Report Title:

Hawaii State Public Library System

Description:

Makes miscellaneous technical amendments to facilitate library operations.

The summary description of legislation appearing on this page is for informational purposes only and is not legislation or evidence of legislative intent.

JUSTIFICATION SHEET

DEPARTMENT: Education.

TITLE: A BILL FOR AN ACT RELATING TO PUBLIC LIBRARIES.

PURPOSE: Technical and housekeeping amendment.

MEANS: Amend sections 312-2, 312-3.5, 312-2 (a) and (b), and 312-22(b) and (c), Hawaii Revised Statutes (HRS).

JUSTIFICATION: Technical and housekeeping amendments:

Section 1: Clarifies that funds donated to the Hawaii State Public Library System (HSPLS) should be deposited into the library special fund, rather than an unspecified special fund.

Section 2: The HSPLS collection now includes other types of library materials; the amendment will ensure that all library materials borrowed by the public may be subject to penalty if they are not returned.

Section 3: Technical corrections. Section 312-4, HRS, was repealed in 1993.

Section 4: Delete the requirement that the State Librarian consult with the library advisory committee prior to allocating funds to each community/school and public library to operate its enhanced services program. The Board of Education has not established the library advisory committee since the 1990's; the proposed amendment reflects current practice. Amendment allows for production of enhanced services program special fund expenditure information upon request, rather than mandating posting of the information; the proposed amendment reflects current practice.
