# A BILL FOR AN ACT

RELATING TO ADVANCED PRACTICE REGISTERED NURSES.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that advanced practice  
2 registered nurses provide a wide variety of health care services  
3 to people across the State. The legislature further finds that  
4 existing law requires each hospital within the State to allow  
5 advanced practice registered nurses to practice at the hospital  
6 within the full scope of their authorized practice, including  
7 practice as primary care providers. Advanced practice  
8 registered nurses are also recognized as participating primary  
9 care providers for insurance purposes under the State's  
10 insurance code. Despite these facts, certain sections of  
11 existing law fail to include advanced practice registered nurses  
12 from definitions or designations of health care entities,  
13 including the lists of those who may examine defendants with  
14 respect to physical or mental disease, disorder, or fitness to  
15 proceed under criminal proceedings, which presently only  
16 includes psychiatrists, licensed psychologists, and qualified  
17 physicians.

1           Accordingly, the purpose of this Act is to improve patient  
2 access to medical care and services by specifying the  
3 circumstances under which advanced practice registered nurses  
4 may practice to the fullest extent of their training and  
5 education to authorize advanced practice registered nurses to  
6 participate in the fitness to proceed process.

7           SECTION 2. Chapter 704, Hawaii Revised Statutes, is  
8 amended by adding a new section to be appropriately designated  
9 and to read as follows:

10           "§704- Definitions of terms in this chapter. In this  
11 chapter, unless a different meaning is plainly required:

12           "Advanced practice registered nurse" means an advanced  
13 practice registered nurse with prescriptive authority licensed  
14 pursuant to section 457-8.6 and who holds an accredited national  
15 certification in an advanced practice registered nurse  
16 psychiatric specialization.

17           "Licensed psychologist" means an individual authorized to  
18 practice psychology under chapter 465 and includes psychologists  
19 exempted from licensure by section 465-3(a)(3).

1       "Qualified advanced practice registered nurse" means a  
2 person licensed pursuant to chapter 457 and qualified by the  
3 court for the specific evaluation ordered.

4       "Qualified physician" means a person licensed to practice  
5 medicine under chapter 453 who is qualified by the court for the  
6 specific evaluation ordered."

7       SECTION 3. Section 704-404, Hawaii Revised Statutes, is  
8 amended by amending subsection (2) to read as follows:

9       "(2) Upon suspension of further proceedings in the  
10 prosecution:

11       (a) In cases where the defendant is charged with a petty  
12 misdemeanor not involving violence or attempted  
13 violence, if a court-based certified examiner is  
14 available, the court shall appoint the court-based  
15 certified examiner to examine and provide an expedited  
16 report solely upon the issue of the defendant's  
17 capacity to understand the proceedings against the  
18 defendant and defendant's ability to assist in the  
19 defendant's own defense. The court-based certified  
20 examiner shall file the examiner's report with the  
21 court within two days of the appointment of the

1 examiner, or as soon thereafter is practicable. A  
2 hearing shall be held to determine if the defendant is  
3 fit to proceed within two days of the filing of the  
4 report, or as soon thereafter as is practicable;

5 (b) In all other nonfelony cases, and where a court-based  
6 certified examiner is not available in cases under  
7 paragraph (a), the court shall appoint one qualified  
8 examiner to examine and report upon the defendant's  
9 fitness to proceed. The court may appoint as the  
10 examiner either a psychiatrist, an advanced practice  
11 registered nurse, or a licensed psychologist  
12 designated by the director of health from within the  
13 department of health; and

14 (c) In felony cases, the court shall appoint three  
15 qualified examiners to examine and report upon the  
16 defendant's fitness to proceed. The court shall  
17 appoint as examiners psychiatrists, licensed  
18 psychologists, advanced practice registered nurses,  
19 qualified advanced practice registered nurses, or  
20 qualified physicians; provided that one of the three  
21 examiners shall be a psychiatrist, advanced practice

1           registered nurse, or licensed psychologist designated  
2           by the director of health from within the department  
3           of health.

4 All examiners shall be appointed from a list of certified  
5 examiners as determined by the department of health. The court,  
6 in appropriate circumstances, may appoint an additional examiner  
7 or examiners. The examination may be conducted while the  
8 defendant is in custody or on release or, in the court's  
9 discretion, when necessary the court may order the defendant to  
10 be committed to a hospital or other suitable facility for the  
11 purpose of the examination for a period not exceeding thirty  
12 days, or a longer period as the court determines to be necessary  
13 for the purpose. The court may direct that one or more  
14 qualified physicians, qualified advanced practice registered  
15 nurses, or psychologists retained by the defendant be permitted  
16 to witness the examination. [~~As used in this section, the term~~  
17 ~~"licensed psychologist" includes psychologists exempted from~~  
18 ~~licensure by section 465 3(a)(3) and "qualified physician" means~~  
19 ~~a physician qualified by the court for the specific evaluation~~  
20 ~~ordered.] "~~

1 SECTION 4. Section 704-406, Hawaii Revised Statutes, is  
2 amended by amending subsection (3) to read as follows:

3 "(3) When the court, on its own motion or upon the  
4 application of the director of health, the prosecuting attorney,  
5 or the defendant, has reason to believe that the defendant has  
6 regained fitness to proceed, for a defendant charged with the  
7 offense of murder in the first or second degree, attempted  
8 murder in the first or second degree, or a class A felony, the  
9 court shall appoint three qualified examiners and may appoint in  
10 all other cases one qualified examiner, to examine and report  
11 upon the physical and mental condition of the defendant. In  
12 cases in which the defendant has been charged with murder in the  
13 first or second degree, attempted murder in the first or second  
14 degree, or a class A felony, the court shall appoint as  
15 examiners at least one psychiatrist and at least one licensed  
16 psychologist. The third examiner may be a psychiatrist,  
17 licensed psychologist, advanced practice registered nurse,  
18 qualified advanced practice registered nurse, or qualified  
19 physician. One of the three examiners shall be a psychiatrist  
20 or licensed psychologist designated by the director of health  
21 from within the department of health. In all other cases, the

1 one qualified examiner shall be a psychiatrist or licensed  
2 psychologist designated by the director of health from within  
3 the department of health. The court, in appropriate  
4 circumstances, may appoint an additional examiner or examiners.  
5 All examiners shall be appointed from a list of certified  
6 examiners as determined by the department of health. After a  
7 hearing, if a hearing is requested, if the court determines that  
8 the defendant has regained fitness to proceed, the penal  
9 proceeding shall be resumed and the defendant shall no longer be  
10 committed to the custody of the director of health. In cases  
11 where a defendant is charged with the offense of murder in the  
12 first or second degree, attempted murder in the first or second  
13 degree, or a class A felony, upon the request of the prosecuting  
14 attorney or the defendant, and in consideration of information  
15 provided by the defendant's clinical team, the court may order  
16 that the defendant remain in the custody of the director of  
17 health, for good cause shown, subject to bail or until a  
18 judgment on the verdict or a finding of guilt after a plea of  
19 guilty or nolo contendere. Thereafter, the court may consider a  
20 request from the director of health to rescind its order  
21 maintaining the defendant in the director's custody, for good

1 cause shown. [~~As used in this section, the term "qualified~~  
2 ~~physician" means a physician qualified by the court for the~~  
3 ~~specific evaluation ordered.~~] If, however, the court is of the  
4 view that so much time has elapsed since the commitment or  
5 release on conditions of the defendant that it would be unjust  
6 to resume the proceeding, the court may dismiss the charge and:

- 7 (a) Order the defendant to be discharged;
- 8 (b) Subject to section 334-60.2 regarding involuntary  
9 hospitalization criteria, order the defendant to be  
10 committed to the custody of the director of health to  
11 be placed in an appropriate institution for detention,  
12 care, and treatment; or
- 13 (c) Subject to section 334-121 regarding assisted  
14 community treatment criteria, order the defendant to  
15 be released on conditions the court determines  
16 necessary."

17 SECTION 5. Section 704-407.5, Hawaii Revised Statutes, is  
18 amended by amending subsection (2) to read as follows:

19 "(2) For those cases not diverted by an agreement pursuant  
20 to subsection (1), the court shall appoint three qualified  
21 examiners for class A and class B felonies, as well as for class

1 C felonies involving violence or attempted violence, and one  
2 qualified examiner in nonfelony cases to examine and report upon  
3 the physical or mental disease, disorder, or defect of the  
4 defendant at the time of the conduct. For class C felonies not  
5 involving violence or attempted violence, the court may appoint  
6 one or three qualified examiners to examine and report upon the  
7 physical or mental disease, disorder, or defect of the defendant  
8 at the time of the conduct. In cases where the court appoints  
9 three examiners, the court shall appoint as examiners  
10 psychiatrists, licensed psychologists, advanced practice  
11 registered nurses, qualified advanced practice registered  
12 nurses, or qualified physicians; provided that one of the three  
13 examiners shall be a psychiatrist, advanced practice registered  
14 nurse, or licensed psychologist designated by the director of  
15 health from within the department of health. In nonfelony cases  
16 and class C felonies not involving violence or attempted  
17 violence where one examiner is appointed, the court may appoint  
18 as examiners either a psychiatrist, advanced practice registered  
19 nurse, or a licensed psychologist. The examiner may be  
20 designated by the director of health from within the department  
21 of health. All examiners shall be appointed from a list of

1 certified examiners as determined by the department of health.  
2 The court, in appropriate circumstances, may appoint an  
3 additional examiner or examiners. The court may direct that one

8 ~~"qualified physician" means a physician qualified by the court~~  
9 ~~for the specific evaluation ordered.] "~~

14 section 704-404, the defendant wishes to be examined by one or  
15 more qualified physicians, advanced practice registered nurses,  
16 qualified advanced practice registered nurses, or other experts  
17 of the defendant's own choice, such examiner or examiners shall  
18 be permitted to have reasonable access to the defendant for the  
19 purposes of such examination."

4 defendant, or the court. If the issue is being tried before a  
5 jury, the jury may be informed that the examiners or any of them  
6 were designated by the court or by the director of health at the  
7 request of the court, as the case may be. If called by the  
8 court, the witness shall be subject to cross-examination by the  
9 prosecution and the defendant. Both the prosecution and the  
10 defendant may summon any other qualified physician, advanced  
11 practice registered nurse, qualified advanced practice  
12 registered nurse, or licensed psychologist or other expert to  
13 testify, but no one who has not examined the defendant shall be  
14 competent to testify to an expert opinion with respect to the  
15 physical or mental condition of the defendant, as distinguished  
16 from the validity of the procedure followed by, or the general  
17 scientific propositions stated by, another witness."

18           SECTION 8. Section 704-411, Hawaii Revised Statutes, is
