## A BILL FOR AN ACT

RELATING TO STATE FUNDS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The COVID-19 pandemic has swept across the  
2 nation and many parts of the world with unanticipated force and  
3 brought with it enormous challenges for governments at all  
4 levels. These challenges provide opportunities to restructure.

5           The legislature finds that, fundamentally, non-general  
6 funds must be reviewed and scrutinized just as much as general  
7 funds to determine if resources are being deployed effectively  
8 and efficiently.

9           The purpose of this Act is to trigger a full accounting of  
10 various non-general funded program objectives, performance, and  
11 results by transferring all unencumbered balances as of  
12 December 31, 2020, to the general fund.

13           SECTION 2. The legislature determines that there are  
14 amounts in excess of the requirements of the various funds  
15 listed in this Act. On March       , 2021, the director of finance  
16 is authorized to transfer the following amounts or so much

- 1 thereof as may be necessary for fiscal year 2020-2021 from the  
 2 following funds to the general fund:
