

STAND. COM. REP. NO. 1505

Honolulu, Hawaii

MAR 30 2021

RE: S.C.R. No. 211
S.D. 2

Honorable Ronald D. Kouchi
President of the Senate
Thirty-First State Legislature
Regular Session of 2021
State of Hawaii

Sir:

Your Committee on Ways and Means, to which was referred
S.C.R. No. 211, S.D. 1, entitled:

"SENATE CONCURRENT RESOLUTION URGING THE DEPARTMENT OF HUMAN
RESOURCES DEVELOPMENT AND DEPARTMENT OF EDUCATION TO
ESTABLISH AND OFFER A QUALIFIED ROTH CONTRIBUTION PROGRAM TO
THEIR RETIREMENT PLAN PARTICIPANTS,"

begs leave to report as follows:

The purpose and intent of this measure is to urge the
Department of Human Resources Development and the Department of
Education to establish and offer a qualified Roth contribution
program to their retirement plan participants.

Your Committee received written comments in support of this
measure from one individual.

Your Committee received written comments on this measure from
the Department of Human Resources Development.

Your Committee finds that all retirement plans currently
offered to state employees are traditional retirement plans that
deduct contributions from the employee's pre-tax income, and
therefore reduce the employee's taxable income and federal and
state tax burden for that current year. However, all future
distributions, including capital gains in the account, are treated
as taxable income at the time of withdrawal.

Your Committee also finds that section 402A of the Internal Revenue Code allows certain employer retirement plans to have a qualified Roth contribution program, under which plan participants may designate some or all of their retirement contributions as designated Roth contributions and have them placed into their designated Roth accounts. Unlike traditional pre-tax retirement contributions, an employee's designated Roth contribution is included in the employee's gross income in the year the contribution is made, while qualified distributions from the designated Roth account, including capital gains in the account, are not treated as taxable income at the time of withdrawal.

Your Committee further finds that the option of a designated Roth account will benefit many plan participants, especially employees whose retirement distributions will not occur until decades later, as the exclusion from taxable income of distributions from and capital gains accumulated in a designated Roth account may result in greater tax savings than the amount of tax that would be saved by making pre-tax contributions into a traditional retirement plan.

Your Committee has amended this measure by changing the program implementation date from July 1, 2022, to July 1, 2023.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 211, S.D. 1, as amended herein, and recommends its adoption in the form attached hereto as S.C.R. No. 211, S.D. 2.

Respectfully submitted on
behalf of the members of the
Committee on Ways and Means,

DONOVAN M. DELA CRUZ, Chair

The Senate
Thirty-First Legislature
State of Hawai'i
