
A BILL FOR AN ACT

RELATING TO TRANSIENT ACCOMMODATIONS TAX.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the global
2 respiratory disease pandemic named "coronavirus disease 2019",
3 or COVID-19, has deeply impacted Hawaii's health and economy.
4 The State and counties have implemented several measures to
5 mitigate virus spread, such as stay-at-home orders, a mandatory
6 fourteen-day quarantine for travelers, and the closing of all
7 nonessential businesses. However, these virus mitigation
8 efforts as well as the uncertainty of the COVID-19 pandemic have
9 significantly affected Hawaii's tourism industry. As of
10 September 2020, Hawaii has experienced a 71.7 per cent decrease
11 in the number of visitors by air compared to 2019.

12 The legislature further finds that the significant decrease
13 in visitors to Hawaii has resulted in an extreme loss in
14 revenues from the State's transient accommodations tax which is
15 imposed on gross rental proceeds from transient accommodations,
16 such as hotel rooms; the fair market value of time share
17 vacation units; and the gross receipts of transient

1 accommodations brokers, travel agents, and tour packagers
2 arranging to furnish transient accommodations at noncommissioned
3 negotiated contract rates. According to the department of
4 business, economic development, and tourism, transient
5 accommodations tax revenues decreased by \$103,300,000, or 68.6
6 per cent, in the second quarter of 2020 compared to the same
7 quarter of 2019. In the first half of 2020, transient
8 accommodations tax revenues decreased by \$73,300,000, or 23.1
9 per cent, compared to the previous year. As a result of
10 decreased revenues, the legislature believes that the transient
11 accommodations tax allocations should be adjusted.

12 The purpose of this Act is to repeal the allocation of
13 excess transient accommodations tax revenues to the Turtle Bay
14 conservation easement special fund, for the operation of a
15 Hawaiian center and the museum of Hawaiian music and dance, to
16 the counties, and to the special land and development fund.

17 SECTION 2. Section 87A-42, Hawaii Revised Statutes, is
18 amended to read as follows:

19 **"§87A-42 Other post-employment benefits trust. (a)**
20 Notwithstanding sections 87A-31 and 87A-31.5, the board, upon
21 terms and conditions set by the board, shall establish and

1 administer a separate trust fund for the purpose of receiving
2 employer contributions that will prefund other post-employment
3 health and other benefit plan costs for retirees and their
4 beneficiaries. The separate trust fund shall meet the
5 requirements of the Governmental Accounting Standards Board
6 regarding other post-employment benefits trusts. The board
7 shall establish and maintain a separate account for each public
8 employer within the separate trust fund to accept and account
9 for each public employer's contributions. Employer
10 contributions to the separate trust fund shall be irrevocable,
11 all assets of the fund shall be dedicated exclusively to
12 providing health and other benefits to retirees and their
13 beneficiaries, and assets of the fund shall not be subject to
14 appropriation for any other purpose and shall not be subject to
15 claims by creditors of the employers or the board or plan
16 administrator. The board's powers under section 87A-24 shall
17 also apply to the fund established pursuant to this section.

18 (b) Public employer contributions shall be paid into the
19 fund in each fiscal year, and commencing with the 2018-2019
20 fiscal year, the amount of the annual public employer

1 contribution shall be equal to the amount of the annual required
2 contribution, as determined by an actuary retained by the board.

3 (c) In any fiscal year subsequent to the 2017-2018 fiscal
4 year in which the state public employer's contributions into the
5 fund are less than the amount of the annual required
6 contribution, the amount that represents the excess of the
7 annual required contribution over the state public employer's
8 contributions shall be deposited into the appropriate account of
9 the separate trust fund from a portion of all general excise tax
10 revenues collected by the department of taxation under
11 section 237-31.

12 If any general excise tax revenues are deposited into the
13 separate trust fund in any fiscal year as a result of this
14 subsection, the director of finance shall notify the legislature
15 and governor whether the general fund expenditure ceiling for
16 that fiscal year would have been exceeded if those revenues had
17 been legislatively appropriated instead of deposited without
18 appropriation into the trust fund. The notification shall be
19 submitted within thirty days following the end of the applicable
20 fiscal year.

1 ~~[(d) In any fiscal year subsequent to the 2017-2018 fiscal~~
2 ~~year in which a county public employer's contributions into the~~
3 ~~fund are less than the amount of the annual required~~
4 ~~contribution, the amount that represents the excess of the~~
5 ~~annual required contribution over the county public employer's~~
6 ~~contributions shall be deposited into the fund from a portion of~~
7 ~~all transient accommodations tax revenues collected by the~~
8 ~~department of taxation under section 237D-6.5(b)(4). The~~
9 ~~director of finance shall deduct the amount necessary to meet~~
10 ~~the county public employer's annual required contribution from~~
11 ~~the revenues derived under section 237D-6.5(b)(4) and transfer~~
12 ~~the amount to the board for deposit into the appropriate account~~
13 ~~of the separate trust fund.]~~

14 ~~[(e)]~~ (d) In any fiscal year subsequent to fiscal
15 year 2017-2018 in which a public employer's contributions into
16 the fund are less than the amount of the annual required
17 contribution and the public employer is not entitled to
18 transient accommodations tax revenues sufficient to satisfy the
19 total amount of the annual required contribution, the public
20 employer's contributions shall be deposited into the fund from
21 portions of any other revenues collected on behalf of the public

1 employer or held by the State. The director of finance shall
2 deduct the amount necessary to meet the public employer's annual
3 required contribution from any revenues collected on behalf of
4 the public employer held by the State and transfer the amount to
5 the board for deposit into the appropriate account of the
6 separate trust fund.

7 [~~f~~] (e) For the purposes of this section, "annual
8 required contribution" means a public employer's required
9 contribution to the trust fund established in this section that
10 is sufficient to cover:

- 11 (1) The normal cost, which is the cost of other
12 post-employment benefits attributable to the current
13 year of service; and
14 (2) An amortization payment, which is a catch-up payment
15 for past service costs to fund the unfunded actuarial
16 accrued liability over the next thirty years."

18 amended by amending subsection (a) to read as follows:
