Your Committee received testimony in support of this measure from the Department of Accounting and General Services, Stadium Authority, Chamber of Commerce Hawaii, Hawaii Laborers and Employers Cooperation and Education Trust Fund, Pacific Resource Partnership, Hawaii Operating Engineers Industry Stabilization Fund, Hawai'i Construction Alliance, Operative Plasterers' and Cement Masons' International Association Local 630, Hawaii Laborers' Union Local 368, and two individuals. Your Committee finds that effective development of the Stadium Development District is crucial to the State, however, further clarification of the roles and collaboration between the Stadium Authority and the Hawaii Community Development Authority in the district is necessary as this measure progresses.

Your Committee has amended this measure by:

- (1) Clarifying that the Stadium Authority has the power to construct within the Stadium Development District;
- (2) Removing the provisions that exempted the Stadium Authority from the public notice, public hearing, and gubernatorial approval requirements in establishing or amending fees or charges to be deposited into the Stadium Development Special Fund;
- (3) Specifying that the Stadium Authority shall enter into a memorandum of agreement with the Hawaii Community Development Authority regarding the implementation responsibilities of the respective agencies;
- (4) Changing the effective date to January 1, 2050, to encourage further discussion; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Water & Land that is attached to this report, your Committee is in accord with the intent and purpose of H.B.
