# A BILL FOR AN ACT

RELATING TO VESSELS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that vessel ownership and  
2 operation come with many responsibilities and that vessels  
3 likewise pose significant threats to natural resources and to  
4 public health and safety if abandoned, neglected, or left in  
5 disrepair. The legislature recognizes that unauthorized,  
6 abandoned, grounded, and derelict vessels on state property and  
7 in the waters of the State must be removed as soon as possible  
8 to minimize the hazards posed to the public while balancing the  
9 vessel owner's right to due process.

10           Since 2002, the division of boating and ocean recreation  
11 within the department of land and natural resources has expended  
12 in excess of \$2,340,000 from the boating special fund to address  
13 unauthorized, abandoned, grounded, and derelict vessels on state  
14 property or in the waters of the State. However, under existing  
15 law, in many instances, by the time the department of land and  
16 natural resources may begin removing an unauthorized, abandoned,  
17 grounded, or derelict vessel, the condition of the vessel has  
18 deteriorated, further complicating removal efforts and

1 increasing the potential to create threats to public health,  
2 public safety, and natural resources.

3 The purpose of this Act is to amend provisions regarding  
4 the designation, impoundment, and disposal of unauthorized,  
5 abandoned, grounded, and derelict vessels on state property or  
6 in the waters of the State to facilitate faster responses of  
7 these proceedings.

8 SECTION 2. Section 200-16, Hawaii Revised Statutes, is  
9 amended to read as follows:

10 "§200-16 ~~[Mooring of unauthorized vessel in state small~~  
11 ~~boat harbors and offshore mooring areas,]~~ Unauthorized vessels;  
12 impoundment and disposal proceedings. (a) ~~[No person shall~~  
13 ~~moor a vessel in a state small boat harbor or offshore mooring~~  
14 ~~area without obtaining a use permit; nor shall a person continue~~  
15 ~~to moor a vessel in any state small boat harbor or offshore~~  
16 ~~mooring area if the use permit authorizing the vessel to moor~~  
17 ~~has expired or otherwise been terminated.]~~ A vessel moored  
18 without a valid use permit or moored with a use permit that has  
19 expired or been terminated ~~[is]~~ shall be deemed an unauthorized  
20 vessel ~~[and is subject to]~~ in violation of this section[-] and  
21 shall be subject to impoundment and disposal.

1           (b) The department shall ~~[cause to be placed]~~ place upon,  
2 or as near to ~~[the]~~ an unauthorized vessel as possible, a notice  
3 to remove the vessel, which shall, at a minimum, indicate that  
4 the vessel is in violation of this section, the date and time  
5 the notice was posted, and that the vessel ~~[must]~~ shall be  
6 removed within seventy-two hours ~~[from]~~ of the time that the  
7 notice was posted~~[-]~~; provided that if the vessel is in imminent  
8 danger of breaking up on state submerged land, a shoreline, or a  
9 coral reef, the notice shall indicate that the owner shall  
10 commence effective salvage operations within twenty-four hours  
11 of the time that the notice was posted.

12           (c) An unauthorized vessel may be impounded by the  
13 department at the sole risk and expense of the owner of the  
14 vessel~~[-]~~ if the vessel is not removed after the  
15 ~~[seventy two hour]~~ period ~~[or]~~ specified in subsection (b).  
16 Calculation of the time period shall not restart if, during that  
17 period, the vessel is ~~[removed and remoored in the harbor or~~  
18 ~~mooring or anchorage area or any other state harbor or mooring~~  
19 ~~or anchorage area without a use permit.] moved anywhere in the~~  
20 waters of the State or to any public property and remains in  
21 violation of this section. The owner of the vessel shall be

1 solely responsible for all costs of the impoundment and the  
2 disposal of the unauthorized vessel. All owners of unauthorized  
3 vessels that are impounded by the department shall be  
4 responsible for paying impound storage fees to the department  
5 while the vessel remains impounded and until the time that the  
6 vessel is returned to the custody of a person entitled to  
7 possession. Impound storage fees shall be equal to the rate set  
8 by the department for vessels moored without a valid permit.  
9 Any proceeds [~~resulting from~~] collected by the department in  
10 relation to the impoundment and the disposal of the unauthorized  
11 vessel shall be used first to pay for the costs of impoundment  
12 and disposal [and], then to pay for any additional costs related  
13 to the impoundment and disposal, then to pay for any outstanding  
14 mooring fees due [-] to the department from the owner, and then  
15 to the general fund. If the proceeds resulting from the  
16 impoundment and the disposal are inadequate to pay for all costs  
17 and mooring fees due, the owner of the unauthorized vessel shall  
18 remain liable for [~~the~~] paying the department any and all  
19 outstanding costs and mooring fees [-] due.

20 (d) Custody of an unauthorized vessel shall be returned to  
21 the person entitled to possession only upon payment [~~to the~~

1 ~~department]~~ in full of all fees and costs due~~[7]~~ to the  
2 department and any and all fines levied by the department or a  
3 court~~[-]~~ of competent jurisdiction. In addition, the  
4 department, within seventy-two hours of impoundment, shall send  
5 by certified mail, return receipt requested, a notice of  
6 impoundment to the registered or documented owner or any lien  
7 holder or operator of the impounded vessel on record with the  
8 department or the United States Coast Guard. The owner, lien  
9 holder, or operator of the impounded vessel shall have ~~ten~~  
10 five working days after receipt of notice of impoundment of the  
11 vessel to request ~~[in writing]~~ an administrative hearing.  
12 ~~[This]~~ A request for an administrative hearing ~~[is]~~ under this  
13 subsection shall:

- 14       (1) Be made in writing to the department;  
15       (2) Not be deemed delivered until the time that the  
16           department receives the written request; and  
17       (3) Be solely for the purpose of allowing the owner, lien  
18           holder, or operator of an impounded vessel to contest  
19           the basis given by the department for the impoundment  
20           of the vessel.

1 The administrative hearing [~~must~~] shall be held within five  
2 working days of [~~the department's receipt~~] delivery of the  
3 written request. The department [~~shall~~] may adopt rules  
4 pursuant to chapter 91 to implement the requirement for this  
5 post-seizure administrative hearing process.

6 (e) Any unauthorized vessel impounded under this section[~~7~~  
7 ~~which~~] that remains unclaimed for more than [~~thirty~~] ten working  
8 days by the registered or documented owner, a lien holder, or  
9 operator of record[~~7~~] may be sold by the department at public  
10 auction. If the department does not, or is unable to, sell the  
11 vessel at public auction, [~~or if its appraised value is less~~  
12 ~~than \$5,000 as determined by an independent appraiser with at~~  
13 ~~least one year of experience in the sale and purchase of~~  
14 ~~vessels,~~] the department, after giving public notice of intended  
15 disposition, if that notice was not previously included in a  
16 public auction notice, may sell the vessel by negotiation,  
17 retain and use the vessel, donate [~~it~~] the vessel to any other  
18 government agency, or dispose of [~~it~~] the vessel as junk."

19 SECTION 3. Section 200-41, Hawaii Revised Statutes, is  
20 amended to read as follows:
