# A BILL FOR AN ACT

RELATING TO PROTECTIVE ORDERS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that promoting the safety  
2 of persons granted long-term protective orders is inherent in  
3 the objective of the orders. The legislature further finds that  
4 the current method by which protected individuals can prove the  
5 existence of an order is cumbersome. Protected individuals,  
6 including young minors, need to carry the nine-page documents at  
7 all times. Doing so is not only inconvenient, but may quickly  
8 render the order illegible due to wear and tear.

9           The legislature believes that a better alternative has been  
10 implemented in other states: the option to carry an  
11 identification card the size of a driver's license that provides  
12 all the information needed for law enforcement agencies to  
13 verify a long-term protective order's existence. The  
14 legislature finds that these types of cards, known as "hope  
15 cards", are durable, waterproof, and easily portable. The  
16 cards' functionality serves to increase the safety of the

1 persons protected by these orders by making it easy to carry  
2 proof of protection on a daily basis.

3       The Hawaii hope card program would be responsible for  
4 issuing hope cards to grantees of a long-term protective order,  
5 at a grantee's request, for the purpose of allowing law  
6 enforcement agencies to quickly verify the existence of, and  
7 more easily obtain information on, the long-term protective  
8 order. It is the legislature's intent that hope cards provide a  
9 more convenient method by which protected individuals can prove  
10 that a protective order is in place. The legislature does not  
11 intend that the cards replace the original protective orders  
12 granted by the court.

13       Accordingly, the purpose of this Act is to establish a  
14 Hawaii hope card program within the department of the attorney  
15 general.

16       SECTION 2. Chapter 28, Hawaii Revised Statutes, is amended  
17 by adding a new part to be appropriately designated and to read  
18 as follows:

19                   **"PART       .   HAWAII HOPE CARD PROGRAM**

8 protective order upon which the application is based, the
