
A BILL FOR AN ACT

RELATING TO HEALTH.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 PART I

2 SECTION 1. The legislature finds that the prevalence of
3 unlicensed care homes and facilities in the State continues to
4 pose significant health and consumer protection issues for
5 Hawaii's elderly and vulnerable populations. Over the past
6 three years, the department of health has received hundreds of
7 complaints regarding unlicensed care homes and facilities, which
8 has resulted in the closure of several homes and facilities and
9 the significant collection of fines by the department. Since
10 December 2019, the department has closed at least seven
11 unlicensed adult residential care homes and two unlicensed
12 special treatment facilities or therapeutic living programs and
13 imposed over \$800,000 in fines.

14 The legislature further finds that licensed care home
15 operators and other persons are still referring or transferring
16 patients to unlicensed care homes and facilities unbeknownst to
17 the patient. This illegal practice has cost some patients

1 thousands of dollars due to denied insurance reimbursements and
2 endangers patients' health and safety since unlicensed care
3 homes and facilities do not have to follow required health and
4 consumer protection regulations.

5 The purpose of this Act is to bolster the department of
6 health's enforcement activities to protect the health, safety,
7 and welfare of the State's elderly and vulnerable populations
8 by:

- 9 (1) Clarifying the group of professionals who are
10 prohibited from knowingly referring or transferring
11 patients to an uncertified or unlicensed care
12 facility;
- 13 (2) Repealing the provision that a landlord, under
14 specified conditions, shall not be deemed to be
15 providing home care services or operating a care
16 facility that requires a license; and
- 17 (3) Requiring the department of health to prioritize
18 complaint allegations based on severity for
19 investigations of state-licensed or state-certified
20 care facilities.

1 PART II

2 SECTION 2. Section 321-487, Hawaii Revised Statutes, is
3 amended by amending subsection (a) to read as follows:

4 "(a) It shall be unlawful for [~~a certified or licensed~~
5 ~~healthcare provider or certified or licensed care facility~~] any
6 person, corporation, or any other entity in the health care or
7 human services community to knowingly refer or transfer patients
8 to an uncertified or unlicensed care facility. The department
9 may impose a fine on any [~~certified or licensed healthcare~~
10 ~~provider or certified or licensed care facility~~] person,
11 corporation, or any other entity in the health care or human
12 services community that knowingly refers or transfers patients
13 to a care home, agency, or facility operating without a
14 certificate or license as required by law; provided that the
15 fine shall be no more than:

- 16 (1) \$500 for the first violation;
17 (2) \$1,000 for the second violation; and
18 (3) \$2,000 for the third and each succeeding violation."

2 may be conducted during regular business hours or at intervals
3 determined by the department. Annual inspections for
4 relicensing or recertification shall be conducted without

10 [~~(e)~~] (d) The department shall adopt rules pursuant to
11 chapter 91 to effectuate the purposes of this section."

12 PART IV
