**SCR 247, SD1, REQUESTING THAT A WORKING GROUP BE CONVENED TO
DEVELOP RECOMMENDATIONS TO FACILITATE HOMESTEAD AGRICULTURAL
DEMONSTRATION PROJECTS IN THE STATE**

April 7, 2021

Aloha Chair Hashem, Vice Chair Perruso, and members of the Committee:

The Department of Hawaiian Home Lands (DHHL) submits comments on this resolution requesting that a working group be convened to develop recommendations to facilitate homestead agricultural demonstration projects in the State. DHHL appreciates the motivation behind this resolution, but would prefer SCR 246, SD1 since the Revitalizing Economy and Agriculture Leadership initiative is currently underway and its proponents are taking necessary actions with community and industry partners to stabilize Hawaii's small farming businesses. Frankly, to implement both SCR 246, SD1 and SCR 247, SD1 would stretch the already limited resources of DHHL.

Thank you for your consideration of our testimony.

SENATE CONCURENT RESOLUTION 247
REQUESTING THAT A WORKING GROUP BE CONVENED TO DEVELOP
RECOMMENDATIONS TO FACILITATE HOMESTEAD AGRICULTURAL
DEMONSTRATION PROJECTS IN THE STATE

Chairperson Hashem and Members of the Committee:

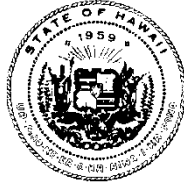

SCR247 proposes that a working group be convened to develop recommendations to facilitate homestead agricultural projects in the state. The Department of Agriculture ("Department") offers comments.

The resolution seeks to benefit the agricultural and pastoral lands and homestead lessees under the management authority of the Department of Hawaiian Homelands. The Department's potential limited contribution to this effort is its technical disease and pest expertise. The Department defers to other proposed participant groups such as DBEDT, UH CTAHR Research and Cooperative Extension, DLNR, DHHL etc. regarding sites location, on-farm development, farmer training on business economics and production practices. It appears that the Department's role in the actions urged by this measure is one of a consultant on technical questions that arise.

Thank you for the opportunity to testify on this measure.

HHFDC *offers the following comments* on S.C.R. 247, S.D. 1. HHFDC is generally willing to partner with its sister departments and agencies to facilitate housing development, including agricultural worker housing. However, we note that the Department of Hawaiian Home Lands (DHHL), which would be responsible for convening the working group proposed in this Concurrent Resolution, previously testified that it does not have the resources to do so, and if given a choice between the two, prefers S.C.R. 246, S.D. 1 to this one. We further note that because the farm and ranch worker housing proposed in this Concurrent Resolution would be located on Hawaiian Home Lands, it would not be appropriate for HHFDC to be involved unless DHHL fully supports and requests our participation.

Thank you for the opportunity to provide written comments on this Concurrent Resolution.
