

JAN 19 2018

SENATE CONCURRENT RESOLUTION

REQUESTING THE FORMATION OF A TASK FORCE TO STUDY THE ISSUE OF
RESIDENTIAL AUTOMATIC FIRE SPRINKLER SYSTEM COSTS FOR NEW
ONE- AND TWO-FAMILY DWELLINGS.

1 WHEREAS, fire departments nation-wide responded to more
2 than fifty thousand home structure fires in 2015, resulting in
3 more than two thousand five hundred fatalities, eleven thousand
4 injuries, and over \$7,000,000,000 in direct damages; and
5

6 WHEREAS, eighty-five per cent of all United States fire
7 deaths occur in the home with those at greatest risk being
8 adults over sixty-five years of age, children under five years
9 of age, and people with disabilities; and
10

11 WHEREAS, in the City and County of Honolulu alone, there
12 were one thousand sixty-eight structure fires from 2006 to 2015
13 resulting in twenty-seven civilian deaths, one hundred fifty-two
14 civilian injuries, and over \$100,000,000 in direct damages; and
15

16 WHEREAS, automatic fire sprinklers have been in service for
17 over one hundred fifty years with great success in saving lives,
18 protecting property, and preserving natural resources; and
19

20 WHEREAS, automatic fire sprinklers operate effectively over
21 eighty-five per cent of the time, thereby reducing civilian
22 deaths by eighty-three per cent, civilian fire injuries by
23 fifty-three per cent, firefighter injuries by sixty-five per
24 cent, and property damage by sixty-nine per cent; and
25

26 WHEREAS, greenhouse gas emissions were reduced by ninety-
27 seven per cent, water usage was reduced between fifty to ninety
28 per cent, and waste water pollutants were reduced; and
29

WHEREAS, every edition from 2009 to 2015 of the International Building Code and National Fire Protection Association 5000: Building Construction and Safety Code mandates fire sprinklers in new one- and two- family dwelling construction; and

WHEREAS, the costs may vary from county to county; now, therefore,

BE IT RESOLVED by the Senate of the Twenty-ninth Legislature of the State of Hawaii, Regular Session of 2018, the House of Representatives concurring, that various stakeholders are requested to convene a task force to study the costs of installing automatic fire sprinkler systems in new one- and two- family dwellings; and

BE IT FURTHER RESOLVED that the task force shall comprise:

- (1) The Chairperson of the Senate Committee on Public Safety, Intergovernmental, and Military Affairs, or the Chairperson's designee;
- (2) The Chairperson of the House Committee on Public Safety, or the Chairperson's designee;
- (3) A representative from the Hawaii Insurance Division of the Department of Commerce and Consumer Affairs;
- (4) The Director of each county building department in the State, or each Director's designee;
- (5) The Director of each county water department in the State, or each Director's designee;
- (6) A representative from the State Fire Council, or the Chair's designee;
- (7) A representative from the Building Industry Association of Hawaii;
- (8) A representative from the General Contractors Association of Hawaii;

(9) A representative from Honolulu Chapter of the American Institute of Architects;

(10) A representative from the Plumbing and Mechanical Contractors Association of Hawaii; and

(11) A representative from the Hawaii Chapter of the Society of Fire Protection Engineers; and

BE IT FURTHER RESOLVED that the task force select a chairperson from among its members; and

BE IT FURTHER RESOLVED that the task force is requested to conduct a comparative analysis of the varying county costs for materials, labor, permits, and other related fees to install automatic fire sprinklers in new one- and two-family dwellings; and

BE IT FURTHER RESOLVED the task force is requested to provide a report of its findings and recommendations, including any proposed legislation, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2019; and

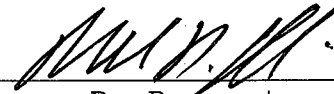

BE IT FURTHER RESOLVED that certified copies of this Concurrent Resolution be transmitted to the Director of Commerce and Consumer Affairs, Chair of the State Fire Council, Director of the Department of Planning and Permitting for the City and County of Honolulu, Director of the Department of Public Works for the County of Maui, Director of the Department of Public Works for the County of Hawaii, Director of the Department of Public Works for the County of Kauai, Manager-Chief Engineer of the Honolulu Board of Water Supply, Director of the Department of Water Supply for the County of Maui, Manager-Chief Engineer of the Department of Water Supply for the County of Hawaii, Manager-Chief Engineer of the Department of Water for the County of Kauai, President of the Building Industry Association of Hawaii, President of the General Contractors Association of Hawaii, President of the American Institute of Architects Honolulu Chapter, Executive Director of the Plumbing and
