A BILL FOR AN ACT

RELATING TO TRANSIENT ACCOMMODATIONS TAX.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 PART I

2 SECTION 1. The legislature finds that the state-county
3 functions working group was convened pursuant to Act 174,
4 Session Laws of Hawaii 2014, to evaluate the division of duties
5 and responsibilities between the State and counties relating to
6 the provision of public services and to recommend an appropriate
7 allocation of the transient accommodations tax revenues between
8 the State and counties that properly reflects the division of
9 duties and responsibilities relating to the provision of public
10 services.

11 Although the transient accommodations tax has evolved to
12 meet the needs and purposes of the times, its structure and
13 frequent amendment, combined with the cyclical nature of the
14 visitor industry and the tax revenues it generates, has resulted
15 in ongoing discussions among the various stakeholders, including
16 the State, the counties, the visitor industry, the Hawaii

1 tourism authority, and other recipients or potential recipients
2 of transient accommodations tax revenues.

3 The state-county functions working group, composed of
4 state, county, and visitor industry representatives and other
5 knowledgeable and concerned citizens, and which has been aided
6 by experts, considered the legislature's assignment for over a
7 year and delivered to the legislature its final unanimous
8 report, inclusive of analysis, findings, conclusions, and
9 recommendations.

10 In particular, the state-county functions working group
11 found and concluded that:

12 (1) The application of the transient accommodations tax
13 and the allocation of its revenues should be
14 simplified and stabilized so as to be clear,
15 consistent, and predictable over time, in view of the
16 need to invest in tourism as a premier industry;

17 (2) The tourism special fund should be provided a priority
18 distribution of the transient accommodations tax
19 revenues at an assured minimum level, adjusted for
20 inflation, and regardless of overall transient
21 accommodations tax collections;

- 1 (3) After the priority distribution of the transient
2 accommodations tax revenues to the tourism special
3 fund, existing allocations to the Turtle Bay
4 conservation easement special fund, convention center
5 enterprise special fund, and special land and
6 development fund should be maintained at their current
7 levels, with any additional state funding of these
8 efforts made out of state general funds by separate
9 appropriation;
- 10 (4) Based on a review of state and county functions,
11 including tourism expenditures, an appropriate
12 allocation of the remaining transient accommodations
13 tax revenues is fifty-five per cent to the state
14 general fund and forty-five per cent to the counties;
15 and
- 16 (5) There should be no fixed dollar amounts, caps, floors,
17 or similar restrictions on allocations to the State
18 and counties of the remaining revenues; instead, both
19 the state and the county allocations should increase
20 or decrease proportionately with increasing or
21 decreasing transient accommodations tax revenues.
