
A BILL FOR AN ACT

RELATING TO HOUSING.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the cost and
2 availability of housing in the State are significant challenges
3 facing Hawaii residents. Although Hawaii has the tenth highest
4 median wage nationally, living expenses are two-thirds higher
5 than the rest of the nation, with the cost of housing being a
6 major contributing factor. According to a local news report, a
7 household needed to earn almost \$160,000 annually to afford to
8 buy a median-priced home on Oahu in 2018, making homeownership
9 out of reach for many of Hawaii's residents, especially first-
10 time buyers. By July 2019, the median price for a single-family
11 home on Oahu had risen to \$835,000, while the median price for
12 condominiums on Oahu had risen to \$461,500.

13 Because of the many barriers hindering the production of
14 new housing, such as geographic limitations, lack of major
15 infrastructure, construction costs, and government regulation,
16 the State and housing developers have not been able to produce
17 enough housing for Hawaii residents. According to a 2015 report

1 from the department of business, economic development, and
2 tourism, the projected long-run estimate of demand for total new
3 housing in Hawaii is between 64,700 to 66,000 for the 2015 to
4 2025 period. The legislature has responded through the passage
5 of various legislation. During the regular session of 2016, the
6 legislature passed a bill enacted as Act 127, Session Laws of
7 Hawaii 2016, that, among other things, establishes a goal of
8 developing or vesting the development of at least 22,500
9 affordable rental housing units ready for occupancy by the end
10 of 2026. During the regular session of 2017, the legislature
11 passed a bill enacted as Act 54, Session Laws of Hawaii 2017, to
12 expand the types of rental housing projects that can be exempt
13 from general excise tax, thereby encouraging the development of
14 rental housing projects targeted for occupancy by households at
15 or below the one hundred forty per cent area median income
16 level. During the regular session of 2018, the legislature
17 passed a bill enacted as Act 39, Session Laws of Hawaii 2018,
18 that, among other things, provides an estimated total value of
19 \$570,000,000 to address Hawaii's affordable rental housing
20 crisis and is expected to generate more than 25,000 affordable
21 units by the year 2030.

1 Despite these efforts, the amount of new construction of
2 housing, especially for low- to middle-income families,
3 continues to be inadequate as the supply of housing remains
4 constrained while demand for housing increases. This lack of
5 supply leads to higher housing prices and rents for households
6 of all income levels, leaving all tenants with less disposable
7 income, increasing the personal stress on buyers and renters,
8 and exacerbating overcrowding and homelessness. Given these
9 consequences, the lack of affordable housing requires the
10 concentrated attention of state government at the highest level.

11 The legislature further finds that Singapore faced a
12 housing crisis in the 1940s through 1960s but was subsequently
13 able to provide nearly one million residential units for its
14 citizens. The housing and development board -- the government
15 entity responsible for the rapid increase in housing development
16 -- plans, develops, and constructs the housing units, including
17 commercial, recreational, and social amenities. The result is
18 that units built by the housing and development board house
19 eighty per cent of the resident population and that, overall,
20 ninety per cent of the resident population are owners of their
21 units. Through government loans, subsidies, and grants and the

1 use of money saved through a government-run mandatory savings
2 program, residents are able to purchase residential units at an
3 affordable price, including options to upgrade to a better
4 living environment in the future.

5 The legislature further finds that with Honolulu's
6 construction of an elevated rail transit system, the State has
7 an opportunity to enhance Oahu's urban environment and increase
8 the quality of life for residents by increasing the affordable
9 housing inventory and eliminating the need for personal
10 automobiles, among other public benefits. As the largest
11 landowner of properties along the transit line, with
12 approximately two thousand acres under the jurisdiction of
13 various departments, the State must be proactive in establishing
14 a unified vision and approach toward redevelopment of its
15 properties to maximize the benefits of state lands available for
16 redevelopment.

17 The purpose of this Act is to:

- 18 (1) End the housing shortage in Hawaii;
19 (2) Establish the ALOHA homes program to facilitate the
20 creation of low-cost leasehold homes for sale to

- 1 Hawaii residents on state-owned land near public
2 transit stations;
- 3 (3) Authorize the Hawaii housing finance and development
4 corporation (the "corporation") to sell the leasehold
5 interest in residential condominium units located on
6 state lands for lease terms of ninety-nine years; and
- 7 (4) Develop an ALOHA homes demonstration project by
8 July 1, 2025.

9 SECTION 2. Chapter 201H, Hawaii Revised Statutes, is
10 amended by adding two new subparts to part II to be

1 §201H-D Rules; guidelines. (a) The corporation shall
2 establish rules under chapter 91 on health, safety, building,
3 planning, zoning, and land use, which shall supersede all other
4 inconsistent ordinances and rules relating to the use, zoning,
5 planning, and development of land and construction thereon.
6 Rules adopted under this section shall follow existing law,
7 rules, ordinances, and regulations as closely as is consistent
8 with standards meeting minimum requirements of good design,
9 pleasant amenities, health, safety, and coordinated development.
10 The corporation may provide that lands within urban
11 redevelopment sites shall not be developed beyond existing uses
12 or that improvements thereon shall not be demolished or
13 substantially reconstructed, or provide other restrictions on
14 the use of the lands.

15 (b) The following shall be the principles generally
16 governing the corporation's action in urban redevelopment sites:

- 17 (1) The corporation shall produce enough housing supply to
18 meet housing demand;
- 19 (2) Each development may include facilities to replace any
20 facilities that must be removed for the development's
21 construction;

- 1 (3) Development shall be revenue-neutral to the State and
2 counties, and all revenues generated shall be used for
3 the purposes of this subpart;
- 4 (4) The corporation shall consider the infrastructure
5 burden of each development and the impact of the
6 development on the education system, and any
7 mitigation actions, prior to construction;
- 8 (5) The corporation may build infrastructure beyond what
9 exists in any development under this subpart and may
10 sell the infrastructure capacity to private sector
11 developers;
- 12 (6) The corporation may build common area facilities for
13 any development undertaken pursuant to this subpart,
14 which shall be paid through the sales of ALOHA homes
15 units;
- 16 (7) Development shall result in a community that permits
17 an appropriate land mixture of residential,
18 commercial, and other uses. In view of the innovative
19 nature of the mixed use approach, urban design
20 policies shall be established for the public and
21 private sectors in the proper development of urban

1 redevelopment sites; provided that any of the
2 corporation's proposed actions in urban redevelopment
3 sites that are subject to chapter 343 shall comply
4 with chapter 343 and federal environmental
5 requirements; provided further that the corporation
6 may engage in any studies or coordinative activities
7 permitted in this subpart that affect areas lying
8 outside urban redevelopment sites, where the
9 corporation in its discretion decides that those
10 activities are necessary to implement the intent of
11 this subpart. The studies or coordinative activities
12 shall be limited to facility systems, resident and
13 industrial relocation, and other activities with the
14 counties and appropriate state agencies. The
15 corporation may engage in construction activities
16 outside of urban redevelopment sites; provided that
17 the construction relates to infrastructure development
18 or residential or business relocation activities;
19 provided further that the construction shall comply
20 with the general plan, development plan, ordinances,

H.B. NO. 2440

1 and rules of the county in which the urban
2 redevelopment site is located;

3 (8) Activities shall be located so as to provide primary
4 reliance on public transportation and pedestrian and
5 bicycle facilities for internal circulation within
6 urban redevelopment sites or designated subareas;

7 (9) Where compatible, land use activities within urban
8 redevelopment sites shall to the greatest possible
9 extent be mixed horizontally within blocks or other
10 land areas, and vertically as integral units of multi-
11 purpose structures;

12 (10) Development shall prioritize maximizing density on
13 lands that are most urbanized and most suitable for
14 high density; provided that development may require a
15 mixture of densities, building types, and
16 configurations in accordance with appropriate urban
17 design guidelines and vertical and horizontal
18 integration of residents of varying incomes, ages, and
19 family groups that reflect the diversity of Hawaii.
20 Development shall provide necessary community
21 facilities, such as parks, community meeting places,

1 child care centers, schools, educational facilities,
2 libraries, and other services, within and adjacent to
3 residential development; provided that any school that
4 is provided by the corporation as a necessary
5 community facility shall be exempt from school size
6 requirements as calculated by recent school site area
7 averages pursuant to section 302A-1602;

8 (11) Public facilities within urban redevelopment sites
9 shall be planned, located, and developed so as to
10 support the redevelopment policies for the sites
11 established by this subpart and plans and rules
12 adopted pursuant to it;

13 (12) Development shall be designed, to the extent possible,
14 to minimize traffic, parking, the use of private
15 automobiles, and noise;

16 (13) Development shall be subject to chapter 104;

17 (14) State-funded and county-funded, as applicable, onsite
18 and off-site infrastructure shall be brought to the
19 development site; provided that the State and
20 respective county may be reimbursed for its

1 infrastructure contributions with proceeds from the
2 sale of ALOHA homes; and

3 (15) Development shall include the establishment of a
4 building operating and maintenance program, together
5 with the funding to cover its cost.

6 (c) ALOHA homes within urban redevelopment sites shall not
7 be advertised for rent, rented, or used for any purpose other
8 than owner-occupied residential use; provided that the
9 corporation, by rule, shall establish penalties for violations
10 of this subsection up to and including forced sale of an ALOHA
11 home.

12 (d) The design and development contracts for ALOHA homes
13 shall be subject to chapter 103D.

14 (e) The corporation shall recoup all expenses through the
15 sales of the leasehold interest of ALOHA homes and other revenue
16 sources, including the leasing of commercial space.

17 **§201H-E Sale of the leasehold interest of ALOHA homes;**
18 **rules; guidelines.** (a) The corporation shall adopt rules,
19 pursuant to chapter 91, for the sale of the leasehold interest
20 of ALOHA homes under its control within urban redevelopment
21 sites; provided that each lease shall be for a term of ninety-

1 nine years. The rules shall include the following requirements
2 for an eligible buyer or owner of an ALOHA home within an urban
3 redevelopment site:

4 (1) The person shall be a resident of the State; provided
5 that voting in the most recent primary or general
6 election shall be an indication of residency in the
7 State; provided further that not voting in any primary
8 or general election creates a rebuttable presumption
9 of non-residency;

10 (2) The person shall not use the ALOHA home for any
11 purpose other than owner-occupied residential use; and

12 (3) The person, or the person's spouse, or any other
13 person intending to live with the eligible buyer or
14 owner, shall not own any other real property,
15 including any residential and non-residential
16 property, beneficial ownership of trusts, and co-
17 ownership or fractional ownership, while owning an
18 ALOHA home in an urban redevelopment site; provided
19 that an eligible buyer may own real property up to six
20 months after closing on the purchase of an ALOHA home;
21 provided further that an owner of an ALOHA home in the

1 process of selling the ALOHA home may own other real
2 property up to six months prior to closing on the sale
3 of the ALOHA home to an eligible buyer;
4 provided that the rules under this subsection shall not include
5 any requirements or limitations related to an individual's
6 income or any preferences to first-time home buyers. The rules
7 shall include strict enforcement of owner-occupancy, including a
8 prohibition on the renting or leasing of an ALOHA home to any
9 tenant or lessee, and may include requirements for the use of
10 face recognition, verification of the presence of owner-
11 occupants and prevention of access to all unauthorized persons
12 through retina scan for a minimum number of days per year, or
13 fingerprint scan technology.

14 (b) The median ALOHA homes within urban redevelopment
15 sites shall be priced to be affordable to an individual or
16 family whose income does not exceed eighty per cent of the area
17 median income, or \$300,000, whichever is less, using the United
18 States Department of Housing and Urban Development income
19 guidelines; provided that the \$300,000 price shall be adjusted
20 annually by calculating the average annual increase in the
21 median home price for the area during the previous ten-year

1 timeframe, as determined by the department of business, economic
2 development, and tourism.

3 (c) The corporation shall establish waitlists for each
4 residential development for eligible buyers to determine the
5 order in which ALOHA homes shall be sold. Waitlist priorities
6 may include school, college, or university affiliation if the
7 residential property is a redeveloped school, college, or
8 university; proximity of an eligible buyer's existing residence
9 to an ALOHA home within the urban redevelopment site; and other
10 criteria based on the impact that the development has on the
11 eligible buyer.

12 (d) ALOHA homes within urban redevelopment sites shall be
13 sold only to other eligible buyers.

14 (e) An owner of an ALOHA home may sell the ALOHA home
15 after five or more years of owner-occupancy; provided that the
16 corporation shall have the right of first refusal to purchase
17 the ALOHA home at a price that is determined by the corporation
18 using the price at which the owner purchased the ALOHA home as
19 the cost basis, adjusted for inflation, as determined by the
20 department of business, economic development, and tourism using
21 the Consumer Price Index for All Urban Consumers for Honolulu,

1 and may include a percentage of the appreciation in value of the
2 unit based on an appraisal obtained by the corporation. If the
3 corporation does not exercise its right to purchase the ALOHA
4 home, the ALOHA home may be sold by the owner to an eligible
5 buyer; provided that the corporation shall retain seventy-five
6 per cent of all profits from the sale net of closing and
7 financing costs, using the price at which the owner purchased
8 the ALOHA home, plus documented capital improvements, as the
9 cost basis. Upon the death of the owner of an ALOHA home, the
10 ALOHA home may be transferred to the deceased's heir by devise
11 or as any other real property under existing law; provided that
12 if the heir is not an eligible buyer, the heir shall sell the
13 ALOHA home to the corporation at a price that is determined by
14 the corporation using the price at which the owner purchased the
15 ALOHA home, plus documented capital improvements, as the cost
16 basis, adjusted for inflation, and may include a percentage of
17 the appreciation in value of the unit.

18 (f) If an owner of an ALOHA home sells the ALOHA home
19 before five years of owner-occupation, the corporation shall
20 purchase the ALOHA home at a price that is determined by the
21 corporation using the price at which the owner purchased the

1 ALOHA home as the cost basis, plus documented capital
2 improvements, adjusted for inflation.

3 (g) Any ALOHA home developed and sold under this subpart
4 shall not be subject to sections 201H-47, 201H-49, 201H-50, and
5 201H-51.

6 (h) If an owner of an ALOHA home defaults on any loan or
7 mortgage secured by the owner's leasehold interest in the ALOHA
8 home or loses ownership of the home for any reason, the
9 corporation shall purchase the interest of the owner in the
10 ALOHA home and take possession thereof.

11 **§201H-F Use of public lands; acquisition of state lands.**

12 (a) If state lands under the control and management of other
13 public agencies are required by the corporation for the purposes
14 of this subpart, the agency having the control and management of
15 those required lands, upon request by the corporation and with
16 the approval of the governor, may convey or lease those lands to
17 the corporation upon terms and conditions as may be agreed to by
18 the parties.

19 (b) Notwithstanding the foregoing, no public lands shall
20 be conveyed or leased to the corporation pursuant to this
21 section if the conveyance or lease would impair any covenant

1 between the State or any county or any department or board
2 thereof and the holders of bonds issued by the State or that
3 county, department, or board.

4 **§201H-G Acquisition of real property from a county.**

5 Notwithstanding the provision of any law or charter, any county,
6 by resolution of its local governing body, may, without public
7 auction, sealed bids, or public notice, sell, lease, grant, or
8 convey to the corporation any real property owned by it that the
9 corporation certifies to be necessary for the purposes of this
10 subpart. The sale, lease, grant, or conveyance shall be made
11 with or without consideration and upon terms and conditions as
12 may be agreed upon by the county and the corporation.

13 Certification shall be evidenced by a formal request from the
14 corporation. Before the sale, lease, grant, or conveyance may
15 be made to the corporation, a public hearing shall be held by
16 the local governing body to consider the same. Notice of the
17 hearing shall be published at least six days before the date set
18 for the hearing in the publication and in the manner as may be
19 designated by the local governing body.

20 **§201H-H Condemnation of real property.** The corporation,
21 upon making a finding that it is necessary to acquire any real

1 property for its immediate or future use for the purposes of
2 this subpart, may acquire the property, including property
3 already devoted to a public use, by condemnation pursuant to
4 chapter 101. The property shall not thereafter be taken for any
5 other public use without the consent of the corporation. No
6 award of compensation shall be increased by reason of any
7 increase in the value of real property caused by the designation
8 of the urban redevelopment site or plan adopted pursuant to a
9 designation, or the actual or proposed acquisition, use, or
10 disposition of any other real property by the corporation.

11 **§201H-I Construction contracts.** The construction
12 contracts for ALOHA homes shall be subject to chapter 103D.

13 **§201H-J Lease of projects.** Notwithstanding any law to the
14 contrary, the corporation, without recourse to public auction or
15 public notice for sealed bids, may lease for a term not
16 exceeding sixty-five years all or any portion of the real or
17 personal property constituting a commercial project to any
18 person, upon terms and conditions as may be approved by the
19 corporation; provided that all revenues generated from the lease
20 shall be used to support the purpose of this subpart pursuant to
21 section 201H-B.

1 **§201H-K Dedication for public facilities as condition to**
2 **development.** The corporation shall establish rules requiring
3 dedication for public facilities of land or facilities by
4 developers as a condition of developing real property within
5 urban redevelopment sites. Where state and county public
6 facilities dedication laws, ordinances, or rules differ, the
7 provision for greater dedication shall prevail.

8 **§201H-L ALOHA homes revolving fund.** There is established
9 the ALOHA homes revolving fund into which all receipts and
10 revenues of the corporation pursuant to this subpart shall be
11 deposited. Proceeds from the fund shall be used for the
12 purposes of this subpart.

13 **§201H-M Expenditures of ALOHA homes revolving fund under**
14 **the corporation exempt from appropriation and allotment.** Except
15 as to administrative expenditures, and except as otherwise
16 provided by law, expenditures from the ALOHA homes revolving
17 fund administered by the corporation may be made by the
18 corporation without appropriation or allotment of the
19 legislature; provided that no expenditure shall be made from and
20 no obligation shall be incurred against the ALOHA homes
21 revolving fund in excess of the amount standing to the credit of

1 the fund or for any purpose for which the fund may not lawfully
2 be expended. Nothing in sections 37-31 to 37-41 shall require
3 the proceeds of the ALOHA homes revolving fund administered by
4 the corporation to be reappropriated annually.

5 **§201H-N Assistance by state and county agencies.** Any
6 state or county agency may render services for the purposes of
7 this subpart upon request of the corporation.

8 **§201H-O Lands no longer needed.** Lands that are no longer
9 needed for the ALOHA homes program by the corporation shall be
10 returned to the previous owner of those lands. Lands that are
11 owned by the corporation and designated for the ALOHA homes
12 program but are subsequently no longer needed for the ALOHA
13 homes program shall be retained by the corporation.

14 **§201H-P Rules.** The corporation may adopt rules, pursuant
15 to chapter 91, necessary for the purposes of this subpart.

16 C. Leasehold Condominiums on State Lands

17 **§201H-Q Leasehold condominiums on state lands.** (a) The
18 corporation may sell leasehold units in condominiums organized
19 pursuant to chapter 514B and developed under this subpart on
20 state land to a "qualified resident" as defined in section
21 201H-32.

1 (b) The term of the lease may be for ninety-nine years,
2 and the corporation may extend or modify the fixed rental period
3 of the lease or extend the term of the lease.

4 (c) The sale of leasehold units shall be subject to
5 sections 201H-47, 201H-49, and 201H-50, except for units sold at
6 fair market value.

7 (d) State land set aside by the governor to the
8 corporation and lands leased to the corporation by any
9 department or agency of the State for a condominium described in
10 this section shall be exempt from the definition of "public
11 lands" under section 171-2, except for the provision in section
12 171-2(6) that subjects corporation lands to the accounting for
13 all receipts for lands subject to section 5(f) of the Admission
14 Act of 1959.

15 (e) The powers conferred upon the corporation by this
16 section shall be in addition and supplemental to the powers
17 conferred by any other law, and nothing in this section shall be
18 construed as limiting any powers, rights, privileges, or
19 immunities so conferred."

1 SECTION 3. Chapter 237, Hawaii Revised Statutes, is
2 amended by adding a new section to be appropriately designated
3 and to read as follows:

4 "§237- Exemption of sale of leasehold interest for ALOHA
5 home units. In addition to the amounts exempt under section
6 237-24, this chapter shall not apply to amounts received from
7 the sale of a leasehold interest in an ALOHA home under chapter
8 201H, subpart B."

9 SECTION 4. Section 171-2, Hawaii Revised Statutes, is
10 amended to read as follows:

11 "§171-2 Definition of public lands. "Public lands" means
12 all lands or interest therein in the State classed as government
13 or crown lands previous to August 15, 1895, or acquired or
14 reserved by the government upon or subsequent to that date by
15 purchase, exchange, escheat, or the exercise of the right of
16 eminent domain, or in any other manner; including lands accreted
17 after May 20, 2003, and not otherwise awarded, submerged lands,
18 and lands beneath tidal waters that are suitable for
19 reclamation, together with reclaimed lands that have been given
20 the status of public lands under this chapter, except:

H.B. NO. 2440

- 1 (1) Lands designated in section 203 of the Hawaiian Homes
2 Commission Act, 1920, as amended;
- 3 (2) Lands set aside pursuant to law for the use of the
4 United States;
- 5 (3) Lands being used for roads and streets;
- 6 (4) Lands to which the United States relinquished the
7 absolute fee and ownership under section 91 of the
8 Hawaiian Organic Act prior to the admission of Hawaii
9 as a state of the United States unless subsequently
10 placed under the control of the board of land and
