# A BILL FOR AN ACT

RELATING TO TRANSPORTATION.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that Hawaii is one of the  
2 most beautiful places on the planet, with breathtaking  
3 landscapes, lush tropical forests, and rich ocean resources.  
4 The State is home to amazing ecosystems that include a unique  
5 mix of flora and fauna, including dozens of endemic Hawaiian  
6 birds that can be found nowhere else on earth; approximately one  
7 thousand four hundred species of native plants, ninety per cent  
8 of which are endemic to the State; and familiar marine mammals  
9 that are closely associated with the State, including the  
10 Hawaiian monk seal and humpback whale.

11           The legislature also finds that state residents understand  
12 the importance of these unique resources and appreciate their  
13 value. More specifically, residents appreciate the beloved  
14 native and endemic plants and animals of Hawaii, strongly  
15 believe that these resources must be preserved for future  
16 generations, and support opportunities to directly contribute to  
17 the conservation of these critical resources.

1           Accordingly, the purpose of this Act is to establish  
2 special number motor vehicle license plates that commemorate the  
3 importance of forest and ocean conservation, and to use proceeds  
4 from the special number plate program to fund conservation  
5 efforts for the State's beaches, nearshore environments, and  
6 forests.

7           SECTION 2. Chapter 249, Hawaii Revised Statutes, is  
8 amended by adding a new section to be appropriately designated  
9 and to read as follows:

11 conservation; authorized. (a) Notwithstanding any law to the  
12 contrary, the director of finance shall issue to any registered  
13 owner of a motor vehicle, who is a resident of the State and has  
14 completed the application and paid the required fees, special  
15 number plates for the registered owner's motor vehicle  
16 commemorating the importance of forest and ocean conservation.

17           (b) The director of finance of the city and county of  
18 Honolulu, in consultation with the directors of finance of the  
19 counties of Kauai, Maui, and Hawaii, the chiefs of police of the  
20 city and county of Honolulu, and the counties of Kauai, Maui,  
21 and Hawaii, and the chairperson of the board of land and natural

8 correspond to the two fundraising fee amounts described in  
9 subsection (e). Each design shall:

10       contrary to state civil rights laws.
- 11       (d) Each special number plate shall be securely fastened  
12       to the motor vehicle in lieu of the uniform state number plate.
- 13       (e) The director of finance shall charge a special number  
14       plate fee at least equal to the county's cost of providing the

17 section 171-156(b)(1), Hawaii Revised Statutes.
