# A BILL FOR AN ACT

RELATING TO REGISTRATION OF VEHICLES.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that more than eight  
2 thousand vehicles are abandoned in Hawaii every year. In 2019,  
3 four thousand seven hundred abandoned vehicles were reported on  
4 Oahu, one thousand eight hundred abandoned vehicles were  
5 reported on Maui, 1,620 abandoned vehicles were reported on  
6 Hawaii island, and nine hundred abandoned vehicles were reported  
7 on Kauai. These abandoned vehicles are an eyesore in  
8 communities, harmful to the environment, and a financial burden  
9 to the counties. The legislature further finds that, as a  
10 result of fraud occurring at the vehicle title transfer level,  
11 there is an ongoing issue with locating the proper owner of a  
12 vehicle that has been abandoned.

13           The purpose of this Act is to more accurately track motor  
14 vehicle ownership by:

15           (1) Requiring that the transferee's and transferor's  
16                 address be provided on the certificate of ownership  
17                 when the title to a motor vehicle is transferred;

1           (2) Clarifying that the signature of the transferee and  
2           signature of the transferor each serve as an  
3           attestation by that respective party as to the  
4           validity of the information on the certificate of  
5           ownership; and

6           (3) Imposing a fine on any person who provides false or  
7           fraudulent information.

8           SECTION 2. Section 286-52, Hawaii Revised Statutes, is  
9           amended by amending subsection (a) to read as follows:

10           "(a) Upon a transfer of the title or interest of a legal  
11           owner in or to a vehicle registered under this part, the person  
12           whose title or interest is to be transferred and the transferee  
13           shall write their signatures with pen and ink upon the  
14           certificate of ownership issued for the vehicle, together with  
15           the ~~[address]~~ addresses of the person whose title or interest is  
16           to be transferred and the transferee in the appropriate [space]  
17           spaces provided upon the certificate. The signature of the  
18           person whose title or interest is to be transferred and  
19           signature of the transferee shall each serve as an attestation  
20           by that respective party that the information provided on the  
21           certificate is correct. Any person who provides false or

1 fraudulent information under this subsection shall be fined no  
2 less than \$500 and no more than \$1,000."

3 SECTION 3. Statutory material to be repealed is bracketed  
4 and stricken. New statutory material is underscored.

5 SECTION 4. This Act shall take effect on July 1, 2023.

APPROVED this 27th day of June , 2022
