STAND. COM. REP. NO. 274

Honolulu, Hawaii FEB 17 , ²⁰²¹

RE: H.B. No. 1059

Honorable Scott K. Saiki Speaker, House of Representatives Thirty-First State Legislature Regular Session of 2021 State of Hawaii

Sir:

Your Committee on Transportation, to which was referred H.B. No. 1059 entitled:

"A BILL FOR AN ACT RELATING TO TRANSPORTATION,"

begs leave to report as follows:

2021-1715 HB1059 HSCR HMSO

The purpose of this measure is to repeal certain obsolete or unnecessary statutes, which include the Transportation Improvement Special Fund, Kewalo Basin and Honolulu Harbor use permits, and fireboat maintenance requirements.

Your Committee received testimony in support of this measure from the Department of Transportation.

Your Committee finds that there are certain provisions in the Hawaii Revised Statutes relating to the Department of Transportation that are either obsolete or no longer necessary. This includes the Transportation Improvement Special Fund, which currently has no funds remaining because all improvement projects are completed, and the Kewalo Basin and Honolulu Harbor use permits, which are no longer under the purview of the Department of Transportation. In addition, the Department of Transportation no longer owns any fireboats, making any statutory language relating to this unnecessary. This measure will act as a housekeeping measure by deleting unnecessary provisions in statute.

STAND. COM. REP. NO. 274 Page 2

As affirmed by the record of votes of the members of your Committee on Transportation that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1059 and recommends that it pass Second Reading and be referred to your Committee on Finance.

> Respectfully submitted on behalf of the members of the Committee on Transportation,

HENRY J.C. AQUINO, Chair

State of Hawaii House of Representatives The Thirty-first Legislature
