See attached Statement of Public Purpose.

II. Background and Summary

This section shall clearly and concisely summarize and highlight the contents of the request in such a way as to provide the State Legislature with a broad understanding of the request. Please include the following:

1. A brief description of the applicant's background;

Innovations Public Charter School Foundation (Innovations Foundation) supports Innovations Public Charter School. The mission of Innovations Foundation is to provide facilities, raise funds for capital campaigns, and to seek contributions to preserve the endowment for Innovations Public Charter School. The Foundation also seeks to improve community relations and invites the community to be part of the campus in school community partnership activities.

2. The goals and objectives related to the request;

The goal of this request is to seek funds for the construction of a community recreational center equipped with a commercial kitchen to serve the West Hawaii community. Innovations Public Charter School is located on 9.298 beautiful ocean view acres in the heart of Kailua-Kona. The Innovations Foundation is striving to utilize the campus as not only a top performing state charter school, but also as a thriving community center. The vision is to have community recreational facilities to serve all of West Hawaii. In 2015, the Innovations Foundation installed a community soccer field, 3,000 sq. ft. pavilion and basketball court where club and community teams can play and practice sports. In 2016, over one acre of new community gardens were planted. The proposed community recreational center will provide afterschool dance, music, drama, robotics, healthy cooking and gardening classes. The recreational center will also be used by the school and garden teacher for healthy snack, lunch and afterschool meals.

3. The public purpose and need to be served;

Currently, Innovations Public Charter School serves 240 students (Kindergarten through 8th grade) in the heart of Kailua-Kona on the Big Island. Our rigorous project based curriculum, rich in the arts and technology, has created an overwhelming demand for enrollment in our school. The construction of community recreational facilities will allow us to better serve our community with weekend and afterschool programs throughout the year. The community center will be used by sports teams, community organizations and clubs. Further, dance, music, art, sewing and other personal enrichment classes will be sponsored by Innovations Foundation.

With the help of the West Hawaii community, Innovations has delivered excellence in education for the past 13 years. Innovations received Public Charter School of the Year in 2012 and most recently, in 2015, Innovations received both the Most Improved Public Charter School and the Director of the Year Award. These awards were attributed to:

- “Receiving a 20% higher performance rate for academic performance than comparable public schools in the same area as measured by the Hawaii State Assessment” – Innovations has small class size, rigorous project based learning, and tutors in every classroom which translates to better student achievement.
- “Strong willingness to partner with other schools and the surrounding community.” – Innovations has partnerships with over 50 businesses in the community. All 7th and 8th grade students participate in community mentorship and service projects. Business and community partners that mentor Innovations students on a weekly basis for two to five hours include: Safeway, KWXX 93.7, Waimea Surf Classics. World Core Surf Shop, Kona Bay Books, KB Extreme Bowling, Kona Stories, Bike Works. Hospice of Kona, Memory Lane Thrift Store, Jack’s Diving Locker, Intrigue Design Hair Salon, Paws University Dog

Training, NPS Kaloko – Honokohau, Miranda’s Pets, Hilton Dolphin Quest, See Through Window Tinting, Alii Vet, Keauhou Vet. Donkey Mill Art Center, Cory Foulk Architect, Kona Boys Kayak Rentals, Creative Day Pre-School, Adaptations Produce Distributor, Kailua Candy Company, Inter-island Solar Supply, West Hawaii Today, Moo Betta Yogurt Shop, Urs Leuenberger Woodworker, Kealaola Organic Lettuce Farmers, University of the Nations Preschool, Full Life Hawaii Disabillites, Advocats, Holualoa Ukulele Gallery, Michael Inman Photographer, Jenny Solmirin Kealakehe High School Teacher, Joe Danko Photographer, Kona Business Center, Nose for Adventure, Lindsey Kramer Marine Biologist, Robin Fisher Childcare, Tom Neer Green Building, Vanessa King Acupuncturist, Nate Fine Film Making, and Linda Walton Prosecuting Attorney.

- “Diligently identifying and obtaining funding for the school to ensure sufficient resources necessary to provide quality education” – Innovations Foundation and/or School has received grants from the following foundations and organizations to support their programs and facilities:

- Atherton Foundation
- Cooke Foundation
- Change Happens Foundation
- Kukio Foundation
- Hawaii Community Foundation
- Aid to Teachers
- Bill Healy Foundation
- Hawaii Department of Health
- USDA
- Walmart Foundation
- Target Stores
- Kokua Hawaii Foundation
- Ezra Keats Foundation
- Kohala Center
- NEA Foundation
- Hawaii Alliance for Arts Education
- Young Brothers
- Central Pacific Bank
- Lowes Stores
- Altres Staffing
- Kona Sunrise Rotary Club

4. Describe the target population to be served; and

The community recreational center will serve all of West Hawaii. The center will have the capacity and flexibility to serve all types of community groups. Community scouts, sports teams, community organizations and clubs will be invited to utilize the facilities. Additionally, numerous afterschool and weekend activities as well as healthy cooking classes and meals will be offered to Innovations’ students and families as well as open to

the community at large. Innovations is a Title I school with over 55% of its students qualifying for free and reduced lunch.

5. Describe the geographic coverage.

Innovations Foundation is located in the heart of Kailua Kona. Innovations students come from all over West Hawaii as far south as Ocean View and as far north as Waikoloa. The community facility will be open to all West Hawaii residents.

III. Service Summary and Outcomes

The Service Summary shall include a detailed discussion of the applicant's approach to the request. The applicant shall clearly and concisely specify the results, outcomes, and measures of effectiveness from this request. The applicant shall:

1. Describe the scope of work, tasks and responsibilities;

Construction of Community Recreational Center. The recreational center shall consist of the following:

- 2,400 sq. ft. Interior space including a multipurpose gathering room for community events and a commercial kitchen for school and community use.
- 1,000 sq. ft. lanai for additional gathering space.
- The community recreational center will be in close proximity to the existing community soccer field, basketball court, outdoor pavilion as well as various school gardens.

Please see master plan and building renderings attached.

2. Provide a projected annual timeline for accomplishing the results or outcomes of the service;

The timing of project is as follows:

- March 2015 Isemoto contract graded pad for community recreational center and stubbed out electrical and water to pad for the community recreational center - Completed
- January 2016 Hale Hawaii Design did preliminary design phase as well as rendering for the community recreational center – Completed
- August 2019 (Upon Funding) Preliminary Architectural Plan Submitted to County of Hawaii

- August 2019 – November 2019 Design Team Construction Admin/ Bidding.
- November 2019 Anticipated Date of Building Permits
- January 2020 - June 30 2020 Construction of Facilities
- July 2020 - Occupancy Certificates

3. Describe its quality assurance and evaluation plans for the request. Specify how the applicant plans to monitor, evaluate, and improve their results; and

Innovations Public Charter School Foundation secured in-kind, community donations and commercial financing to purchase 9.298 beautiful fee simple ocean view acres in the heart of Kailua-Kona. With the help of community members and foundations, Innovations has constructed over 30,000 square feet of state of the art classroom and administrative space for its faculty and students. All facilities are fully permitted and ADA compliant.

The community recreational facilities are needed for the families in the community to have adequate facilities to engage their minds and bodies to stay fit and healthy. School / community gardens and fitness / play areas in the community are necessary to ensure a healthy future for Kona. These recreational facilities will serve hundreds of children and adults. The community facility will be the final piece tying in the gardens, soccer and basketball courts and outdoor pavilion to have a great center for gathering the community.

For the requested community recreational facility, Innovations Foundation board will take the same great care in building state of the art facilities at the least cost to the state and community. The board has secured Ed Rapoza to work as project manager. The actual construction will be a bid process compliant with the Foundation's procurement policy. All board members are non-compensated individuals that have no financial interest or conflict of interest in the project.

The Innovations Foundation Board and Leadership Team have established a Construction Committee lead by Lee Nelson, Business Manager, Ed Rapoza, Board Member, William Wong, CPA, Board Member and Jennifer Hiro, School Director. The Building and Construction Committee will act as the agent to 1) manage contracts, 2) obtain permits, 3) review progress of construction, 4) review the quality of construction, including arranging interim inspections, 5) process clarification requests and produce submittals, 6) approve contractor payment requests, 7) assure that all processes follow applicable laws and policies related to procurement of construction.

Innovations Foundation has an independent financial audit performed annually.

4. List the measure(s) of effectiveness that will be reported to the State agency through which grant funds are appropriated (the expending agency). The measure(s) will provide a standard and objective way for the State to assess the

program's achievement or accomplishment. Please note that if the level of appropriation differs from the amount included in this application that the measure(s) of effectiveness will need to be updated and transmitted to the expending agency.

Innovations Foundation mission is to provide the best, state of the art facilities, for the Innovations Public Charter School students and the West Hawaii Community to utilize in their journey of becoming lifelong learners and community contributors. Innovations goal is to provide these facilities at the least cost to the state and community.

The foundations goal is to encompass green building practices whenever possible. Landscaping will focus on drought tolerant, Hawaiian indigenous plants. Rain barrels, composting and recycling areas will be included. The recreational center will be positioned to take advantage of the wonderful island breezes so that no air conditioning will be needed.

The Construction Committee lead by Lee Nelson, Business Manager, Ed Rapoza, Board Member, William Wong, CPA, Board Member and Jennifer Hiro, School Director will review all proposals and make final recommendations to the board regarding the selection of general and subcontractors and to provide oversight of all phases and aspects of the project. The construction committee will meet regularly with project manager and general contractor to keep abreast of progress, and ensure that any difficulties, both anticipated and unanticipated, will be resolved optimally to assure the project continues on schedule.

The construction committee will prepare monthly budget to actual reports as well as track timeline progress.

After the construction is complete, the Foundation will log all community use of the facilities. The usage log will depict all those in the community benefiting from the community recreational facilities.
