20 deployment, and data-driven policy.

1 § -4 Broadband planning and coordination; cooperation.

2 (a) The office shall:

3 (1) Seek input and the widest possible cooperation from
4 public and private agencies and individuals to achieve
5 the purposes of this chapter;

6 (2) Work closely with and assist the counties in the
7 promotion of coordinated state and county broadband
8 planning;

9 (3) Encourage every state department, county agency, and
10 other public or private agencies and individuals
11 involved in broadband programs to participate in the
12 activities of the office and incorporate, to the
13 extent feasible, the ideas and suggestions of the
14 participants in the office's comprehensive planning
15 goals;

16 (4) Monitor the broadband-based development efforts of
17 other states and nations in areas such as business,
18 education, and health;

19 (5) Advise the department on other states' best practices
20 involving remote work promotion and policies and
21 strategies related to making affordable broadband

1 services available to every home and business in the
2 State;

3 (6) Monitor broadband-related activities at the federal
4 level;

5 (7) Encourage public-private partnerships to increase the
6 deployment and adoption of broadband services and
7 applications;

8 (8) Monitor regulatory and policy changes for potential
9 impact on broadband deployment and sustainability in
10 the State, and

11 (9) Advise the director of business, economic development,
12 and tourism on broadband deployment.

13 (b) Nothing in this section shall be construed to delegate
14 or detract in any way from the functions, powers, and duties
15 conferred by law or rule on any department or agency of the
16 State or county."

17 SECTION 2. There is appropriated out of the general
