GOV. MSG. NO. 9

The Honorable Ronald D. Kouchi,
President and Members of the Senate

✓ The Honorable Scott K. Saiki,
Speaker and Members of the House
of Representatives
Thirty-First State Legislature
State Capitol, Room 431
Honolulu, Hawai'i 96813

Dear Senate President Kouchi, Speaker Saiki, and Members of the Legislature:

Pursuant to Section 73 of Act 88, SLH 2021, this is to notify you that I have approved the transfer of three positions between programs within the Department of Transportation (DOT) for operating purposes.

1. Date of transfer: February 2022
2. Budgeted positions to be transferred:

Position No.	Position Title
42929	Airports Operations Officer
35171	General Professional VI (Security)
42930	Office Assistant III

3. Program ID from which the positions will be transferred:

TRN 195, Airports Administration

4. Responsibility of the positions prior to and after the transfer:

The responsibilities of the positions being transferred will be similar to their current responsibilities based on the proposed reorganization for the O'ahu Airport District (AIR-O), which consolidates statewide functions from the Airports Operations Office, consolidates its human resources, and creates additional direct oversight of security operations at Daniel K. Inouye International Airport. The positions will be placed in a new section under AIR-O entitled Airport Security and Compliance.

5. Program ID to which the positions will be transferred:

TRN 102, Daniel K. Inouye International Airport

6. Manner in which the transfer maximizes the utilization of personnel resources and staff productivity:

The transfer is needed to strengthen security programs at Hawai'i airports by consolidating staffing and supervision of a new section (Airport Security and Compliance) for AIR-O to meet the new requirements of the Transportation Security Administration (TSA), Code of Federal Regulations Title 49, and to comply with the terms of the TSA-DOT Settlement Agreement.

With warmest regards,
