## A BILL FOR AN ACT

RELATING TO OFFENSES AGAINST PROPERTY RIGHTS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that the Hawaii Revised  
2 Statutes contains numerous provisions aimed at addressing the  
3 high number of vehicle thefts that occur on the island of Oahu.  
4 Frequently, a stolen vehicle is recovered during the commission  
5 of a crime or after it has been used to commit other crimes. In  
6 many vehicle theft cases, the vehicle is recovered while being  
7 operated or occupied by individuals who were not authorized to  
8 operate or occupy the vehicle. However, law enforcement  
9 officers may be unable to connect the actual theft of the  
10 vehicle with a specific individual.

11           Current statutory provisions have been rendered ineffective  
12 by state court rulings that require the State to prove that a  
13 defendant operating or occupying a stolen vehicle knew that the  
14 vehicle was stolen. In the great majority of cases, this  
15 requires a confession from the defendant, which may be difficult  
16 to obtain because defendants have the right to remain silent.

1 Thus, law enforcement is often hindered in meeting the burden of  
2 proof needed to prosecute these cases.

3 Accordingly, the purpose of this Act is to establish the  
4 offense of unauthorized control of propelled vehicle in the  
5 second degree, which applies if a person recklessly or  
6 negligently exerts unauthorized control over another's propelled  
7 vehicle by operating the vehicle without the owner's consent or  
8 by changing the identity of the vehicle without the owner's  
9 consent.

10 SECTION 2. Chapter 708, Hawaii Revised Statutes, is  
11 amended by adding a new section to part IV be appropriately  
12 designated and to read as follows:

13 "§708- Unauthorized control of propelled vehicle in the  
14 second degree. (1) A person commits the offense of  
15 unauthorized control of a propelled vehicle in the second degree  
16 if the person recklessly or negligently exerts unauthorized  
17 control over another's propelled vehicle by operating the  
18 vehicle without the owner's consent or by changing the identity  
19 of the vehicle without the owner's consent.

20 (2) It is an affirmative defense to a prosecution under  
21 this section that the defendant:

1        (a) Received authorization to use the vehicle from an  
2                    agent of the owner where the agent had actual or  
3                    apparent authority to authorize such use; or

12                   propelled vehicle or unrecorded owner of the vehicle pending  
13                   transfer of ownership, "owner" means the legal owner.

14                   "Propelled vehicle" shall have the same meaning as in  
15                   section 708-836.

17                   second degree is a misdemeanor."

18                   SECTION 3. Section 708-836, Hawaii Revised Statutes, is  
19                   amended to read as follows:
