

1 § -2 State employee air travel carbon offsets program.

2 (a) The governor, the president of the senate and the speaker
3 of the house of representatives, the chief justice, and the
4 chairperson of the office of Hawaiian affairs shall implement a
5 program in their respective branches of state government to
6 require all agencies to participate in a carbon offset program
7 established and administered by the department of land and
8 natural resources to offset carbon emissions caused by air
9 travel undertaken by an employee of the agency in performance of
10 the employee's official duties. The cost of the offset shall be
11 paid to the department of land and natural resources by the
12 agency for their respective employees on a per trip basis at a
13 rate determined by the department.

14 (b) The department of land and natural resources shall
15 establish and administer a carbon offset program that includes
16 the planting of trees endemic to Hawaii, including but not
17 limited to sandalwood varieties such as Iliahi, Lauala,
18 Wahieala, Aoa, and Aahi. The department may adopt rules
19 pursuant to chapter 91 to effectuate the purposes of this
20 chapter."
