

1 provided that state-approved basic life support personnel may
2 use fully automatic external defibrillators, initiate
3 intravenous lines, and perform manual external defibrillation
4 under the direction and personal supervision of a mobile
5 intensive care technician and in accordance with rules adopted
6 by the department.

7 "Community paramedicine program" means an enhanced and
8 expanded service in the county emergency medical services system
9 that allows state-licensed health care professionals and
10 community health workers to assist with public health, primary
11 care, and prevention services, including services through
12 telehealth.

13 "County" means any county having a population of five
14 hundred thousand or more.

15 "County system" means the county pre-hospital emergency
16 medical services system.

17 "Emergency aeromedical services" means a secondary response
18 system that provides immediate critical care and transport by
19 rotary-wing aircraft of a patient to a facility that provides
20 specialized medical care.

H.B. NO. 1281

1 "Emergency medical services for children" means emergency
2 medical services including preventive, pre-hospital, hospital,
3 rehabilitative, and other post-hospital care for children.

4 "Emergency medical services personnel" means any mobile
5 intensive care technician or emergency medical technician who is
6 certified or licensed by the State.

7 §46- County emergency medical services system;
8 establishment. Each county having a population of five hundred
9 thousand or more shall establish, administer, and maintain a
10 county emergency medical services system to serve the emergency
11 health needs of the people in the county. The county, in the
12 implementation of this part, shall plan, coordinate and provide
13 assistance to all entities and agencies, public and private,
14 involved in the county system. All emergency medical services
15 or ambulance services conducted by or under the authority of the
16 county shall be consistent with this part.

17 §46- County, functions; duties. In addition to other
18 functions and duties assigned under this part, the county shall:

- 19 (1) Establish emergency medical services in the county,
20 including emergency aeromedical services, which shall
21 meet the requirements of this part;

H.B. NO. 1281

- 1 (2) Review and approve the curricula and syllabi of
2 training courses offered to emergency medical services
3 personnel who work in the county who provide basic,
4 intermediate, and advanced life support, consult and
5 coordinate with the university of Hawaii, or any other
6 accredited community college, college, or university,
7 or any professional organization that provides
8 emergency medical services training, regarding the
9 training for basic, intermediate, and advanced life
10 support personnel, as provided in section 321-229;
- 11 (3) Establish, administer, and maintain a communication
12 system for the county system;
- 13 (4) Implement public information and education programs to
14 inform the public of the county system and its use,
15 and disseminate other emergency medical information,
16 including appropriate methods of medical self-help and
17 first-aid, and the availability of first-aid training
18 programs in the county;
- 19 (5) Establish standards and provide training for
20 dispatchers in the county system, and maintain a

1 program of quality assurance for dispatch equipment
2 and operations;

3 (6) Establish a program that will enable emergency service
4 personnel within the county to provide early
5 defibrillation; and

6 (7) Establish within the department the emergency medical
7 service system for children in the county.

8 §46- Emergency medical services; fees. (a) The county
9 may establish reasonable fees to be collected from individuals
10 who are:

11 (1) Transported by emergency ground ambulance services to
12 a health care facility within the county designated by
13 the department for the care of the individual; or

14 (2) Provided health care by emergency medical services
15 personnel within the county but not transported by
16 ground ambulance to a health care facility.

17 (b) No ambulance services, or any other emergency medical
18 services available from or under the authority of this chapter
19 shall be denied to any person on the basis of the ability of the
20 person to pay therefor or because of the lack of prepaid health
21 care coverage or proof of the ability or coverage.

1 (c) The county may adopt rules pursuant to chapter 91
2 necessary to effectuate the purposes of this section.

3 §46- Community paramedicine program; established. (a)
4 The county shall establish and administer the community
5 paramedicine program.

6 (b) The county shall:

7 (1) Develop guidelines for community paramedicine;

8 (2) Explore and develop partnerships with public and
9 private health care entities, insurers, and community
10 organizations; and

11 (3) Employ telehealth to enhance access and improve the
12 patient experience.

13 (c) The county shall submit a report on the status of the
14 community paramedicine program, including an accounting of
15 expenses and source of funds, to the legislature no later than
16 twenty days prior to the convening of each regular session of
17 the legislature.

18 (d) The county shall adopt rules pursuant to chapter 91 to
19 effectuate the purposes of this section.

20 §46- Fall prevention and early detection coordinator.

21 A fall prevention and early detection coordinator shall

1 coordinate the provision of public and private fall prevention
2 and early detection services for the elderly within the county.

3 §46- **Emergency medical services; levels of service;**
4 **contracts.** The county shall determine the levels of emergency
5 medical services that shall be implemented throughout the
6 county. The county may contract to provide emergency medical
7 services, including emergency aeromedical services, or any
8 necessary component of the county emergency services system.
9 Any private agency contracting to provide emergency medical
10 ambulance services under this section shall be required by the
11 county to implement those services in a manner and at a level
12 consistent with the levels determined under this section.

13 §46- **Grants.** The county system may seek and accept any
14 funds or property and other desirable support and assistance
15 from any source whatsoever, whether gift, grant, services or any
16 combination thereof, subject to applicable laws.

17 §46- **Immunity and limitation on liability for emergency**
18 **aeromedical services.** The county shall not be liable for any
19 claim of injury or death based on a failure to establish or
20 continue emergency aeromedical services in any part of the
21 county.

1 **§46- Emergency medical services; use of latex gloves.**

2 The county may enact a county ordinance to prohibit the use of
3 latex gloves by personnel providing ambulance services or
4 emergency medical services pursuant to this part.

5 **§46- Rules.** The county may adopt rules necessary for
6 the implementation of this part, subject to chapter 91."

7 SECTION 2. Chapter 321, Hawaii Revised Statutes, is
8 amended by adding a new section to part XVIII to be
9 appropriately designated and to read as follows:

10 "§321- Retention of relevant documentation.

11 Notwithstanding any provision of this part or any other state or
12 county law to the contrary, the department shall retain data
13 repository, charts, patient information, data submission, and
14 epidemiology information for all emergency medical services
15 within the State, including emergency medical services provided
16 within a county outside of the service area pursuant to part
17 of chapter 46."

18 SECTION 3. Section 321-221, Hawaii Revised Statutes, is
19 amended to read as follows:

20 **"§321-221 Findings and purpose.** The legislature finds
21 that the establishment of a state comprehensive emergency

1 medical services system [~~to include but not be limited to~~],
2 including emergency medical services for children, is a matter
3 of compelling state interest and necessary to protect and
4 preserve [the] health [~~of the people of the State~~]. A system
5 designed to reduce medical emergency deaths, injuries, and
6 permanent long-term disability through the implementation of a
7 fully integrated, cohesive network of components, the
8 legislature further finds, will best serve [the] health needs
9 [~~of the people~~]. Accordingly, the purpose of this part is to
10 establish and maintain a state comprehensive emergency medical
11 services system [~~throughout the~~] in communities that can be most
12 effectively served by the State, and to fix the responsibility
13 for the administration of this state system, which shall provide
14 for the arrangement of personnel, facilities, and equipment for
15 the effective and coordinated delivery of health care services
16 under emergency conditions, whether occurring as the result of a
17 patient's condition [~~or of~~], from natural disasters, or from
18 other causes. The system shall provide for personnel, personnel
19 training, communications, emergency transportation, facilities,
20 coordination with emergency medical and critical care services,
21 coordination and use of available public safety agencies,

1 promotion of consumer participation, accessibility to care,
2 mandatory standard medical recordkeeping, consumer information
3 and education, independent review and evaluation, disaster
4 linkage, mutual aid agreements, and other components necessary
5 to meet the purposes of this part."

6 SECTION 4. Section 321-222, Hawaii Revised Statutes, is
7 amended by adding a new definition to be appropriately inserted
8 and to read as follows:

9 ""Service area" means the State, excluding any county
10 having a population of five hundred thousand or more."

11 SECTION 5. Section 321-223, Hawaii Revised Statutes, is
12 amended to read as follows:

13 "[+]§321-223[+] **State comprehensive emergency medical**
14 **services system, establishment.** The department of health shall
15 establish, administer, and maintain the state comprehensive
16 emergency medical services system to serve the emergency health
17 needs of the people [of] in the [State-] service area. The
18 department [~~of health~~], in the implementation of this part,
19 shall plan, coordinate, and provide assistance to all entities
20 and agencies, public and private, involved in the state system.
21 All emergency medical services or ambulance services conducted

1 by or under the authority of the department [~~of health~~] or any
2 county within the service area shall be consistent with this
3 part."

4 SECTION 6. Section 321-224, Hawaii Revised Statutes, is
5 amended by amending subsection (a) to read as follows:

6 "(a) In addition to other functions and duties assigned
7 under this part, the department shall:

8 (1) Regulate ambulances and ambulance services [~~+~~]
9 statewide;

10 (2) Establish emergency medical services throughout the
11 [~~State,~~] service area, including emergency aeromedical
12 services, which shall meet the requirements of this
13 part, subject to section 321-228;

14 (3) Review and approve the curricula and syllabi of
15 training courses offered to emergency medical services
16 personnel who work in the service area and who provide
17 basic, intermediate, and advanced life support,
18 consult and coordinate with the University of Hawaii,
19 or any other accredited community college, college, or
20 university, or any professional organization that
21 provides emergency medical services training,

H.B. NO. 1281

- 1 regarding the training for basic, intermediate, and
2 advanced life support personnel, as provided in
3 section 321-229;
- 4 (4) Collect and evaluate data for the continued evaluation
5 of the [~~state system,~~] of emergency services within
6 the State, including services provided within a county
7 outside of the service area, subject to section
8 321-230;
- 9 (5) Coordinate, on a statewide basis, emergency medical
10 resources and the allocation of [the state system's]
11 emergency services and facilities in the event of mass
12 casualties, natural disasters, national emergencies,
13 and other emergencies, ensuring linkage to local,
14 state, and national disaster plans, and participation
15 in exercises to test these plans;
- 16 (6) Establish, administer, and maintain a communication
17 system for the state system;
- 18 (7) Assist each county in the development of a "911"
19 emergency telephone system[+], regardless of whether
20 the county is located within the service area;

H.B. NO. 1281

- 1 (8) Secure technical assistance and other assistance and
2 consultation necessary for the implementation of this
3 part, subject to section 321-230;
- 4 (9) Implement public information and education programs to
5 inform the public of the state system and its use, and
6 disseminate other emergency medical information,
7 including appropriate methods of medical self-help and
8 first-aid, and the availability of first-aid training
9 programs in the [~~State~~] service area;
- 10 (10) Establish standards and provide training for
11 dispatchers in the state system, and maintain a
12 program of quality assurance for dispatch equipment
13 and operations;
- 14 (11) Establish a program that will enable emergency service
15 personnel working in the service area to provide early
16 defibrillation;
- 17 (12) Establish within the department the emergency medical
18 service system for children[+] in the service area;
- 19 (13) Consult with the advisory committee on matters
20 relating to the implementation of this part; and

1 (14) Establish and maintain statewide standards for
2 emergency medical services course instructor
3 qualifications and statewide requirements for
4 emergency medical services training facilities."

5 SECTION 7. Section 321-224.2, Hawaii Revised Statutes, is
6 amended by amending subsection (a) to read as follows:

7 "(a) The department shall establish reasonable fees to be
8 collected from individuals who are:

9 (1) Transported by emergency ground ambulance services to
10 a health care facility within the service area
11 designated by the department for the care of the
12 individual; or

13 (2) Provided health care by emergency medical services
14 personnel within the service area but not transported
15 by ground ambulance to a health care facility."

16 SECTION 8. Section 321-224.4, Hawaii Revised Statutes, is
17 amended by amending subsection (a) to read as follows:

18 "(a) The department [~~of health~~] shall establish and
19 administer the community paramedicine program[-] within the
20 service area."

1 SECTION 9. Section 321-225, Hawaii Revised Statutes, is
2 amended by amending subsection (b) to read as follows:

3 "(b) The advisory committee shall be composed of [~~twenty~~]
4 seventeen members: three nonvoting ex-officio members, who
5 shall be the director of transportation, the adjutant general,
6 and the administrator of the state health planning and
7 development agency, or the designated representatives thereof,
8 and [~~seventeen~~] sixteen members representing all counties [~~of~~
9 ~~the State~~] within the service area who shall be appointed by the
10 governor subject to section 26-34 as follows:

11 (1) Five members who shall be physicians experienced in
12 the conduct and delivery of emergency medical
13 services; provided that at least two shall be engaged
14 in the practice of emergency medicine and be board-
15 eligible or board-certified by the American Board of
16 Emergency Medicine, and provided further that at least
17 one physician shall be engaged in the practice of
18 pediatrics and be board-eligible or board-certified by
19 the American Board of Pediatrics;

20 (2) [~~Four~~] Three members, one from each county within the
21 service area, who shall be consumers of health care

H.B. NO. 1281

1 and who shall have no connection with or relationship
 2 to the health care system of the State [~~and who shall~~
 3 ~~be representative of all counties~~];

4 (3) ~~[Four]~~ Three members ~~[of]~~, one from each county within
 5 the service area, who are in allied health professions
 6 related to emergency medical services; and

7 (4) ~~[Four]~~ Three members, one from each county~~[,]~~ within
 8 the service area, who shall be mobile intensive care
 9 technicians or emergency medical technicians engaged
 10 in the practice of pre-hospital emergency medical
 11 service.

12 The members of the advisory committee shall serve without
 13 compensation, but shall be reimbursed for necessary expenses
 14 incurred in the performance of their duties, including travel
 15 expenses. The chairperson of the advisory committee shall be
 16 elected by the members from among their numbers. A majority of
 17 the members of the advisory committee shall constitute a quorum
 18 for the conduct of business of the advisory committee. A
 19 majority vote of the members present at a meeting at which a
 20 quorum is established shall be necessary to validate any action
 21 of the committee."

1 SECTION 10. Section 321-225.5, Hawaii Revised Statutes, is
2 amended to read as follows:

3 "[~~§~~321-225.5~~§~~] Fall prevention and early detection
4 coordinator. There is established within the emergency medical
5 services and injury prevention system branch a fall prevention
6 and early detection coordinator to coordinate the provision of
7 public and private fall prevention and early detection services
8 for the elderly~~[-]~~ within the service area."

9 SECTION 11. Section 321-226, Hawaii Revised Statutes, is
10 amended to read as follows:

11 "§321-226 Emergency medical services and systems,
12 standards. The department [~~of health~~] shall establish statewide
13 standards for emergency medical services and for emergency
14 medical service systems consistent with [~~the state system~~] this
15 part and applicable federal guidelines for [~~such~~] those
16 services, including a requirement that ambulance service
17 providers licensed by the State establish and maintain an
18 alcohol and substance abuse policy for employees that the
19 department [~~of health~~] deems is equivalent to, or exceeds the
20 provisions of, the safety and health standards established by
21 the federal Department of Transportation for holders of

1 commercial driver's licenses. In the event the standards are
 2 determined or regulated by any other law, or by applicable
 3 federal guidelines, standards required to be set by this section
 4 shall be at least equivalent to or exceed the other state and
 5 federal standards."

6 SECTION 12. Section 321-228, Hawaii Revised Statutes, is
 7 amended to read as follows:

8 "§321-228 **Emergency medical services; counties.** The
 9 department shall determine, in consultation with the advisory
 10 committee under section 321-225, the levels of emergency medical
 11 services that shall be implemented in each county~~[-]~~ within the
 12 service area. The department may contract to provide emergency
 13 medical services, including emergency aeromedical services, or
 14 any necessary component of ~~[a county]~~ the emergency services
 15 system of a county within the service area in conformance with
 16 the state system. ~~[In the event]~~ If any county within the
 17 service area shall apply to the department to operate emergency
 18 medical ambulance services within the respective county, the
 19 department may contract with the county for the provision of
 20 those services. The department shall operate emergency medical
 21 ambulance services or contract with a private agency in those

1 counties [~~which~~] within the service area that do not apply to it
2 under this section. Any county or private agency contracting to
3 provide emergency medical ambulance services under this section
4 shall be required by the department to implement those services
5 in a manner and at a level consistent with the levels determined
6 under this section."

7 SECTION 13. Section 321-229, Hawaii Revised Statutes, is
8 amended by amending subsections (a) and (b) to read as follows:

9 "(a) The University of Hawaii shall provide training
10 courses in basic, intermediate, and advanced life support for
11 emergency medical services personnel. The curricula and syllabi
12 of these courses shall be approved in advance by the department
13 [~~of health.~~] and by any county operating a county emergency
14 medical services system pursuant to part of chapter 46. The
15 curricula and syllabi of courses for ambulance personnel shall
16 be consistent with the scope and level of the practice of
17 emergency medical services associated with emergency ambulance
18 personnel certification defined by the Hawaii medical board
19 under part II of chapter 453.

20 (b) The University of Hawaii, or other accredited
21 community college, college, or university, or any professional

1 organization that is approved by the department [~~of health~~] to
2 provide emergency medical services training, shall consult with
3 the department [~~of health~~] and any county operating a county
4 emergency medical services system pursuant to part of
5 chapter 46 to determine the number and type of emergency medical
6 services courses necessary to support the staffing requirements
7 for emergency medical services. The basic life support and
8 advanced life support training programs shall be relevant to and
9 consistent with the training course required for certification
10 under chapter 453."

11 SECTION 14. Section 321-230, Hawaii Revised Statutes, is
12 amended by amending subsections (a) and (b) to read as follows:

13 "(a) The department may contract for technical assistance
14 and consultation, including [~~but not limited to~~] categorization,
15 data collection, and evaluation appropriate to the needs of
16 emergency services within the [~~state system~~] State. The
17 collection and analysis of statewide emergency medical services
18 data, including pediatrics, trauma, cardiac, medical, and
19 behavioral medical emergencies, shall be for the purpose of
20 improving the quality of services provided.

1 The department may implement and maintain a trauma registry
2 for the collection of information concerning the treatment of
3 critical trauma patients at state designated trauma centers, and
4 carry out a system for the management of that information. The
5 system may provide for the recording of information concerning
6 treatment received before and after a trauma patient's admission
7 to a hospital or medical center. All state designated trauma
8 centers shall submit to the department [~~of health~~] periodic
9 reports of each patient treated for trauma in the state system
10 in [~~such~~] the manner as the department shall specify.

11 For the purposes of this subsection, "categorization" means
12 systematic identification of the readiness and capabilities of
13 hospitals and their staffs to adequately, expeditiously, and
14 efficiently receive and treat emergency patients.

15 (b) The department shall establish, administer, and
16 maintain an aeromedical emergency medical services system
17 designed to collect and analyze data to measure the efficiency
18 and effectiveness of each phase of [~~an~~] the emergency
19 aeromedical program[~~-~~] established by the department and any
20 emergency aeromedical program that may be established by any

1 county operating a county emergency medical services system
2 pursuant to part _____ of chapter 46.

3 The aeromedical emergency medical services system shall
4 serve the emergency health needs of the people of the State by
5 identifying:

- 6 (1) The [~~system's~~] strengths and weaknesses [✓] of
7 aeromedical emergency medical services with the State;
- 8 (2) The allocation of resources; and
- 9 (3) The development of rotary-wing emergency aeromedical
10 services standards;

11 provided that emergency helicopter use, including triage
12 protocols, shall be based on national aeromedical triage and
13 transport guidelines established by the Association of Air
14 Medical Services, the American College of Surgeons and the
15 National Association of Emergency Medical Service Physicians.
16 The department, in the implementation of this subsection, shall
17 plan, coordinate, and provide assistance to all entities and
18 agencies, public and private, involved in the system."

19 SECTION 15. Section 321-232, Hawaii Revised Statutes, is
20 amended as follows:

21 1. By amending subsection (a) to read:

H.B. NO. 1281

1 "(a) The department [~~of health~~] shall establish reasonable
2 fees for services rendered to the public within the service area
3 by the department [~~of health~~], any county~~[,]~~ within the service
4 area, or private agency under this part; provided that all
5 [such] revenues [~~which shall be~~] collected by the department [~~of~~
6 ~~health~~] and the respective counties pursuant to this section
7 shall be deposited into the state general fund, except [such]
8 amounts necessary to provide for collection services for bad
9 debt accounts. Fees required to be set by this section shall be
10 established in accordance with chapter 91."

11 2. By amending subsection (c) to read:

12 "(c) In the event of nonpayment of any fees required to be
13 assessed by this section, the department [~~of health~~] shall
14 determine whether the recipient of [such] services is
15 financially able to pay [such] the fees and make every
16 reasonable effort to collect [such] the fees. In the event the
17 department finds the person is without sufficient resources to
18 pay for the services, no further action to collect the fees
19 shall be taken. If the services are paid by a county or any
20 other entity, and collection of [such] the fee is delegated by
21 contractual agreement to the county or other agency [~~which~~] that

H.B. NO. 1281

1 provides the services, the county or other agency shall forward
 2 records relating to unpaid fees for action by the department [~~of~~
 3 ~~health~~] under this subsection. No county or other entity shall
 4 make a final determination of the ability of a person to pay
 5 under this subsection. Any determination of ability to pay for
 6 purposes of this subsection shall be in accordance with rules
 7 [~~which~~] that the department [~~of health~~] shall adopt, subject to
 8 chapter 91, governing [~~such~~] the determinations."

9 SECTION 16. Section 321-236, Hawaii Revised Statutes, is
 10 amended to read as follows:

11 " ~~[+]§321-236[+]~~ **Emergency medical services; use of latex**
 12 **gloves prohibited.** The use of latex gloves by personnel
 13 providing ambulance services or emergency medical services
 14 pursuant to this part shall be prohibited~~[-]~~ within the service
 15 area."

16 SECTION 17. There is appropriated out of the general
 17 revenues of the State of Hawaii the sum of \$ _____ or so much
 18 thereof as may be necessary for fiscal year 2021-2022 for
 19 emergency medical services in the city and county of Honolulu.

20 The sum appropriated shall be expended by the city and
 21 county of Honolulu for the purposes of this Act.

1 SECTION 18. Notwithstanding section 321-234(b), Hawaii
2 Revised Statutes, or any other law to the contrary, there is
3 appropriated out of the emergency services special fund
4 established pursuant to section 321-234, Hawaii Revised
5 Statutes, the sum of \$ or so much thereof as may be
6 necessary for fiscal year 2021-2022 and the same sum or so much
7 thereof as may be necessary for fiscal year 2022-2023 for the
8 purpose of transferring half of the moneys in the special fund
9 in each respective fiscal year to the city and county of
10 Honolulu for emergency medical services in the city and county
11 of Honolulu.

12 The sums appropriated shall be expended by the city and
13 county of Honolulu for the purposes of this Act.

14 SECTION 19. Notwithstanding any other provision of this
15 Act or other law to the contrary, any member of the state
16 emergency medical services advisory committee who resides in the
17 city and county of Honolulu pursuant to section 321-225(b)(2),
18 (3), or (4), Hawaii Revised Statutes, in the form in which it
19 read on the day before the effective date of this Act, may
20 remain a member of the committee for the duration of the term
21 for which the member was originally appointed; provided that if

1 a member remaining on the committee pursuant to this section
2 dies, resigns, or is otherwise removed from the committee, the
3 member shall not be replaced.

4 SECTION 20. All rights, powers, functions, and duties of
5 the department of health under part XVIII of chapter 321, Hawaii
6 Revised Statutes, exercised within the island of Oahu are
7 transferred to the city and county of Honolulu.

8 All employees who occupy civil service positions and whose
9 functions are transferred to the city and county of Honolulu by
10 this Act shall retain their civil service status, whether
11 permanent or temporary. Employees shall be transferred without
12 loss of salary, seniority (except as prescribed by applicable
13 collective bargaining agreements), retention points, prior
14 service credit, any vacation and sick leave credits previously
15 earned, and other rights, benefits, and privileges, in
16 accordance with state personnel laws and this Act; provided that
17 the employees possess the minimum qualifications and public
18 employment requirements for the class or position to which
19 transferred or appointed, as applicable; provided further that
20 subsequent changes in status may be made pursuant to applicable
21 civil service and compensation laws.

1 Any employee who, prior to this Act, is exempt from civil
2 service and is transferred as a consequence of this Act may
3 retain the employee's exempt status, but shall not be appointed
4 to a civil service position as a consequence of this Act. An
5 exempt employee who is transferred by this Act shall not suffer
6 any loss of prior service credit, vacation or sick leave credits
7 previously earned, or other employee benefits or privileges as a
8 consequence of this Act; provided that the employees possess
9 legal and public employment requirements for the position to
10 which transferred or appointed, as applicable; provided further
11 that subsequent changes in status may be made pursuant to
12 applicable employment and compensation laws. The city and
13 county of Honolulu may prescribe the duties and qualifications
14 of these employees and fix their salaries without regard to
