate that controlled the
8 insurer at the time the distributions were paid shall
9 be liable up to the amount of distributions the person
10 received. Any person who was an affiliate that
11 controlled the insurer at the time the distributions
12 were declared shall be liable up to the amount of
13 distributions the person would have received if they
14 had been paid immediately. If two or more persons are
15 liable with respect to the same distributions, they
16 shall be jointly and severally liable.

17 (4) The maximum amount recoverable under this subsection
18 shall be the amount needed in excess of all other
19 available assets of the insolvent insurer to pay the
20 contractual obligations of the insolvent insurer.

21 (5) If any person liable under paragraph (3) is insolvent,
22 all its affiliates that controlled it at the time the

S.B. NO. 2775

1 distribution was paid, shall be jointly and severally
2 liable for any resulting deficiency in the amount
3 recovered from the insolvent affiliate.

4 **§431:16-P Tax exemptions.** The association shall be exempt
5 from payment of all fees and all taxes levied by this State or
6 any of its subdivisions, except taxes levied on real property.

7 **§431:16-Q Immunity.** There shall be no liability on the
8 part of, and no cause of action of any nature shall arise
9 against, any member insurer or its agents or employees, the
10 association or its agents or employees, members of the board of
11 directors, or the commissioner or the commissioner's
12 representatives, for any action or omission by them in the
13 performance of their powers and duties under this part. Such
14 immunity shall extend to the participation in any organization
15 of one or more other state associations of similar purposes and
16 to any such organization and its agents or employees.

17 **§431:16-R Stay of proceedings; reopening default**
18 **judgments.** All proceedings in which the insolvent insurer is a
19 party in any court in this State shall be stayed one-hundred
20 eighty days from the date an order of liquidation,
21 rehabilitation, or conservation is final to permit proper legal
22 action by the association on any matters germane to its powers

S.B. NO. 2775

1 or duties. As to judgment under any decision, order, verdict,
2 or finding based on default, the association may apply to have
3 such judgment set aside by the same court that issued the
4 judgment and shall be permitted to defend against the suit on
5 the merits.

6 **§431:16-S Prohibited advertisement of association act in**
7 **insurance sales; notice to policyholders.** (a) No person,
8 including an insurer and a producer or an affiliate of an
9 insurer, shall make, publish, disseminate, circulate, or place
10 before the public, or cause directly or indirectly, to be made,
11 published, disseminated, circulated, or placed before the
12 public, in any newspaper, magazine, or other publication, or in
13 the form of a notice, circular, pamphlet, letter, or poster, or
14 over any radio station or television station, or in any other
15 way, any advertisement, announcement, or statement, written or
16 oral, which uses the existence of the Hawaii health insurance
17 guaranty association of this State for the purpose of sales,
18 solicitation, or inducement to purchase any form of insurance
19 covered by the Hawaii Health Insurance Guaranty Association
20 Act. This section shall not apply to the Hawaii health
21 insurance guaranty association or any other entity that does not
22 sell or solicit insurance.

S.B. NO. 2775

1 (b) Within one hundred eighty days of January 1, 2019, the
2 association shall prepare a summary document describing the
3 general purposes and current limitations of this part and
4 complying with subsection (c). This document shall be submitted
5 to the commissioner for approval. Sixty days after receiving
6 approval, no insurer may deliver a policy or contract described
7 in section 431:16-D to a policyholder or contract holder unless
8 the document is delivered to the policyholder or contract holder
9 at the time of delivery of the policy or contract, except if
10 subsection (d) applies. The document shall also be available
11 upon request by a policyholder. The distribution, delivery,
12 contents, or interpretation of this document shall not mean that
13 either the policy or the contract or the holder thereof would be
14 covered in the event of the impairment or insolvency of a member
15 insurer. The description document shall be revised by the
16 association as amendments to this part may require. Failure to
17 receive this document does not give the policyholder, contract
18 holder, certificate holder, or insured any greater rights than
19 those stated in this part.

20 (c) The document prepared under subsection (b) shall

JUSTIFICATION SHEET

DEPARTMENT: Commerce and Consumer Affairs

TITLE: A BILL FOR AN ACT RELATING TO THE HAWAII HEALTH INSURANCE GUARANTY ASSOCIATION.

PURPOSE: This bill creates and establishes an insurance guaranty fund for Hawaii domestic medical service organizations and health maintenance organizations.

MEANS: Add a new part to chapter 431, article 16, Hawaii Revised Statutes.

JUSTIFICATION: The vast majority of Hawaii's citizens have health care insurance provided by either a medical service organization (i.e., mutual benefit society) or a health maintenance organization. Should one of these domestic health insurers face financial insolvency, policyholders and health care providers will not have the benefit of a guaranty association to assist in the payment of covered claims. Ensuring that covered claims will be paid minimizes the potential of financial loss to policyholders and health care providers and encourages continued health care treatment under policies affected by an insurer's financial insolvency.

Impact on the public: Policyholders and health care providers will benefit from the creation of a health insurance guaranty fund for domestic medical service organizations and health maintenance organizations, as coverages under existing policies of a financially insolvent insurer will continue until new policies are procured.

Impact on the department and other agencies: The Insurance Commissioner's existing duties will be expanded to provide administrative support to the newly created health insurance guaranty association.
