

Summary

Working and collaborating with others with differing views and approaches to a resolution within EIS/Rules guidelines are traits I enjoy and will share with this council, and liaison between the public and OEQC Director.

Highlights

Community service has been a part of life over the past 35 years. Testified and participated in numerous County and State public hearings/meetings advocating for community needs and especially environmental protections of all possible natural, cultural, historical, sacred sites, etc. be respected, conserved and preserved to sustain a healthy and a quality filled life for future generations to enjoy and know.

Experience

Served my first term on DOH/OEQC Environmental Council on June 2017-June 2020. During those three years, I worked with 14 other environmental Council members updating and promulgating the previous HAR Chapter 11-200 Environmental Impact Statement Rules to the current, newly adopted, and signed by Gov. Ige in 2019 Hawai'i Administrative Rules Chapter 11-200.1 Environmental Impact Statement Rules.

Secretary and member of Hui Malama O Kaneioulouma, a 501-c3 non profit organization, and the first Kaua'i County Stewardship Agreement of the Kaneioulouma Heiau Complex at Poipu, Kaua'i. (Late Nineties to Current)

County of Kaua'i Public Access, Open Space, Natural Resources Preservation Fund Commission, one of 9 appointed commission members to identify and recommend through a community-based process for the expenditure of funds to acquire entitlements for conservation purposes. (2005-2012)

Lawa'i Kai Advisory Committee, one of 23-community member group. NTBG- National Tropical Botanical Gardens development proposal to create a special sub-zone within the Conservation District of the State of Hawai'i at Lawa'i Kauai, Kaua'i, and a management structure that will create a partnership with private landowner (NTBG), the State of Hawai'i (DLNR) and the Lawa'i Kai Advisory Committee and created the Lawa'i Kai Special Sub-zone Master Plan and Management Plan for 2010-2030. This plan creates a true ahupua'a-based management strategy that effectively integrates resources (cultural, terrestrial, aquatic, marine) and balance the management of these resources with desires to see this area used for conservation research, education, and limited recreation. Signed by Gov. Abercrombie in 2010. (2007-2010)

Board member of Koloa Community Assn. a 501-c4 , advocating community needs and concerns (before new development or changes occurs) at County/State public hearing meetings. (Late Seventies to Current)
