# A BILL FOR AN ACT

RELATING TO FIREARMS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that the State has some  
2 of the strongest gun safety laws in the nation, and in 2019  
3 Hawai'i received an A-minus rating from the Giffords Law Center  
4 to Prevent Gun Violence. Additionally, Hawai'i had the third  
5 lowest number of gun deaths per capita among the states in 2019,  
6 according to the Centers for Disease Control and Prevention.  
7 The legislature is committed to protecting the safety and well-  
8 being of its citizens. The fact that Hawai'i still allows any  
9 firearm or rifle with the capacity to fire ammunition of fifty  
10 caliber or higher is inconsistent with this commitment.

11           The purpose of this Act is to prohibit any firearm or rifle  
12 with the capacity to fire ammunition of fifty caliber or higher.

13           SECTION 2. Section 134-8, Hawaii Revised Statutes, is  
14 amended by amending subsection (a) to read as follows:

15           "(a) The manufacture, possession, sale, barter, trade,  
16 gift, transfer, or acquisition of any of the following is  
17 prohibited: assault pistols, except as provided by

1 section 134-4(e); automatic firearms; rifles with barrel lengths  
2 less than sixteen inches; shotguns with barrel lengths less than  
3 eighteen inches; any firearm or rifle with the capacity to fire  
4 ammunition of fifty caliber or higher; cannons; mufflers,  
5 silencers, or devices for deadening or muffling the sound of  
6 discharged firearms; hand grenades, dynamite, blasting caps,  
7 bombs, or bombshells, or other explosives; or any type of  
8 ammunition or any projectile component thereof coated with  
9 [~~teflon~~] Teflon or any other similar coating designed primarily  
10 to enhance its capability to penetrate metal or pierce  
11 protective armor; and any type of ammunition or any projectile  
12 component thereof designed or intended to explode or segment  
13 upon impact with its target."

14 SECTION 3. Statutory material to be repealed is bracketed  
15 and stricken. New statutory material is underscored.

16 SECTION 4. This Act shall take effect upon its approval.
