JUSTIFICATION SHEET

DEPARTMENT: Accounting and General Services

TITLE: A BILL FOR AN ACT RELATING TO LEAVES OF ABSENCE.

PURPOSE: The purpose of this bill is to allow the Employee's Designation of Beneficiary form to be kept in the department where the employee is employed and also to permit the designation to be filed and maintained electronically.

MEANS: Amend section 78-23(c), Hawaii Revised Statutes.

JUSTIFICATION: The current statute requires the form to be written and verified (i.e. notarized) and filed with the comptroller or other disbursing officer who issues checks to pay the employee for work performed. This requirement has resulted in thousands of forms being maintained in a central location at the Department of Accounting and General Services. Maintaining the forms, which includes alphabetically filing forms from new employees, filing updated forms from current employees, and purging forms of employees no longer employed, is manual and extremely labor intensive. Allowing the forms to be filed in the department where the employee is employed will provide a more efficient process. For example, in the current process, a listing of terminated employees would be produced and staff utilizing the listing would manually locate the form to be purged. By having the form kept in the employing department, the form as well as other payroll and personnel forms would routinely be discarded when these forms are no longer required.

The State is in the process of implementing a new payroll system which may be able to maintain beneficiary information entered by the employee. Section 78-23(c) is being amended to eliminate the requirement that the Employee's Designation of Beneficiary Form be written and verified (i.e. notarized) so that the information can be entered by the employee into the new system and maintained in an electronic format.

Impact on the public: None.

Impact on the department and other agencies:
Minimal if the form is kept in the employee's personnel file and none if the beneficiary information can be maintained by the new payroll system.

GENERAL FUND: None.

PPBS PROGRAM
DESIGNATION: AGS 102.

OTHER AFFECTED
AGENCIES: All state departments and agencies.

EFFECTIVE DATE: July 1, 2017.
