Re: Haku Crane & Rigging, LLC, Letter of Interest

To Whom it may Concern,

My name is Jachrystal (JC Fiero). I have owned and operated Haku Crane & Rigging, LLC for the last 23 years here in Honolulu, Hawaii. Before that I started operating boom truck cranes for a company called Tow Boat Services for about 4 years. At that time there was no certification for operators, we just got on the job training and were told to read the operators manual.

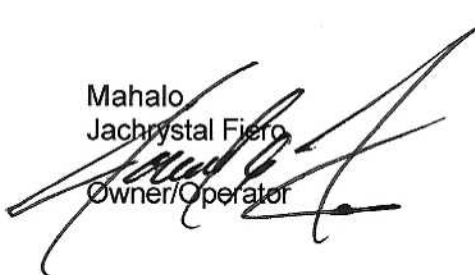

I the last 15 years or so we now have the NCCCO certification process. Since my first certification over 15 years ago I have learned and implemented a lot about safer and proper crane operations. I have managed and implemented jobsite safety to all my jobs relative to the task at hand.

In the past 23 years I have coordinated such lifts as Radio & Antenna towers lift and placements, HVAC units, worked on countless movie and TV sets with the stunt and construction departments managing the safety of those and other various jobs.

I strongly support the certification of crane operators and how it has made the industry a much safer place to work. And would like to help in any way I can to make Hawaii's Crane industry a much safer place to work.

Thank you for your consideration,

Mahalo  
Jachrystal Fiero

Re: Jachrystal Fiero

To Whom it may Concern,

I am writing you this letter to share with you my personal knowledge of Jachrystal Fiero, who I know as JC.

I have known JC for the past 15 years. We have shared many of those years bonding more as a family rather than just friends. In these past years I have learned that JC is a very dedicated, trustworthy, and honest man who values his family and friends deeply.

JC is also one of the hardest working man I know. For as long as I can remember, he has been up early always working hard to be the best at what he does, and I honestly believe he is.

JC is someone you can count on in every way I can think of. A great father and provider, a terrific friend, and a man with integrity. I believe having him on your board will be of great value.

Should you have any questions, you may contact me on my direct line at 808-722-5490.

Thank you,

## Testimony for a seat in the Hoisting Machine Operators Advisory Board for Jachrystal Edward Fiero

To Whom it may concern,

This is my testimony on why Jachrystal "JC" Fiero should secure a position as a Board Member on the Hoisting Machine Operators Advisory Board.

The discussion should be why is he not already on the Board. Most of his adult life has been dedicated to the Crane Industry. 20 plus years ago, he operated the Boom truck as well as the boat cranes for Tow Boat services in Honolulu and then started his own Company with a Boom truck he found sitting in the corner of a yard left to rot. JC saw an opportunity to make a living around Hoisting and craning on Oahu and has never looked back. He has grown his Company to a successful business flying high in the skies of Honolulu.

As a person JC is hard working, passionate man with a big heart and I think he would bring a lot of value, expertise and passion to this Board members seat. The man lives and breathes cranes, always talking about the business. It's a no brainer that the progression of JC's career is to have a seat on the Hoisting Machine Operators Advisory Board.

Sincerely,

A handwritten signature in black ink, appearing to read "Nick A. Fiero", with a stylized flourish at the end.

Nick A. Fiero

Comments:

Dear Senator Brian Taniguchi and Senator Les Ihara,

I have known Jachrystal Fiero for more than 10 years. He and I met when I became his neighbor.

Jachrystal is one of the most dedicated, hardworking and genuine hearted persons I've had the pleasure of knowing. Even though we haven't been neighbors for three years now we still keep in touch and check-in frequently to see how each other is doing.

He is also a very compassionate, kind and never misses an opportunity to help others and encourage people to be their best. There were a few years when we would volunteer to help cook and provide complete Thanksgiving or Christmas meals for all families of Ronald McDonald House in Manoa, he would without hesitation be there to pitch in his highly touted culinary skills and time. I've also known him to volunteer his time and talents for Toys for Tots and Make-a-Wish Foundation every year since I've known him.

Jachrystal is the type of person you can count on to keep a cool head in any stressful situation and his positive attitude is contagious.

For these reasons, I recommend Jachrystal Fiero for the Hoisting Machine Operator's Advisory Board and believe he would be valuable asset to any organization fortunate enough to have him on their team.

If you have any questions or concerns, please feel free to contact me.

Respectfully,

Pete Castillo

Comments:

Aloha,

I have known Jacheystal 'JC' Fiero for 7 years and for the past 3 years have worked in a professional environment with him.

JC is not only a confident, successful business owner, but also a safe, knowledgeable crane operator. I know that when he is on a job that safety is his number one concern and that those that work around him know what is expected of them. With these attributes only, JC will be valuable to HMOAB.

Please consider this my testimony in support of Jacheystal Fiero.

RE: Testimony **GM714**

To Whom it May Concern,

I have been in the crane industry for 20 years.

I have worked with Jachrystal Fiero through these 20 years.

It is with great pleasure that I recommend him for the Advisory Board.

He has always displayed a high degree of integrity, responsibility, and ambition.

He has good judgment and mature outlook ensure a logical and practical approach to his endeavors.

Jachrystal Fiero would be an asset to any organization, and I am happy to give him my wholehearted endorsement.

Sincerely,  
Tammy Woods
