JUSTIFICATION SHEET

DEPARTMENT: Transportation

TITLE: A BILL FOR AN ACT RELATING TO PROCUREMENT.

PURPOSE: To amend section 103D-709, Hawaii Revised Statutes, Administrative proceedings for review, to replace the protest bond amount for a contract with an estimated value of less than \$500,000 from \$1,000 to one per cent; to replace the protest bond amount for a contract with an estimated value of less than \$1,000,000 from \$2,000 to two and one-half per cent; to replace the protest bond amount when the estimated value of the contract is \$1,000,000 or more from one-half per cent to four and one-half per cent; and to delete the \$10,000 cap on the protest bond amount.

MEANS: Amend section 103D-709(e), Hawaii Revised Statutes.

JUSTIFICATION: The current cap on the protest bond amount is too low for public works projects that have estimated value exceeding millions of dollars. The State Procurement Code was established to allow for fairness to the public, to increase public confidence, to foster broad-based competition, fiscal responsibility and efficiency in the procurement process. Unfounded and frivolous protests impact procuring agencies by project delays, lapsed funding, and project cost increases.

Impact on the public: Timely delivery of public works projects after procurement and award.

Impact on the department and other agencies: Reduced project delays, funding lapses, and project cost increases.

GENERAL FUND: None.

OTHER FUNDS: None.

PPBS PROGRAM
DESIGNATION: TRN 995.

OTHER AFFECTED
AGENCIES: State Procurement Office, Department of
Accounting and General Services, and
Department of Commerce and Consumer Affairs.

EFFECTIVE DATE: Upon approval.
