Ka `Ohana O Kalaupapa

Re: Support for SB697 SD1 HD1, Relating to Kalaupapa Month

Good morning, my name is Joseph Lapilio. I am the Executive Director of Ka `Ohana O Kalaupapa, an organization founded by patient residents of the Kalaupapa community and formally registered as a 501(c)3 non-profit in 2003.

I am proud to share that I am a direct descendent of Bonepake Lapilio and Louisa Lui, both of whom sent to Kalaupapa as young children, later met, married, and had seven children there. Bonepake and Louisa are my great grandparents. I like to think I am here today to speak on their behalf and in support and recognition of the more than 8,000 people who went to Kalaupapa between 1866 and 1969.

Ka 'Ohana O Kalaupapa is asking the Legislature to designate January as Kalaupapa Month in Hawai`i so that it will be observed annually.

No month contains no more important dates throughout the history of Kalaupapa than the month of January. This is the month when the first 12 people were sent to Kalaupapa in 1866; the month of the birthdays of Father Damien and Mother Marianne who have both been canonized; the month when the United Church of Christ celebrates Kalaupapa Sunday – and other important dates.

Kalaupapa Month would be an opportunity to acknowledge and remember the people who were sent to Kalaupapa. Many of us see these people as victims of a disease, exiled, forsaken, isolated from their families and the lives they knew. It is a lesson of politics based on fear looks like - a reminder that policy decisions have real life consequences. And the photos of Kalaupapa residents during that time focuses us on the pain and suffering of people and the people they left behind in the homes in which they once lived.

There are two other reasons establishing Kalaupapa Month would be important.

The first is using Kalaupapa Month as a reminder of the social justice issues we face. Just as we learned with COVID 19, some communities, whether because of ethnicity, income, social status, or education assume a disproportionate share of the negative impacts of the ills we face.

And second, Kalaupapa is a testament to the strength of the human spirit. The first 12 people who arrived in Kalaupapa in 1866, had no support from the government and, if not for the aloha of the original inhabitants of Kalaupapa faced terrible odds. It is a story that despite the odds, the people sent to Kalaupapa moved beyond the labels, made friends, started families, and built a community.

The people of Kalaupapa today are viewed not only as valuable members of society, but as some of the finest citizens in Hawai`i who have overcome the most difficult of circumstances and have much to teach the rest of the world. In the words of Mercy Hutchison Bacon, the great niece of Kalaupapa leader Ambrose Hutchison, the people of Kalaupapa are, "the pride of a nation."

With the passing of Uncle Boogie Kahilihiwa three weeks ago, there are now only 11 people left today who are patient residents of Kalaupapa. They are getting older and it is harder for them to attend meetings such as this to share their voice. Just last year, the Ohana's President, Uncle Boogie Kahilihiwa, was here to speak on behalf of this proposal. Today he cannot.

It is no longer possible for him and the other kupuna to speak out and make sure we remember. Kalaupapa month is going to make sure we do that.

We respectfully request your Committee's support of SB697 SD1 HD1. Thank you for this opportunity to provide comment.

Representative Mark Nakashima, Chairman House Committee on Judiciary and Hawaiian Affairs Hawai`i State Legislature Honolulu, Hawai`i 96813

We write in support of SB697, SD1, HD1 Relating to Kalaupapa Month

Hearing: March 23, 2021 at 2 p.m., Hawai'i State Capitol, Room 325

To Chairperson Nakashima & Members of the House Committee on Judiciary & Hawaiian Affairs

As the population of Kalaupapa becomes smaller and smaller, it is increasingly important to find different ways to ensure that this important history is remembered in Hawai'i and throughout the world. The month of January is filled with significant dates related to this history.

On January 6, 1866, the first group of individuals was sent to Kalaupapa because they had leprosy. Accompanying these nine men and three women were at least five family members and one small boy whom they hid in their midst. One of the individuals with leprosy, Kini, was 15 years old, Kaaumoana was 16. The ages of the rest are not yet known. J.N. Loe and J.D. Kahauliko would immediately start writing letters to the Board of Health describing their situation. J.N. Loe noted that they were "in total darkness" and asked that two Hawaiian language newspapers be sent to them.

Father Damien De Veuster was born on January 3; Barbara Koob, who would become Mother Marianne Cope, was born on January 23, which has been designated as her Feast Day; Ambrose Kanewalii Hutchison, who lived at Kalaupapa for 53 years and served as Resident Superintendent for a total of ten years, longer than any other person who was facing the physical, social and emotional challenges of leprosy, arrived at Kalaupapa on January 5, 1879.

In January 1895, the final kama aina, the original residents of Kalaupapa who had provided the people sent to Kalaupapa with so much support and assistance, were given notice that they had to leave the peninsula.

Designating January as Kalaupapa Month will provide schools, churches and other organizations with a special time to focus on the history of Kalaupapa and the estimated 8,000 individuals who were sent there.

Sincerely,

Anwei Skinsnes Law, MPH Director, IDEA Center for the Voices of Humanity President for Heritage & Education, IDEA Historian, Ka 'Ohana O Kalaupapa

My name is Colin Brede. I am the nephew of David Kalani Kaluai Brede (1933-2009) and Jimmy Aheana Brede (1929-2016) who was taken from their love ones and sent to Kalaupapa 15 May 1942 at the young ages of 9 and 13. David and Jimmy are siblings of my father John P Brede (1930-2017).

I am writing in strong support of SB697 SD1, HD1. Perhaps no month contains no more important dates throughout the history of Kalaupapa than the month of January. Ka 'Ohana also hopes that Kalaupapa Month will be a time when teachers will focus on the history of Kalaupapa in their classrooms and when more churches will pay tribute to the people of Kalaupapa who found strength and community through their faith in God.

Testimony of PAULA AKANA Executive Director

Before the House Committee on Judiciary and Hawaiian Affairs

Tuesday, March 23, 2021 2:00 PM House Conference Room 325 via video conference

In Consideration of SENATE BILL 697 SD1 HD1 RELATING TO KALAUPAPA MONTH

Aloha Chair Nakashima, Vice Chair Matayoshi and Committee Members,

I am Paula Akana, Executive Director of The Friends of Iolani Palace and I support SB697 SD1 HD1. I am glad to see the Bill moving through the House and am pleased to lend my support for the Bill that was initiated through the efforts of Ka 'Ohana O Kalaupapa, who came up with the idea of Kalaupapa Month.

I, like so many Hawaii families, had ohana with ties to Kalaupapa. As a reporter, I visited there many times. I was also in Pearl City the day Bernard Punikai'a and Clarence Naia were arrested.

I believe designating January as Kalaupapa Month will help to ensure the stories of the sacrifices and perseverance of the people of Kalaupapa will live on. It will allow Ka 'Ohana O Kalaupapa to continue its commitment to educating the public about this special place and the people who called her home.

In fact, right now we have on display at Iolani Palace their exhibit, "A Source of Light, Constant and Fading" about the Royal Families meaningful connection to Kalaupapa.

We just lost Boogie Kahilihiwa, who was here last year to testify for this measure. Let's aloha him by passing SB697 SD1 HD1.

Representative Mark M. Nakashima, Chairman House Committee on Judiciary and Hawaiian Affairs Hawaii State Capitol

[Via email: repnakashima @Capitol.hawaii.gov]

Dear Representative Nakashima

Peace be with you!

I am writing in favor of SB 697 SD1 HD1, which would declare January of each year as Kalaupapa Month. As a native of Hawaii whose family has been here for 150 years, I have two relatives who were sent to Kalaupapa with Hansen's disease (a great-grandfather and a great-aunt, his daughter). As the Bishop of the Catholic Diocese of Honolulu I had the privilege of attending the canonizations of St. Damien and St. Marianne Cope, who continue to inspire us all with their spiritual and humanitarian work in Kalaupapa. We are looking into proposing the cause for canonization as a Saint of Joseph Dutton. I have become acquainted with the story of an elder of the Church of Jesus Christ of Latter Day Saints, who was a contemporary of Fr. Damien who became his friend and fellow community leader in Kalaupapa. It has been a blessing to know many of the current patients in Kalaupapa and those who have died there in the past decade or so.

Ka Ohana O Kalaupapa, which represents the current patients at Kalaupapa as well as ohana of current and former patients, has endorsed this bill, and its passage would mean so much to them all. As you know, Kalaupapa is currently mourning the recent death of Clarence "Boogie" Kahilihiwa, who served as President of Ka Ohana O Kalaupapa for many years and who would be very pleased if this bill were passed.

The memory of these and so many others who suffered so much yet who made a life of love and happiness for themselves and their community is one that can perpetually inspire us all. Those stories can be told even more faithfully if the entire month of January is dedicated as Kalaupapa month. Therefore I urge the passage of SB 697 SD1 HD1, and I thank you for your work on this important issue.

Sincerely yours in Christ,

+ Zarry Silva

Hearing: March 23, 2021 at 2:00 p.m. Hawai`i State Capitol, Room 325 via videoconference

I write in support of SB697 SD1 HD1 Relating to Kalaupapa Month

Aloha Chair Nakashima and Members of the House Committee on Judiciary and Hawaiian Affairs,

My name is Marci Weight Lyons. I am a member of Ka 'Ohana O Kalaupapa. My father, Edward Weight, was born in Kalaupapa in 1930. My Dad was taken from his parents and lived his childhood in an orphanage and various foster homes. My grandparents, who were sent to Kalaupapa, and two of their sons are buried there. My volunteerism with Ka 'Ohana O Kalaupapa has given me many opportunities to be in Kalaupapa where I discovered several additional family members who are buried there. It is a gift

and a blessing to share this awareness of these resting places and family history with my extended 'ohana.

I am asking the Legislature to designate January as Kalaupapa Month to be observed annually in Hawai`i. Kalaupapa Month will be a reminder of the importance of Kalaupapa, the significant historical contributions and the people who were a part of that history. I have had the opportunity to listen to Kalaupapa residents who gave heartfelt testimony of what it means to them to honor those sent to Kalaupapa and to never let them be forgotten. I feel my family who are buried in Kalaupapa would share these sentiments if they could speak for themselves.

I am grateful that Kalaupapa residents, Barbara Marks, Ivy Kahilihiwa, John Arruda, Pauline Chow and Winnie Harada, who sent in their support testimony when the Bill was being heard by the House Committee on Cultural, Arts and International Affairs, are still here to speak for themselves and to be heard.

I ask for your support of SB697 SD1 HD1 to establish Kalaupapa Month and I extend my appreciation to Ka Ohana O Kalaupapa for initiating and proposing Kalaupapa Month for your consideration.

Respectfully submitted,

My name is Susan Woo Smith. I am the great-granddaughter of Wong Chew, who was taken from his family in 1931 to Kalihi Hospital, then forced to reside in Kalaupapa from 1935-1939.

Before retiring, I was an educator for 32 years, as an elementary classroom teacher, middle school assistant principal, and elementary school principal. History is integral to education, recognizing significant events and the impact of these events on culture and on people. Kalaupapa directly affected the lives of 8,000 individuals, the lives of their families, communities, and those who dedicated their lives to serve.

It is important to acknowledge the strength and perseverance of the people of Kalaupapa and their contributions to Hawai'i. Kalaupapa Month will designate time for teachers and churches to recognize and focus on this pivotal aspect of history. I am happy Ka 'Ohana O Kalaupapa came up with the idea of Kalaupapa Month pursued the idea for consideration by the Legislature.

The month of January holds significant dates in the history of Kalaupapa: the first 12 people were sent to Kalaupapa in 1866; Father Damien's date of birth was January 3, 1840; Mother Marianne's date of birth was January 23, 1838. Additionally, the United Church of Christ celebrates Kalaupapa Sunday in January.

I am writing in strong support of SB697 SD1 HD1, which would designate January as Kalaupapa Month in Hawai`i and would be observed annually.

My name is Jessica Ka'imina'auao Downey Valladares. I am a senior at the University of Hawai'i at Hilo majoring in Anthropology. In March of last year (2020), I and my classmates under the instruction of our kumu, Kerri Inglis, went on a lifechanging two week huaka'i to the Kalaupapa peninsula for a preservation workshop. For months prior to this huaka'i we learned so much about the history of Kalaupapa from the different ahupua'a, it's days as a leprosy settlement, and most importantly about all of the almost 8,000 Kanaka Maoli sent there for over 100 years.

During our workshop our crew not only cleaned the over 1200 marked graves around Kalawao, Makanalua, and Kalaupapa, we exchanged mo'olelo about the incredible lives of some of the patients we researched. These mo'olelo started with heartbreak of being separated from their 'ohana but were also ones of resilience, unwavering aloha, dedication, hope and even koloheness. These stories and names of these amazing people should be honored, recognized, and shared. The public needs to know not just Kalaupapa's history but they need to know that these kūpuna were/are way more than their disease.

I am asking the Legislature to designate January as Kalaupapa Month in Hawai'i that will be observed annually. Re: Support for Bill SB 697 SD1 HD1

I am in support of this bill for several reasons, Kalaupapa will always be dear to my heart. It's a place filled with love and aloha when you go there. The remaining patients that continue to live there are so welcoming and humbled by your visit. Unless you know their stories would you understand and know the pain they suffered back then.

The history of Kalaupapa needs to be taught so that our keiki can learn about the generational trauma that inflicted our people. These loving Kupuna that still live there was literally Quarantined for life, exiled and torn from their families. Stripped of their basic human rights, but they were able to build their lives and create a community for themselves with the help of the Franciscan order Saint Damien and Saint Marianne.

How many of you know the stories of uncle Boogie Kahilihiwa who just passed away, how about uncle Bernard Punakai'a, Auntie Ku'ulei Bell, Makia, Aunty Elizabeth, aunty Ivy, Aunty Oliva who wrote her book called "My life of Exile in Kalaupapa or Uncle Henry Nalaielua who wrote his Memoir called "No Footprints in the Sand".

Kalaupapa Month will be an opportunity for our Keiki of Hawai'i to learn the History and know the story of our Kupuna. It's because of these people that I support this bill, lets continue to tell their stories, This beautiful peninsula at one time may have been filled with sadness, but today it's filled with love by the Kupuna that lives today, lets listen to their stories in hopes that no one ever has to suffer the pain they once suffered.

Mahalo for this opportunity to provide testimony.

Re: Testimony in Support of Bill Number: SB697 SD1, HD1, Relating to Kalaupapa Month

Hearing: March 23, 2021 at 2 p.m. Hawai'i State Capitol, Room 325

Aloha Chair Nakashima, Vice Chair Matayoshi and Members of the House Committee on Judiciary and Hawaiian Affairs,

Mahalo nui loa for the opportunity to testify in **strong support** of **SB697 SD1**, **HD1**, which designates the month of January as Kalaupapa Month.

My name is Kehaulani Lum, and I am a member of Ka 'Ohana o Kalaupapa. I am also a descendent of four family members from Ninole and Wailea, Hawai'i Island, who were relocated in the 1900s, as children, to Kalaupapa, when government quarantine policies meant a one-way ticket to a life in isolation, scarcity and loneliness. Only one of them was ever heard from or seen again.

SB697 SD1 holds significant meaning for descendants of the 8,000 people who were forcibly exiled, most never to be seen or heard from again.

The powerful stories of these true practitioners of the spirit of Aloha remain hushed in the dark archives of Hawai'i's history, and a month of recognition is the least that a grateful and compassionate community can offer to its noble citizens.

What started as a tale of grief, loneliness, separation and fear, can be transformed, through this effort, into awakenings of strength, dignity and resilience; powerful lessons for present and future generations, especially, as we confront our own mortality, in this moment of COVID-19. Moreover, it will ensure that such injustice never happens again.

On behalf of my `ohana, and in honor of the late Aunty Pi`olani Motta, who charged me to never forget, I respectfully request your support for this measure.

Me ke aloha nui loa,

Regarding SB697 SD1 HD1: Kalaupapa Month

Wednesday, March 23, 2 p.m., via videoconference

I write in strong support of SB697 SD1 HD1, establishing January as Kalaupapa Month annually across Hawai'i

Aloha Chair Nakashima, Vice Chair Matayoshi and Members of the House Committee on Judiciary and Hawaiian Affairs:

As a founding member of Ka 'Ohana O Kalaupapa and former Executive Director, I write in strong support of a proposal from Ka 'Ohana O Kalaupapa to designate January as Kalaupapa Month annually in Hawai'i.

Ka 'Ohana is asking that January be designated as Kalaupapa Month annually because so many significant events occurred throughout the history in that month -- and it would be the perfect time to pay tribute annually to Kalaupapa. This was the month when the first 12 citizens of Hawai'i were sent to Kalaupapa; when both of Kalaupapa's Saints -- Father Damien and Mother Marianne – were born and when the Hawai'i United Church of Christ celebrates Kalaupapa Sunday. Other important events also occurred in January.

Designating a month every year to remember the nearly 8,000 men, women and children who were sent to Kalaupapa will be a wonderful way of bringing these individuals back into the history they helped to create -- so many of them have been left out. It's a way for teachers to include the history of Kalaupapa in their classrooms, for churches to recognize how faith helped people to heal and bond and for families to pay special attention to their ancestors who were at Kalaupapa.

Kalaupapa Month is a way for everyone to get involved in honoring the people of Kalaupapa and their important history – and it would be a great way to start off each year.

I humbly ask for your support of SB697 SD1 HD1, designating January as Kalaupapa Month annually in Hawaii, including amendments suggested by Ka 'Ohana O Kalaupapa and approved by this Committee.

Thank you for your consideration.

aloha,

I am writing in support of the designation of January as Kalaupapa Month in Hawai`i, to be observed annually. The history of Kalaupapa needs to be remembered and better understood throughout the islands as it plays an integral part in the overall history of Hawai'i. The community of Kalaupapa (past and present) has many lessons to teach us all -- lessons of perseverance, resilience, sacrifice, and importance of 'ohana, to name a few -- lessons that we can all benefit from, now and in the future.

As an historian and educator, I fully support this initiative.

Kalaupapa is an important place in the history of Hawai'i. The 'ĕ ina and kĕ naka have many mo'olelo that should not be forgotten. Kalaupapa and it's history was something I was not taught growing up in Hawai'i and going to public school. To have a month dedicated to Kalaupapa opens up discussions with our 'ohana, our communities, and our schools about the history and possible connections to the kÄ• naka that lived/lives there. I support the designation of January being Kalaupapa History month. Mahalo nui for your time and consideration.
