

STAND. COM. REP. NO.

1286

Honolulu, Hawaii

MAR 24 , 2021

RE: H.R. No. 124

Honorable Scott K. Saiki  
Speaker, House of Representatives  
Thirty-First State Legislature  
Regular Session of 2021  
State of Hawaii

Sir:

Your Committee on Health, Human Services, & Homelessness, to which was referred H.R. No. 124 entitled:

"HOUSE RESOLUTION REQUESTING THE DEPARTMENT OF HEALTH TO EXPLORE WAYS IT CAN EXERCISE OVERSIGHT OVER COMMUNITY HEALTH CENTERS AND OTHER MEDICAL SERVICE ENTITIES WHEN A DANGER TO THE COMMUNITY'S HEALTH EXISTS,"

begs leave to report as follows:

The purpose of this measure is to request the Department of Health to explore ways it can exercise oversight over community health centers, dental clinics, and other medical service entities when a danger to the community's health exists.

Your Committee received testimony in opposition to this measure from Molokai Ohana Health Care, Inc. Your Committee received comments on this measure from the Hawai'i Primary Care Association.

Your Committee finds that community health centers provide critical health care services in federally recognized areas where residents face barriers to obtaining health care. Your Committee further finds that the Department of Health should explore additional options to ensure there is proper oversight of community health centers or other medical service entities, so that the Department can adequately respond when incidents, such as

2021-2713 HR124 HSCR HMSO

closures due to lack of staffing at community health centers, result in a danger to the public health.

As affirmed by the record of votes of the members of your Committee on Health, Human Services, & Homelessness that is attached to this report, your Committee concurs with the intent and purpose of H.R. No. 124 and recommends that it be referred to your Committee on Finance.

Respectfully submitted on  
behalf of the members of the  
Committee on Health, Human  
Services, & Homelessness,

---

RYAN I. YAMANE, Chair
