
A BILL FOR AN ACT

RELATING TO ABANDONED VEHICLES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that there has been a
2 rise in abandoned vehicles within the State, necessitating a
3 large amount of funding for the counties to dispose of the
4 abandoned vehicles. To offset the costs, charges and fines are
5 levied against individuals who abandon their vehicles. However,
6 there is no current mechanism that requires the individuals to
7 pay the charges within a reasonable timeframe, resulting in
8 numerous outstanding cases within the State.

9 Accordingly, the purpose of this Act is to:

- 10 (1) Authorize the director of finance of a county to
11 require payment of outstanding charges and fines
12 relating to the disposition of an abandoned vehicle
13 before issuing a certificate of registration or
14 completing a transfer of ownership, except under
15 certain circumstances; and
- 16 (2) Require a county director of finance to notify the
17 appropriate county examiner of drivers of the

1 individuals who have outstanding charges and fines
2 owed to the county relating to the disposition of an
3 abandoned vehicle for the purposes of suspending,
4 revoking, or prohibiting the renewal of their driver's
5 licenses.

6 SECTION 2. Chapter 290, Hawaii Revised Statutes, is
7 amended by adding a new section to be appropriately designated
8 and to read as follows:

9 "§290- Abandoned vehicles; prohibition on transfer;
10 suspension, revocation, or prohibition of renewal of driver's
11 license; notification. (a) The county director of finance
12 shall deny issuance of a certificate of registration, in
13 accordance with section 286-51, and prohibit completion of any
14 transfer of ownership, in accordance with sections 286-52 and
15 286-52.5, of an abandoned vehicle whose registered owner has
16 outstanding charges and fines relating to the disposition of the
17 abandoned vehicle, including for costs related to towing,
18 storage, processing, and disposal.

19 (b) The county director of finance shall notify the
20 appropriate county examiner of drivers of any registered owners
21 of abandoned vehicles in the county who have outstanding charges

1 and fines relating to the disposition of an abandoned vehicle.
2 The county examiner of drivers shall then suspend, revoke, or
3 prohibit the renewal of the registered owner's driver's license
4 in accordance with sections 286-107 and 286-119."

5 SECTION 3. Section 286-51, Hawaii Revised Statutes, is
6 amended by amending subsection (a) to read as follows:

7 "(a) The certificate of registration for each motor
8 vehicle in the counties of the State shall be renewed on a
9 staggered basis as established by each county. The director of
10 finance of each county may adopt rules to carry out the purposes
11 stated in this section and shall expend the [necessary] funds
12 from the director's operating funds as may be necessary for
13 these purposes; provided that [~~the director of finance,~~] if the

19 certificate of ownership after endorsement to the director of
20 finance, shall not apply to the transferee of a vehicle who was
21 not intending to and does not drive the vehicle or permit the

1 vehicle to be driven upon the public highways, but every such
2 transferee, upon transferring the transferee's interest or title
