
A BILL FOR AN ACT

RELATING TO CHILDLIKE SEX DOLLS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the widespread
2 availability of childlike sex dolls enables the exploitation,
3 objectification, abuse, and sexual assault of children.
4 Childlike sex dolls are designed to look and feel as lifelike as
5 possible. The physical features of these dolls resemble those
6 of minor children; some dolls are accompanied by accessories
7 such as wigs and false eyelashes. Childlike sex dolls may have
8 robotic properties that simulate a real child's emotions such as
9 sadness or fear and may also include a programmable "rape
10 function".

11 The legislature recognizes that possession of a childlike
12 sex doll correlates with other offenses perpetrated against
13 children. For example, in the United Kingdom, where multiple
14 shipments of childlike sex dolls have been seized by border
15 patrol agents, investigators found that in many cases the dolls
16 were addressed to individuals committing other offenses
17 involving harm to children. Similarly, a Johns Hopkins School

1 of Medicine paraphilia researcher has opined that contact with a
2 childlike sex doll is likely to reinforce pedophilic thoughts
3 and cause those thoughts to be acted upon with greater urgency.
4 Moreover, the legislature believes that some users of childlike
5 sex dolls will reach a point where interaction with a doll is no
6 longer satisfactory and thus attempt to engage in sexual
7 activities with a human child.

8 The legislature also finds that other jurisdictions have
9 taken action to help protect children from the harm associated
10 with childlike sex dolls. Florida and Tennessee have enacted
11 laws that impose criminal penalties for selling or possessing a
12 childlike sex doll. Similar measures were introduced in the
13 legislatures of Georgia and New Jersey in 2020. Further,
14 measures criminalizing the importation, transportation, sale,
15 and possession of childlike sex dolls have been introduced in
16 the United States Congress in recent years. A current example
17 is H.R. 8236, also known as the "Curbing Realistic Exploitative
18 Electronic Pedophilic Robots Act 2.0" (CREEPER Act 2.0), which
19 was introduced in the House of Representatives on September 14,
20 2020.

1 The purpose of this Act is to establish the felony offense
2 of importation, sale, or possession of a childlike sex doll.

3 SECTION 2. Chapter 712, Hawaii Revised Statutes, is
4 amended by adding a new section to part II to be appropriately
5 designated and to read as follows:

6 "§712- Importation, sale, or possession of a childlike
7 sex doll. (1) A person commits the offense of importation,
8 sale, or possession of a childlike sex doll if the person
9 intentionally, knowingly, or recklessly:

10 (a) Imports or causes to be imported into the State a
11 childlike sex doll;

12 (b) Sells, offers to sell, distributes, or otherwise
13 provides to another person a childlike sex doll; or

14 (c) Possesses a childlike sex doll.

15 (2) The importation, sale, or possession of five or fewer
16 childlike sex dolls is a class C felony.

17 (3) The importation, sale, or possession of more than five
18 childlike sex dolls is a class B felony.

19 (4) For purposes of this section, "childlike sex doll"
20 means a doll, mannequin, or robot that is intended for sexual
21 stimulation or gratification and that has the features of, or

1 features that resemble those of, a person below the age of
2 eighteen years."

3 SECTION 3. This Act does not affect rights and duties that
4 matured, penalties that were incurred, and proceedings that were
5 begun before its effective date.

6 SECTION 4. New statutory material is underscored.

7 SECTION 5. This Act shall take effect on January 1, 2050.
