Skills

- Proofreading complex crash reports
- Proofreading citations issued in violation of State and County laws
- Interpreting evidence left at crash scenes
- Certified Crash Reconstructionist
- Certified Laser speed detection device instructor
- Works well with others to determine what occurred at complex crime / crash scenes
- Works well with others to devise strategies and solutions to highway safety concerns
- Willing and able to assume the lead in unfamiliar situations

Experience

Kauai Police Department | Lihue, HI
Sergeant, Traffic Safety Section
12/1999 - Current

Daily I review all citations issued by officers of the department and ensure that they are filled out correctly. I also review all major (damages in excess of \$3000 and/or any injuries) crash reports and Impaired driving arrest reports submitted by officers.

I am the supervisor for the Traffic Safety Section. I do the scheduling for the section to ensure we are adequately using our available manpower. The Traffic Safety Unit also responds to the scenes of serious injury or fatal crashes, where I would be the scene supervisor and ensure all relevant evidence is noted and collected. I also review and correct all technical crash reports submitted by members of the Traffic Safety Section

I also assist in the Traffic Safety portion of the training of Police candidates to include Traffic Control, use of Laser speed detection device, Standardized Field Sobriety Test, Intoxilyzer operation.

Since October 2018 I have been assigned as the Acting Lieutenant for the Traffic Safety Section. My duties as the acting Lieutenant have included Commanding the Traffic Safety Section. Preparing and managing federal grants issued through the Department of Transportation. Meeting monthly with the traffic commanders from the other counties within the state and other members of the traffic safety community to discuss traffic safety problems and remedies.
