Dear Honorable Chair Mercado Kim and the Senate Higher Education Committee,

I am pleased to support the appointment and confirmation of Ms. Monique Mironesco, Ph.D. to the Hawaii Commission for National and Community Service.

This Commission, enacted by Federal Statute, is responsible for administering and receiving federal funds to support AmeriCorps Programs in the State of Hawaii. There are currently 9 programs in the Hawaii portfolio, with approximately 350 to 400 members serving throughout the state bringing in over \$4,200,000 a year in Federal Funds. The current focus areas of our programs concentrate on land conservation; legal help for low-income and/or disadvantaged individuals; sustainable agriculture; healthy futures; and financial literacy.

The composition of the Commission by Federal statute requires a minimum of 15 members, an equal representation of political parties with NO one party having a majority, and representation of various professional occupations.

Ms. Mironesco, Ph.D. will represent Higher Education. Her experience as Professor, instructor, lecturer in Political Science and extensive publication, will undoubtedly serve her well if confirmed to the Commission. Her appointment will also allow the Commission to maintain the equal balance between political parties that is needed to remain compliant with the Federal Statutes.

Please allow Ms. Mironesco, Ph.D. the opportunity to continue to serve on the Hawaii Commission for National and Community Service by confirming her to another term.

Respectfully,

Tracy Lee  
Operational Supervisor  
Hawaii Commission for National & Community Service
