
SENATE CONCURRENT RESOLUTION

REQUESTING THE LEGISLATIVE REFERENCE BUREAU, IN CONSULTATION WITH THE DEPARTMENT OF BUDGET AND FINANCE AND OFFICE OF ENTERPRISE TECHNOLOGY SERVICES, TO IDENTIFY STEPS THAT WOULD BE REQUIRED TO DEVELOP AN AUTOMATED SYSTEM TO TRACK STUDIES, FUNDS APPROPRIATED FOR STUDIES, AND SUBMISSION STATUS OF REPORTS TO THE LEGISLATURE.

1 WHEREAS, between 2015 and 2020, the Legislature
2 appropriated funds and required reports in one hundred Acts; and
3

4 WHEREAS, of those one hundred required reports, thirteen
5 reports were not submitted; of those thirteen, ten reports were
6 funded and not delivered; and
7

8 WHEREAS, Act 71, Session Laws of Hawaii 2015, appropriated
9 \$30,000 for fiscal year 2015-2016 and \$15,000 for fiscal year
10 2016-2017 to be expended by the Department of Health to report
11 to the Legislature on the status of the civil monetary penalty
12 special fund, which report has not been submitted to the
13 Legislature; and
14

15 WHEREAS, Act 194, Session Laws of Hawaii 2016, appropriated
16 \$2,000,000 out of the general revenues of the State of Hawaii
17 for fiscal year 2016-2017 for positions and other operating
18 expenditures of the Roads Commission and for repair work,
19 including flood mitigation, installation of drainage
20 infrastructure, and road resurfacing; however, the Roads
21 Commission was never established, the appropriation lapsed, and
22 no report was submitted; and
23

24 WHEREAS, Act 231, Session Laws of Hawaii 2001, required the
25 Legislative Reference Bureau to develop a system to track and
26 monitor the submission of reports to the Legislature by
27 executive agencies and the Judiciary, and specified that the
28 system encompass all annual and other reports required by law to

1 be submitted to the Legislature or requested by legislative
2 resolution; and
3

4 WHEREAS, in 2018, the Legislature began accepting reports
5 filed electronically, yet the Legislative Reference Bureau still
6 cannot identify the status of pending reports, largely due to
7 its manual filing system which is geared towards receiving and
8 filing reports rather than tracking report status; and
9

10 WHEREAS, the Department of Budget and Finance also cannot
11 ascertain the status of funded studies; and
12

13 WHEREAS, the Office of Enterprise Technology Services
14 developed a Capital Improvement Project Dashboard tracking
15 system that tracks the amount of CIP funds encumbered and
16 expended by department and by month, and allows citizens to see
17 how the funds raised by bond issues are being spent, by whom,
18 and when; now, therefore,
19

20 BE IT RESOLVED by the Senate of the Thirty-first
21 Legislature of the State of Hawaii, Regular Session of 2021, the
22 House of Representatives concurring, that the Legislative
23 Reference Bureau, in consultation with the Department of Budget
24 and Finance and Office of Enterprise Technology Services, is
25 requested to:
26

27 (1) Identify steps that would be required to develop an
28 automated system to track studies, funds appropriated
29 for studies, and submission status of reports to the
30 Legislature; and
31

32 (2) Obtain an estimate of costs for developing and
33 maintaining the automated system; and
34

35 BE IT FURTHER RESOLVED that the Legislative Reference
36 Bureau is requested to submit a report of its findings and
37 recommendations to the Legislature no later than twenty days
38 prior to the convening of the Regular Session of 2022; and
39

40 BE IT FURTHER RESOLVED that certified copies of this
41 Concurrent Resolution be transmitted to the Director of the

- 1 Legislative Reference Bureau, Director of Budget and Finance,
- 2 and Chief Information Officer.
