

STAND. COM. REP. NO. 1430

Honolulu, Hawaii

MAR 30 2021

RE: S.C.R. No. 173
S.D. 1

Honorable Ronald D. Kouchi
President of the Senate
Thirty-First State Legislature
Regular Session of 2021
State of Hawaii

Sir:

Your Committee on Transportation, to which was referred
S.C.R. No. 173 entitled:

"SENATE CONCURRENT RESOLUTION REQUESTING THE DEPARTMENT OF
TRANSPORTATION TO INITIATE THREE INNOVATIVE PILOT PROJECTS OF
MEANINGFUL SCALE TO MODERNIZE TRANSPORTATION INFRASTRUCTURE
IN UNDERSERVED COMMUNITIES,"

begs leave to report as follows:

The purpose and intent of this measure is to request the
Department of Transportation to initiate three innovative pilot
projects of meaningful scale to modernize transportation
infrastructure in undeserved communities.

Your Committee received testimony in support of this measure
from the Department of Transportation and one individual.

Your Committee finds that the State should move away from
auto-centric transportation policies and instead should modernize
ground transportation infrastructure by incorporating safer,
protected walking and biking infrastructure. This measure will
help residents reduce the cost of living, improve their quality of
life, and stimulate the economy by encouraging the Department of
Transportation and the county partner agencies to execute three
new innovative pilot projects of meaningful scale that will
improve ground transportation infrastructure.

Your Committee has amended this measure by:

- (1) Adding language referencing federal infrastructure priorities and support;
- (2) Requesting that county departments of transportation participate with the state Department of Transportation to prioritize and execute three pilot ground transportation projects; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Transportation that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 173, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 173, S.D. 1.

Respectfully submitted on
behalf of the members of the
Committee on Transportation,

CHRIS LEE, Chair

The Senate
 Thirty-First Legislature
 State of Hawai'i
