A BILL FOR AN ACT

RELATING TO ASBESTOS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Section 342P-41, Hawaii Revised Statutes, is
2 amended to read as follows:

3 "**§342P-41 Powers and duties; specific.** The director may:

4 (1) Establish emission and lead hazard exposure standards
5 for the State as a whole or for any part thereof,

6 including an indoor nonoccupational exposure standard;

7 (2) Establish a model accreditation program as recommended

8 by the United States Environmental Protection Agency

9 for training for provider certification and

10 accreditation requirements;

11 (3) Establish work practice standards and notification

12 requirements for the demolition and renovation of

13 facilities, including single-family residences,

14 containing asbestos and for lead-based abatement

15 activities in dwellings and child-occupied facilities;

16 and

S.B. NO. 228

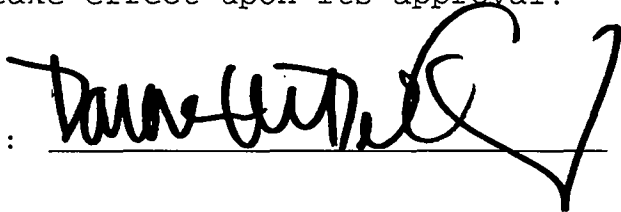

1 (4) Establish procedures for issuance of reasonable fees
2 for notifications, certifications, and licenses."

3 SECTION 2. No later than _____, the department of
4 health shall amend 11-501-2, Hawaii Administrative Rules, to
5 include single-family residences in the definition of "facility"
6 or shall adopt new administrative rules no later than _____ that
7 establish work practice standards and notification requirements
8 for the demolition and renovation of single-family residences
9 containing asbestos.

10 SECTION 3. New statutory material is underscored.

11 SECTION 4. This Act shall take effect upon its approval.

12

INTRODUCED BY: 

S.B. NO. 228

Report Title:

DOH; Asbestos; Work Practice Standards; Single-Family Residences

Description:

Clarifies that work practice standards and notification requirements for the demolition and renovation of facilities containing asbestos apply to single-family residences. Requires the Department of Health to amend its administrative rules in accordance with this Act.
