

Objective: *Seasoned counselor, teacher and tech-savvy program manager with disability, cross-cultural, returning student and veteran experience seeks Counseling position with Hawai'i Community College*

Key Strengths:

- Resourceful career counselor with 15 years of counseling experience focusing on students and clients with barriers to education and employment
- Professional post-secondary teacher and trainer, adept at working with adult students from diverse socioeconomic and multicultural backgrounds
- Effective writer and solutions-finder, as visible in grants received from state and city governments to fund career development programs

COUNSELING/ADVISING EXPERIENCE:

- Provided career counseling for returning, non-traditional and veteran students of UC Berkeley with and without disabilities who faced barriers to continued education and employment
- Monitored and evaluated students' career related needs and readiness; provided and coordinated appropriate interventions, resources and recommendations
- Planned and implemented student resource orientations and mentoring events, program information sessions, career development and job search workshops as part of a counseling team and individually
- Bridged connections between university services (financial aid, veteran services, general career counselors and academic advisors) and community-based and government organizations to ensure students received the full range of financial, academic and emotional support necessary to complete college
- Advocated on students' behalf as necessary by coordinating crucial accommodations, disability transportation, benefits planning and employment-related services and referrals
- Taught career development courses at UC Berkeley for students and recent graduates
- Assisted with "drop-ins" and advising for all students including special populations, on job search techniques, resume and cover letter development as well as opportunities for success and obtaining workplace support through community and campus resources
- Identified and recruited target populations to participate in career, personal and professional development programs as well as student mentoring programs
- Maintained student records to track progress and provide appropriate services
- Served on campus, community and employment-related committees and worked with other campus and community departments on special projects and events

PROGRAM MANAGEMENT EXPERIENCE:

- Recruited, interviewed and trained career development student advisors and peer mentors
- Managed the peer mentoring program: coordinated pairing between students and student advisors, coordinated records, reporting, scheduling and outreach, including the peer blog
- Served on Career Center recruiting and interview teams, hiring new career counselors
- Monitored, negotiated, allocated and evaluated \$280,000 budget, oversaw monthly invoicing and review reporting accuracy for UC Berkeley financial systems as well as the Department of Vocational Rehabilitation
- Successfully identified and cultivated relationships with local businesses and community-based organizations which led to internship opportunities and careers for students

TEACHING EXPERIENCE:

- English as a Second Language (ESL) educator for adult students ranging from Tokyo corporate clients and Macanese continuing education students to Taiwanese rural rice farmers
- Designed and implemented hundreds of cross-cultural, business skill and language development training programs for over 20 multi-national corporations
- Developed and delivered cross-cultural, post-arrival, pre-departure and re-entry trainings
- Facilitated the education of approximately 150 students from 21 countries as a full-time general 2nd grade teacher and 5th grade social studies teacher
- Designed and delivered website development classes for grades 3-12, teaching students to build their own websites and develop personal online portfolios
- Taught beginning American Sign Language (ASL), ESL, and Japanese from grades pre-K-12
- Substitute-taught from 9th grade through 12th in bi-lingual (Spanish/English, Mandarin/English) and standard-English schools

BLOGGING/SOCIAL MEDIA/TECHNICAL EXPERIENCE:

- Research, design and write blog posts on disability, parenting and resources, reaching 30,000-100,000 readers a month
- Utilized expert SEO practices to build website, readership, and subscribers
- Huffington Post regular contributor, featured writer for news.com, Scary Mommy and other web-based publications
- Self-structured Word Press website, Google rank of 40 (out of 100); social media connecting accounts reaching a minimum of 5,000-10,000 people daily
