

Dr. Coles is a Naturopathic Physician and Licensed Acupuncturist seeking a position in an integrative clinical setting where expertise in research-based natural medicine is needed. Received comprehensive training in all aspects of naturopathic therapies with a focus in nutritional medicine, herbal medicine, lifestyle modifications, and drug-nutrient interactions. Additional specialty training in the areas of women’s health, pain management, oncology, specific nutrient IV therapy, acupuncture, and pediatrics. Dedicated to fusing naturopathic therapies and principles with at-need institutions.

EMPLOYMENT
