# A BILL FOR AN ACT

RELATING TO JUNETEENTH DAY.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that Juneteenth, also  
2 known as Emancipation Day, Juneteenth Independence Day, and  
3 Black Independence Day, is a celebration of emancipation from  
4 slavery in the United States. June 19, 1865, marks the date  
5 that Major General Gordon Granger arrived in Galveston, Texas,  
6 and announced the end of the Civil War and the end of slavery.

7           The legislature further finds that although the  
8 Emancipation Proclamation came two and a half years earlier on  
9 January 1, 1863, many slave owners continued to hold their  
10 slaves captive after the announcement, so Juneteenth became a  
11 symbolic date representing African American freedom.

12           The legislature finds that although Juneteenth is not a  
13 federal holiday, most states and the District of Columbia have  
14 passed legislation recognizing Juneteenth as a holiday or  
15 observance. Hawaii is one of three states that does not  
16 recognize Juneteenth as a state holiday or a special day of  
17 observance.

1           The purpose of this Act is to establish June 19 of each  
2 year as Juneteenth Day in recognition of the history and legacy  
3 of slavery in the United States and in honor of the significant  
4 roles and contributions of African Americans in the history of  
5 the United States.

6           SECTION 2. Chapter 8, Hawaii Revised Statutes, is amended  
7 by adding a new section to be appropriately designated and to  
8 read as follows:

9           "§8-        Juneteenth Day. June 19 of each year shall be  
10 known and designated as Juneteenth Day to commemorate the end of  
11 slavery in the United States and in honor and recognition of the  
12 significant roles and contributions of African Americans in the  
13 history of the United States. This day is not and shall not be  
14 construed to be a state holiday."

15           SECTION 3. New statutory material is underscored.

16           SECTION 4. This Act shall take effect on July 1, 2065.
