
HOUSE RESOLUTION

REQUESTING THE LEGISLATIVE REFERENCE BUREAU TO CONDUCT A STUDY
REGARDING AFFORDABLE HOUSING IN THE COUNTY OF MAUI.

1 WHEREAS, the shortage of available housing in the State has
2 become a crisis that continues to worsen every year as the
3 demand for housing continues to grow far more rapidly than
4 supply; and

5
6 WHEREAS, in addition, the cost of housing continues to grow
7 faster than the State's median income, resulting in more Hawaii
8 residents being priced out of the housing market; and

9
10 WHEREAS, stable housing is the foundation for a strong
11 middle class; and

12
13 WHEREAS, if the State fails to address this issue, more
14 residents will be forced to move away from Hawaii to obtain
15 housing they can afford; and

16
17 WHEREAS, an October 2020 report from the University of
18 Hawaii Economic Research Organization warned that more Hawaii
19 residents were moving to the mainland in the wake of the
20 coronavirus disease 2019 (COVID-19) pandemic, accelerating a
21 trend that was already occurring due to the State's high cost of
22 living and lack of affordable housing; and

23
24 WHEREAS, although the housing shortage is widely recognized
25 statewide, the need for housing is of particularly great concern
26 to the residents of the County of Maui; and

27
28 WHEREAS, as Hawaii rebuilds its economy from the COVID-19
29 pandemic, it is essential that the State use its limited
30 resources to efficiently and effectively grow the available
31 affordable housing inventory so that housing will be available
32 for the residents of the County of Maui and their families; and
33

1 WHEREAS, better information is needed to understand how to
2 tackle the affordable housing shortage; and

3
4 WHEREAS, policymakers need to know the number of housing
5 units and types of housing that are currently available, the
6 number of housing units that are currently being constructed,
7 and what future housing projects are currently being planned;
8 and

9
10 WHEREAS, moneys used to construct affordable housing comes
11 from a variety of sources, including federal, state, county, and
12 private sources; and

13
14 WHEREAS, to create an effective housing plan, policymakers
15 must know how those different funding sources are being
16 allocated and utilized; now, therefore,

17
18 BE IT RESOLVED by the House of Representatives of the
19 Thirty-first Legislature of the State of Hawaii, Regular Session
20 of 2021, that the Legislative Reference Bureau is requested to
21 conduct a study regarding affordable housing in the County of

- 10 availability of affordable housing in the County of
