
A BILL FOR AN ACT

RELATING TO TRANSPORTATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that Hawaii is one of the
2 most beautiful places on the planet, with breathtaking
3 landscapes, lush tropical forests, and rich ocean resources.
4 The State is home to amazing ecosystems that include a unique
5 mix of flora and fauna, including dozens of endemic Hawaiian
6 birds that can be found nowhere else on earth; approximately
7 one thousand four hundred species of native plants,
8 ninety per cent of which are endemic to the State; and familiar
9 marine mammals that are closely associated with the State,
10 including the Hawaiian monk seal and humpback whale.

11 The legislature also finds that state residents understand
12 the importance of these unique resources and appreciate their
13 value. More specifically, residents appreciate the beloved
14 native and endemic plants and animals of Hawaii, strongly
15 believe that these resources must be preserved for future
16 generations, and support opportunities to directly contribute to
17 the conservation of these critical resources.

1 Accordingly, the purpose of this Act is to:

2 (1) Establish special number motor vehicle license plates
3 that commemorate the importance of forest and ocean
4 conservation, and use proceeds from the special number
5 plate program to fund conservation efforts for the
6 State's beaches, nearshore environments, and forests;
7 and

8 (2) Increase initial application and renewal fees for
9 special number plates.

10 SECTION 2. Chapter 249, Hawaii Revised Statutes, is
11 amended by adding a new section to be appropriately designated
12 and to read as follows:

14 conservation; authorized. (a) Notwithstanding any law to the
15 contrary, the director of finance shall issue to any registered
16 owner of a motor vehicle, who is a resident of the State and has

18 to the motor vehicle in lieu of the uniform state number plate.

19 (e) The director of finance shall charge a special number
20 plate fee at least equal to the county's cost of providing the
21 special number plate and administrative costs, if any, plus a

1 fundraising fee of either \$100 or \$200; provided that the
2 director of finance shall issue a separate number plate design
3 for each fundraising fee amount. The special number plate fee
4 and fundraising fee established by this subsection shall be in
5 addition to any other state or county fees collected for a motor
6 vehicle registration or license plate.

7 number plates is less than one hundred fifty within three years
8 of issuance of the first special number plate.

9 (i) Nothing in this section shall be construed to apply to
10 any plates issued pursuant to section 249-9.2.

11 (j) For the purposes of this section, unless a different
