I. INTRODUCTION

Section 37-52.5, Hawaii Revised Statutes (HRS), requires that, except for the Judiciary, any department that administratively establishes a new fund or account must submit a report to the Legislature and, at least twenty days prior to the convening of each regular session, must submit a report that shall include (1) a list of all administratively established accounts or funds and (2) all revenues, expenditures, encumbrances, and ending balances of each account or fund. The Department of the Attorney General administers one administratively established fund and one final disposition pending account: the National Mortgage Settlement Trust Fund and the Seized Funds – Final Disposition Pending Account, respectively.

II. NATIONAL MORTGAGE SETTLEMENT TRUST FUND

A. Overview of the National Mortgage Settlement Trust Fund

The National Mortgage Settlement Trust Fund, appropriation number T-916-N, was established pursuant to a consent judgment that was filed in the United States District Court for the District of Columbia on April 4, 2012. Hawaii, along with 48 other states and several departments and agencies of the federal government, reached a national mortgage settlement with the nation's five largest banks and mortgage servicers on April 4, 2012. Pursuant to the United States District Court's judgment approving the settlement, Hawaii received \$7,911,883 in direct settlement funds. The court's order approving the settlement requires that the Hawaii funds be expended as follows:

The monies are to be held in trust for the benefit of homeowners and others in the State of Hawaii who are, have been, or may be affected by mortgage loan proceedings. This includes, but is not limited to, those who have been subject to foreclosure, are in foreclosure, are at risk of foreclosure, have delinquent mortgage loan payments, have negative equity in their homes, have lost their homes due to foreclosure, have been unable to refinance their mortgage loans, or are leasing a dwelling affected by foreclosure. The monies shall be used for housing and financial counseling, public education, mediation, dispute resolution, and enforcement of laws and agreements protecting the rights of homeowners and lessees. The monies shall be used only for these purposes. The monies shall be deposited into an administrative trust account to be administered by the Attorney General of the State of Hawaii, who as custodian shall have sole discretion to make determinations as to the amounts and the purposes for which the monies are to be expended.

Then Attorney General, David M. Louie, convened a task force on March 22, 2012, to provide recommendations on how best to expend the funds that Hawaii received pursuant to the settlement. The task force was comprised of Senators Rosalyn Baker and David Ige; Representatives Robert Herkes and Marcus Oshiro; Department of Commerce and Consumer Affairs Director Kealii Lopez and Acting Deputy Director Jo Ann Uchida; Judiciary Staff Attorney Julia Verbrugge and Center for Alternative Dispute Resolution mediator Elizabeth Kent; and Attorney General David Louie.

B. Details of Revenues and Expenditures

In accordance with recommendations from the task force and the federal court consent order, the Attorney General established the Foreclosure Assistance Program and the National Mortgage Settlement Trust Fund to expend the settlement funds.

During Fiscal Year (FY) 2020-2021, the following significant transactions occurred in the trust fund:

REVENUES:

The \$238.63 Investment Pool interest reflected in the 2019-2020 table is recorded in place of the previously estimated amount of \$600.00. Investment Pool Interest for 2020-2021 is unavailable at this time, but an estimated amount of \$250.00 is provided.

EXPENDITURES:

Expenditures for FY 2020-2021 for the trust fund totaled \$495.89.

Financial Data for Fiscal Years 2012-2013, 2013-2014, 2014-2015, 2015-2016, 2016-2017, 2017-2018, 2018-2019, 2019-2020, and 2020-2021:

The following tables detail the revenues and expenditure for the National Mortgage Settlement Fund account from Fiscal Years 2012 through 2021.

III. SEIZED FUNDS – FINAL DISPOSITION PENDING ACCOUNT

**A. Overview of the Seized Funds – Final Disposition Pending Account:
FY 2020-2021**

In 1988, the Legislature enacted chapter 712A, HRS, the Hawaii Omnibus Criminal Forfeiture Act. Chapter 712A provides for the forfeiture of property used or acquired in connection with the commission of certain criminal offenses and for the distribution of the property, or its proceeds, to law enforcement agencies for law enforcement purposes. A detailed history and explanation of the program is provided in the Annual Report of Proceedings under the Hawaii Omnibus Criminal Forfeiture Act, submitted contemporaneously with this report.

² The ending cash balance for FY 2020-2021, does not include the estimated revenues; the balance will be adjusted next year to reflect the actual amount of revenues when it is known.

The Seized Funds - Final Disposition Pending Account, account number T-906, was administratively established in 1988 as a "holding" account. The seized currency can be deposited into the T-906 account pending the outcome of the forfeiture proceedings. The currency seized for administrative or judicial forfeiture may be ordered returned to a claimant, forfeited to the State, or divided between the claimant and the State pursuant to a judicial or administrative settlement agreement. This fund receives no actual revenue because it operates as a trust account. Disbursements from the fund include amounts returned to a claimant if the seized funds are not forfeited. If the seized funds are ordered forfeited, the funds are transferred to the Criminal Forfeiture Fund, which is discussed more fully in the Annual Report of Proceedings under the Hawaii Omnibus Criminal Forfeiture Act.

The amounts in the Seized Funds - Final Disposition Pending Account may not reflect the total seized currency for a Fiscal Year. This is primarily due to cases where petitions are filed, but the deposits into the T-906 account related to the filed petitions are not completed within the same fiscal year. New petition deposit transaction times can often span from three to six months, or longer if a petition is refiled. Other reasons for delays may include, but are not limited to, evidentiary requirements in a criminal case, currency handling procedures within the seizing agencies, and other additional processing times required by seizing agencies and the Attorney General's Fiscal Offices to finalize a currency transaction in and out of the T-906 account.
