SENATE CONCURRENT RESOLUTION

REQUESTING THAT THE DEPARTMENT OF HEALTH CREATE A WORKING GROUP
TO STUDY UNLICENSED CARE FACILITY ISSUES.

1 WHEREAS, Hawaii is one of the most expensive states for
2 elder care; and
3

4 WHEREAS, due to the high cost of elder care, Hawaii
5 residents often face difficult economic decisions when choosing
6 care for elderly or vulnerable adults; and
7

8 WHEREAS, it is important to protect the health, safety,
9 civil rights, and rights of choice for elderly or vulnerable
10 adults who are receiving home health care or home care in care
11 facilities or residences; and
12

13 WHEREAS, unlicensed care facilities have the potential to
14 be a health risk to elderly or vulnerable adults, and the issue
15 requires further investigation and study in order to protect the
16 consumer interest; now, therefore,
17

18 BE IT RESOLVED by the Senate of the Twenty-ninth
19 Legislature of the State of Hawaii, Regular Session of 2018, the
20 House of Representatives concurring, that the Director of Health
21 is requested to convene a working group to study issues related
22 to unlicensed care facilities; and
23

24 BE IT FURTHER RESOLVED that the Director of Health or the
25 Director's designee is requested to convene the first meeting of
26 the working group no later than ninety days prior to the
27 convening of the Regular Session of 2019, and the working group
28 is requested to elect a chairperson from among its members; and
29

30 BE IT FURTHER RESOLVED that the working group comprise the
31 following members:

- (1) The Director of Health or the Director's designee;
- (2) A representative of the Department of Commerce and Consumer Affairs;
- (3) A representative of the American Association of Retired Persons;
- (4) A representative of an advocacy group for the elderly that is not the American Association of Retired Persons;
- (5) A representative of an advocacy group for unlicensed care facilities; and
- (6) A representative of an advocacy group for licensed care facilities; and

BE IT FURTHER RESOLVED that the working group is requested to:

- (1) Study the issue of ensuring the safety of elderly or vulnerable adults in care facilities;
- (2) Study the issue of how long it takes for the Department of Health to process care home licensure applications;
- (3) Define what a "care home" is and then differentiate those facilities from all other care facilities;
- (4) Study issues relating to investigating, including gaining entry into, a care home when the Department of Health receives a complaint about the care home;
- (5) Study the issue of ensuring the safety of elderly or vulnerable adults during a transfer from one care facility to another care facility;
- (6) Discuss the establishment of a "quality assurance committee" for care facilities to monitor and evaluate

elderly or vulnerable adult care and to identify,
study, and correct deficiencies in elderly or
vulnerable adult care;

(7) Define what constitutes an "environment of care" and
"living environment"; and

(8) Study how to differentiate levels of care; and

BE IT FURTHER RESOLVED that the Department of Health shall
provide administrative support for the working group; and

BE IT FURTHER RESOLVED that the chairperson of the working
group shall provide written notice of the convening of the
working group to the Chairpersons of the House and Senate
Standing Committees with primary jurisdiction over consumer
protection issues; and

BE IT FURTHER RESOLVED that no later than twenty days prior
to the convening of the Regular Session of 2020, the working
group shall submit a report that includes its findings and
recommendations, including any proposed legislation, to the
Legislature; and

BE IT FURTHER RESOLVED that certified copies of this
Concurrent Resolution be transmitted to the Director of Health,
the Director of Commerce and Consumer Affairs, and the American
Association of Retired Persons.
