
SENATE CONCURRENT RESOLUTION

RECOGNIZING THE ROLE OF COMMUNITY HEALTH WORKERS AND REQUESTING
OVERSIGHT AND CERTIFICATION OF COMMUNITY HEALTH WORKERS.

1 WHEREAS, community health workers are a key part of the
2 State's healthcare process; and
3

4 WHEREAS, community health workers are frontline health
5 workers who have a deep understanding of the communities they
6 serve; and
7

8 WHEREAS, community health workers liaise among other health
9 care providers, social service providers, and members of the
10 community to facilitate access to care and services; and
11

12 WHEREAS, community health workers work to educate patients
13 and guide them through the health care system; and
14

15 WHEREAS, community health workers have provided treatment
16 in major health initiatives, including migrant health programs,
17 AIDS outreach, transitions associated with welfare-to-work
18 programs, and primary care medical homes; and
19

20 WHEREAS, community health workers also provide advocacy,
21 outreach, counseling, and culturally appropriate education; and
22

23 WHEREAS, community health workers provide valuable
24 resources, especially to rural, low-income, or isolated
25 communities; and
26

27 WHEREAS, community health workers may be the main point of
28 contact between medical professionals, patients, and other
29 services; and
30

31 WHEREAS, community health worker is a rapidly growing
32 profession, projected by the Bureau of Labor Statistics to
33 increase by sixteen percent over the next ten years; and

S.C.R. NO. 8

1
2 WHEREAS, community health workers are not currently subject
3 to training and certification requirements; now, therefore,
4

5 BE IT RESOLVED by the Senate of the Twenty-ninth
6 Legislature of the State of Hawaii, Regular Session of 2018, the
7 House of Representatives concurring, that the Department of
8 Health is requested to establish an oversight board for
9 community health workers within one year; and
10

11 BE IT FURTHER RESOLVED that the oversight board is
12 requested to:
13

14 (1) Be composed of at least fifty percent community health
15 workers; and
16

17 (2) Include a certification board with the power to
18 approve curricula and training programs for community
19 health workers; and
20

21 BE IT FURTHER RESOLVED that the certification board is
22 requested to:
23

24 (1) Provide for two tiers of community health worker, with
25 one trainee tier requiring up to eighty hours of
26 training, and a second full certification tier
27 requiring one hundred sixty hours of combined
28 classroom and practical training; and
29

30 (2) Offer full certification to any community health
31 worker who has eighty hours or more of training, has
32 two thousand hours or more of experience as a
33 community health worker within the past four years,
34 and meets current standards of competence, who applies
35 within the first two years of the establishment of any
36 certification program; and
37

38 BE IT FURTHER RESOLVED that the Department of Health is
39 requested to perform an analysis of the value offered by
40 community health workers, the role that community health workers
41 play in the health care system, and appropriate methods of

S.C.R. NO. 8

1 reimbursement for community health workers, including direct
2 hiring and providing reimbursement through multiple avenues; and
3

4 BE IT FURTHER RESOLVED that a certified copy of this
5 Concurrent Resolution be transmitted to the Director of Health.
