SENATE CONCURRENT RESOLUTION

ENCOURAGING THE MEDIA, LAW ENFORCEMENT, AND INFORMATION OFFICERS
TO ADOPT A NO-NOTORIETY APPROACH TO REPORTING ON MASS
SHOOTERS AND PERPETRATORS OF OTHER MASS CRIMES.

1 WHEREAS, it is routine for journalists, media outlets, and
2 law enforcement to release the name and likeness of mass
3 shooters and perpetrators of other mass crimes in an effort to
4 inform the public and apprehend suspects; and
5

6 WHEREAS, some journalists and media outlets continue to use
7 a suspect's name and likeness or further report on details of
8 the suspect's life, including photos, videos, social media
9 posts, manifestos, and other self-serving statements created by
10 the suspect, thereby giving the suspect valuable airtime and
11 glorifying their crimes; and
12

13 WHEREAS, some attackers are motivated to commit crimes by a
14 desire for fame, notoriety, or recognition; and
15

16 WHEREAS, media sensationalism and focus on the suspect
17 provides the fame, notoriety, and recognition the suspect aimed
18 to achieve by committing mass crimes; and
19

20 WHEREAS, media coverage of mass crimes can lead to a
21 contagion effect producing copycat crimes and attackers seeking
22 to outdo previous coverage; and
23

24 WHEREAS, persons who commit mass crimes should receive no
25 more notoriety than they received prior to the commission of
26 their heinous and criminal acts; and
27

28 WHEREAS, after a suspect has been apprehended, focus should
29 be placed on the real stories of the victims and heroes; and
30

S.C.R. NO. 19

1 WHEREAS, shifting the focus away from the attacker deprives
2 the attacker and potential copycat attackers from the media
3 celebrity and spotlight they seek; and
4

5 WHEREAS, the Don't Name Them campaign, a coordinated effort
6 by the Advanced Law Enforcement Rapid Response Training Center
7 at Texas State University, I Love U Guys Foundation, and Federal
8 Bureau of Investigations, and the No Notoriety campaign, founded
9 by family members of the victims of the Aurora, Colorado movie
10 theater shooting, aim to encourage media, law enforcement, and
11 public information officers to report responsibly about mass
12 crimes and move their focus from the attackers to the victims
13 and heroes who stop and prevent crimes; now, therefore,
14

35 the suspect's name and likeness, unless necessary for
36 apprehension;
37
- 38 (4) Limit the name of a suspect to once per piece as a
39 reference point, avoid using the suspect's name in
40 headlines, and limit use of the suspect's likeness;
41

S.C.R. NO. 19

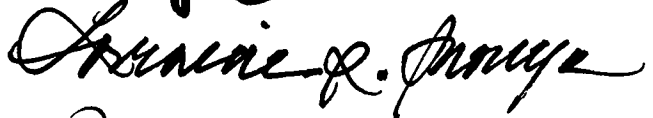

- 1 (5) Refuse to broadcast or publish self-serving
- 2 statements, photos, videos, manifestos, social media
- 3 posts, and similar expressions made by the suspect;

- 6 victims and frame messaging that shows the victims'
- 7 lives are more important than the suspect's actions;
- 8 and
- 9
- 10 (7) Promote data and analysis from mental health and
- 11 public safety professionals to assist in the
- 12 elimination of the motivation for mass crimes; and
- 13
